SURVEY AND CHLORINATION AFTER FLOOD

The NSS Volunteers of WMO Arts and Science College, Muttil took part in survey of flood affected areas and figuring up losses at Panamaram Gramapanchayath and Pozhuthana Gramapanchayath. The volunteers vigorously involved in chlorinating the flooded wells, drinking water ponds and slush filled floors of houses. Around 60 NSS volunteers participated in the survey and the chlorination programme ensued on 19th September 2018. The authorities of both panchyaths appreciated and acknowledged the efforts of the volunteers in their active involvement in the activities.
