Subject: ICADABAI-2019

Reference: Session being organized by Dr. R.P.Suresh, Accenture Digital Analytics,
Bangalore

Dear Prof.Fareed,

I have great pleasure to invite you to the 6th IIMA International Conference on Advanced Data Analysis, Business Analytics and Intelligence, (ICADABAI-2019) to be held at IIM Ahmedabad on April 06-07, 2019, India (Conference website: <https://conference.iima.ac.in/icadabai/2019/>, email: conf@analytics@iima.ac.in). The ICADABAI series of conferences began a decade ago with the first conference being held in June 2009. In the past decade we have organized four more conferences in this series- once every two years attracted a large number of participants and excellent quality papers from both academicians and practitioners from all over the world. Within a very short span of time this conference has become the leading conference in the field of Analytics in India. We are therefore expecting that like the earlier conferences ICADABAI-2019 would also be attended by a large number of academicians and practitioners.

I welcome you to present your paper in the session "Predictive Analytics in Industry" being organized by Dr.R.P Suresh. I am sure that your paper would be of great value to the conference participants. Please send us the title and abstract of your talk at the earliest which will enable us to include your abstract in the abstract booklet.

I look forward to your acceptance of this invitation. Please visit the conference website for further information about the conference and details about the registration procedure. Also, please feel free to write to me if you have any queries.

With best regards,

Arnab Kumar Laha
