

International webinar on what the heck is Biomedical Engineering?

The international webinar titled "What the Heck is Biomedical Engineering?" was held on 25-09-2021 through Online Platform. Organized by Department of Electronics, The webinar aimed to provide participants with an insightful introduction to the field of biomedical engineering, shedding light on its diverse applications and contributions to healthcare and technology.

Opening Remarks: The webinar commenced with opening remarks by Mr. MA Muhammad Jamal, highlighting the importance of biomedical engineering in addressing healthcare challenges and driving technological advancements.

Keynote Address: A keynote address was delivered by Dr. Nikhila Mary Vijay presently working at Massey University, New Zealand, a renowned expert in biomedical engineering. The keynote speaker provided an overview of the field, discussing its evolution, scope, and impact on healthcare. 88 students actively participated in the programme.

The poster is for a 5th International webinar. At the top left is the logo of W.M.O. Arts & Science College, Muttil. The text reads: "PG Department of Electronics, W.M.O. ARTS & SCIENCE COLLEGE, MUTTIL". Below this, a red banner says "5th International webinar". A black arrow-shaped box contains the date and time: "2021 September 25 Saturday 10:00 am" and the platform: "Google Meet Online Platform". The poster is divided into three main sections. On the left, under "Inaugural Address", is a photo of Mr. MA Muhammed Jamal, with his name and title "Coperat Manager" in an orange box below. In the center, a blue box contains the topic: "What the heck is Biomedical Engineering". On the right, under "Resource Person", is a photo of Dr. Nikhila Mary Vijay, with her name and title "Massey University New Zealand" in an orange box below.
