

ABHAYAM PROJECT

The NSS units of WMO Arts and Science College, Muttil in the previous year started thinking of building a home for the neediest student of the college. In this academic year i.e. 2018-2019 the NSS volunteers started collecting fund for the same. Understating the importance of this noble cause, the general public actively participated in this venture. It also helped the volunteers know the importance of being a helping hand in the society. The busy hours of accumulating fund and other necessary matters made them strengthen the values of life. Building of the house was completed on 11th May 2018.
