## Report on Coaching for NET/ JAM (2019-20)

Every year special sessions were conducted for the National Eligibility Test (NET) and Joint Admission Test for M.Sc. (JAM) for Graduate and postgraduate students of Mathematics, focusing on student group discussions and problem-solving activities.

The sessions are conducted for four days each week from 3.30 pm to 4.30 pm. The classes are facilitated by faculty in the department who specialize in the respective subjects. A key component of the JAM/NET classes at W M O College is the emphasis on student group discussions. These discussions provide a platform for students to exchange ideas, clarify doubts, and deepen their understanding of the subject matter. The group discussions are designed to foster collaborative learning and encourage active participation from all students. To enhance problem-solving skills, a significant portion of the JAM/NET classes are dedicated to solving practice problems. Students are provided with a wide range of challenging questions that cover various topics within the JAM/NET syllabus. Group discussions allow students to gain multiple perspectives on complex topics, leading to a deeper understanding of the subject matter. Students could share their insights and learn from their peers, expanding their knowledge base.

### 2019-20

The coaching for NET/JAM and other competitive examinations during the academic year 2019-20 was conducted from 15-08-2019 to 15-1-2020. Students' presentations were held from 3.30 pm to 4.30 pm and related problems in the previous year's question papers were solved by the participants. Faculty members provided personal guidance and mentoring to the students.

No. of students attended: 20

Course Co-ordinators : Anusree R, Chiranmay Murali

Duration : 15-08-2019 to 15-1-2020

### Evidence of Success

1. Vishakh T R qualified NET 2019
2. Kavya P V qualified JAM 2020
3. Vishak T R qualified GATE 2021
