Subject: Collaboration for International Anti-Drug Day Event
10/06/2022

Sir

I am reaching out on behalf of anti-drug forum at WMO Arts and Science College, Muttill, to propose a collaboration with the Department of Social Work. We are interested in working together to organize an event for International Anti-Drug Day on June 26-27, 2022.

Given the significant impact of substance abuse on society, we believe that a collaborative effort can create a more profound impact. We envision a joint event that includes talks, procession, and discussions to raise awareness about the dangers of drug abuse and promote prevention.

We would greatly appreciate your willingness to collaborate further and explore the ways we can contribute to the event's success.

Looking forward to hearing from you

Thanking you

*Received collaboration letter,
will proceed.
