

**CRITERIA-VI:6.5.1-** Internal Quality Assurance Cell (IQAC) Contributions on the quality assurance strategies and processes 2020-21

### Contributions of IQAC

IQAC is constantly working on quality improvement in all aspects of the institution.

- In the beginning of the Academic year, each department prepares an academic calendar and semester plans for each course.
- IQAC constantly monitored the teaching -Learning process during the covid-19 Pandemic period and has adopted strategies to improve the quality of Teaching-Learning process, Examination and Evaluation, research and development.
- Bridge courses were conducted for all the UG and PG students.
- Promote the departments to give certificate courses even during the covid period.
- Two training programmes were conducted for faculty members, one on various online platforms for teaching-learning and another on Outcome -Based Education.
- Two training programmes were conducted for NTS, one on 'Best Office Practices' and another on 'Advanced MS Office Techniques'.
- E- Governance is implemented in the areas of admission, accounting, student attendance.
- All departments were encouraged to conduct webinars and other online activities during the covid-period.
- Internal academic auditing is conducted in all departments to assess and enhance quality initiatives.
- Student feedback is collected, analyzed and actions taken accordingly.
- Faculty members were also encouraged to attend online seminars and workshops.
- IQAC monitored the conduct of offline examinations during the covid period and were conducted strictly following the covid-Protocol.
- Mentors constantly interact with the students over phone and other platforms to address the problems they are facing.
- Smart devices were arranged for needy students.
- Incubation center in chemistry, prepared hand sanitizers to use in the college.
