

Seminar on Entrepreneurship

The Seminar on Entrepreneurship, organized by Women Cell & IQAC of WMO College took place on 26-08-2022. The event aimed to bring together aspiring entrepreneurs, established business owners, experts, and stakeholders to discuss and share insights about various aspects of entrepreneurship. The theme for the seminar was “Meet a women entrepreneur”, focusing on fostering innovation, business growth, and sustainable practices.

Ms. Lilly Mathew, Managing Director, Lilly Farms, Manathavady spoke about the importance of innovation in entrepreneurship and shared real-life examples of successful innovative ventures. Total 78 students participated in the seminar
