### Clarifications on the Metric Extended Profile 2.2, as per DVV queries

The College offers 19 UG, and PG programmes, out of which 8 Programmes are in Government aided stream, and the remaining are in Self-financing mode.

The management of the college has sanctioned and appointed more faculties than the statutory requirements for the effective running of the programmes, with an adequate number of curriculum enrichment programs and certificate courses.

As per the DVV suggestions, the data are revised by considering only the number of teachers according to statutory requirements. Also, the **physical education teachers and the librarian are not included** in the list, as the college is not offering any Physical education or Library science programmes.

**Yearwise list of teachers indicating departmental affiliation is provided**

**Appointment letters of teachers are provided**

The year-wise consolidated data of Sanctioned posts and the department-wise data for all the academic years are provided in the tables below.

### Number of Full time teachers required as per statute, sanctioned and appointed excluding physical education teacher
