Clarification regarding the queries on the Metric 3.1.1

Response to quey-1:

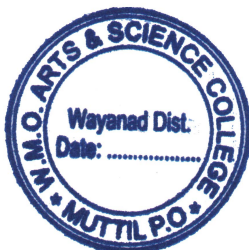

The year wise e-copies of the Sanction letters are uploaded. (Revised Excel data template is also submitted).

Response to quey-2:

The Audit Reports/ Utilization certificates are uploaded.

Note:

1. The college has a stride project awarded by UGC in the academic year 2019-20 with a total financial assistance of 21.95 Lakhs. But the entire amounts were not transferred in the same academic year. In 2019-10 we received 10.975 Lakhs, and the remaining 10.975 Lakhs were sanctioned in 2021-22 (See Note-2). As per the advice from the help desk of NAAC these amounts are added in the academic years 2019-20 and 2021-22. Hence the data in excel format is revised and submitted.
2. In the stride project an amount of Rs.606100.00 (Six Lakh six thousand and one hundred) is credited to the account on 14-06-2022. As NAAC has extended the Data Collection Year 2021-2022 for assessment up to 31st August 2022 for NAAC Self-Study Report (SSR) and Data Validation and Verification (DVV) purposes due to Covid-19 pandemic, this amount is also included in the Academic Year 2021-22.
3. The Income and expenditure related to Government and Self- financing funds are audited separately (As per the direction from the Higher Education Department), and the funds received from UGC and Kerala State Council for Science Technology and Environment (KSCSTE) are included in the Audit reports for aided programmes.
4. Two KSCSTE student projects are removed from the list due to the lack of Utilisation certificates. The remaining three are added in the academic years during which the fund is released.
