

DIGITAL PAINTING

The Department of Computer Science organized Digital Painting classes for the students of 5th to 8th standards of nearby Aduvadi colony on 16th, 17th, and 18th December 2017. The students were introduced painting lessons in MS. Paint. About 12 students of the colony participated in the programme. The programme aimed at bringing marginalized stratum of the society to the mainstream. Faculty members of the Department of Computer Science and students of the Department of Social Work provided the expertise.
