Regional Seminar on Fractal Geometry

A Regional seminar on 'Fractal Geometry' was conducted on 18-12-2019 as part of National Mathematics Day Celebrations. Dr. Aswathy R K, National Institute of Technology, Kozhikode, served as the Resource Person. During the seminar, she provided a comprehensive overview of fractal geometry. She covered fundamental concepts such as self-similarity, fractal dimension, and the Mandelbrot set. With illustrative visuals and clear explanations, she captivated the audience's attention and fostered a deeper understanding of the subject. A total of 130 students from various colleges in Wayanad district attended the seminar.

The list of participants with signatures is attached.
