7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Details of the celebrations.

In every academic year, the college commemorates as many international and National days as possible. The college as a whole observes Independence Day and Republic Day under the leadership of NSS and NCC. The observance of National science day, Mathematical Day, Space Week, Piday, National Statistics Day etc., are used to promote scientific culture among students through various programmes. The programmes of the observance of Environment Day, Ozone Day, World Wetland Day and International Biological Diversity Day will create awareness of environmental issues among the students. The college generally observes Pain and palliative care day, World Suicide Prevention Day, World Mental Health Day, National Unity Day, Voter's Day, World Cancer Day, Alzheimer's Day, International Day against Drug Abuse, World Population Day, Blood donor Donor's Day, World Heart Day, social work day and International Day for women and Girls in Science, etc., to create awareness among students about various social issues. The days like Reading Day, World Photography Day, Hindi Day, and Mother Tongue Day are observed to generate interest in those areas. NSS Day and NCC Day are celebrated by NSS and NCC, respectively. But, during 2020-21, the covid-19 pandemic imposed restrictions on the grand celebrations of several events.
