1. Introduction:

Since 2019, the Internal Quality Assurance Cell (IQAC) has actively participated in the National Institutional Ranking Framework (NIRF). NIRF is an initiative by the Government of India to rank higher education institutions across the country based on various parameters such as teaching, learning, research, outreach, and perception. The involvement in NIRF allows IQAC to assess its institution's strengths and weaknesses, identify areas of improvement, and benchmark its progress against other reputed institutions, ultimately leading to enhanced quality and credibility in the academic domain.
