

ONE DAY WORKSHOP ON ANTI-BULLYING

WORKSHOP ON SOLUTION FOCUSED ANTI BULLYING

17 : DECEMBER : 2018

HRD Centre, WMO Campus, Kuttanangalam, Muttill, Kaipetta, Wayanad, Kerala

Who Should Attend?
 Teachers - Therapists - Special Educators - Psychologist - Social workers - Headmasters - Child Psychiatrists - Youth Workers and anyone who in their work help students and teachers at schools.

What is Solution focused Anti Bullying?
 Anti bullying provides a powerful set of principles and strategies that will transform the whole educational approach to dealing with bullying. This workshop taking solution focused approach to bullying and will change practice and open up new ways for schools to develop cooperation among pupils as a basis for building friendship and safety in schools.

The overwhelming majority of pupils want a peaceful, safe and happy place to learn. Every parents wants their child to be safe in school. This programme works in that direction. This approach promotes a climate for cooperation, hope and heart within the whole school setting and will help us to keep children safe and happy in school.

By the end of workshop you will learn

1. How solution focused practice can bring a new perspective to promoting change and make anti bullying in schools more effective.
2. How professional can work development at the whole school level can support a safe, supportive and friendly ethos.
3. how solution focused strategies ensures parental involvement as an integral part in the development of solution focused schools.

Facilitator:
SUE YOUNG
 Sue Young is an independent consultant/trainer in solution-focused practice after working most of her career as an educator in the United Kingdom. She began specialising in behaviour support to schools in the 1990s while having a particular interest in anti-bullying. Her work over the last 10 years has included introducing government initiatives for social and emotional development as well as giving support to individual children and parents. She uses solution-focused thinking to encourage success at every level in the school system. Her project on promoting friendship in schools featured in the UNESCO education newsletter and her support group approach to helping children feeling bullied in school has since been mentioned throughout the world. She authored the book 'Solution-focused Schools: Anti-bullying and beyond' (2010) and a chapter 'Solutions for bullying in primary schools' in De Jong & Berg, Interviewing for Solutions (3rd 2008).
