

CRITERIA-VII:7.1.10- Code of Conduct for students and Staff.

The college has prepared a set of guidelines that outlines the expectations and standards of behaviour for individuals within an institution. It provides a framework for maintaining a positive and respectful environment for all stakeholders, including students, faculty, staff, and visitors. A code of conduct helps to prevent inappropriate behaviour, such as harassment, discrimination, and unethical conduct and encourages positive behaviour, such as honesty, integrity, and respect. It also ensures that all members of the institution are aware of their responsibilities and are held accountable for their actions. Overall, a code of conduct promotes a culture of fairness, accountability, and respect and is essential for creating a safe and welcoming institution.

The code of conduct is made available to all the students through the academic handbook issued at the beginning of each academic year. Also, the same is displayed on the website of the college.
