Clarifications on the Metric Extended Profile 2.1, as per DVV queries

The College offers 19 UG, and PG programmes, out of which 8 Programmes are in Government aided stream, and the remaining are in Self-financing mode.

The management of the college has sanctioned and appointed more faculties than the statutory requirements for the effective running of the programmes, with an adequate number of curriculum enrichment programs and certificate courses.

- As per the DVV suggestions, **the data are revised by considering only the number of teachers according to statutory requirements. Also, the physical education teachers and the librarian are not included in the list, as the college is not offering any Physical education or Library science programmes.**
- The revised list of full time teachers (152 Numbers) in block of five years (without repeat count) indicating the departmental affiliation is provided.
- Required data in data template is provided
- Appointment letters of full time teachers are provided
