Certificate of Commendation

Awarded to WMO Arts and Science College, Muttill,

On June 5, 2022.

On behalf of OISCA International, South India Chapter, we would like to express our appreciation for the exceptional green initiatives of WMO Arts and Science College, Muttill Wayanad, Kerala. We have noticed that the college is regularly observing World Earth Day, World Biodiversity Day, World Environment Day, World Forestry Day and World Water Day with the active participation of OISCA Kalpetta Chapter.

Your institutions' commitment to environmental protection and conservation activities are well manifested by the beautiful green and clean campus. The awareness programs regularly organized to reduce carbon emissions, to promote renewable energy and to enlighten the students on environmental issues are true testaments of your dedication in creating a greener and sustainable future. We believe that your initiatives will inspire other institutions and individuals to take similar steps towards a more sustainable environment.

We are proud to have you as a partner in our mission to create a better world and look forward to continue our efforts in moulding the students as responsible green volunteers of Mother Earth.

Rebuild Malabar initiative aimed at documenting the post disaster scenarios and assessing the damage and losses after the great floods of 2018

The initiative also aimed at proposing long term rebuilding strategies, considering the social, cultural and natural context, and to develop a resilience strategy that would be a strong base to develop a robust disaster response plan.

CERTIFICATE OF APPRECIATION

This is Presented to WMO Arts and Science College, Muttill, in appreciation for their outstanding participation in the two-day baseline Survey organized by UNICEF and Kalpetta Municipality on 24-25 September 2019. With 100 dedicated National Service Scheme (NSS) volunteers, their efforts in completing a comprehensive survey on septage management have been invaluable. Their unwavering commitment to community development has set a remarkable example for others to follow. We extend our sincere gratitude for their contribution, which will significantly enhance our efforts to create a cleaner and healthier environment.
