INTRODUCTION

WMO Arts & Science College is committed to providing an inclusive environment that fosters tolerance, harmony, and respect for cultural, regional, linguistic, communal, and socioeconomic diversity. The institution recognizes the importance of sensitizing its students and employees to their constitutional obligations, values, rights, duties, and responsibilities as citizens. The College accommodates around 2000 students and 120 staff members from different socioeconomic and cultural backgrounds, with approximately 90% of the students belonging to backward communities. Here are some of the initiatives taken by the College to achieve these goals:

The College organizes and celebrates cultural events and festivals representing different regions and religions. This includes festivals like Onam, Christmas, Bakrid and Holi, allowing students from diverse backgrounds to share and experience different cultural traditions. Various competitions such as flower carpets, Group songs, Xmas crib making, Mehendi etc., are also conducted to ensure a positive interaction among the students.

The College has two units of the National Service Scheme (NSS). These units provide opportunities for students to engage in community service, instilling a sense of social responsibility and promoting inclusivity. We have two units of the National Cadet Corps (NCC), and they also participate in activities promoting national integration and community service. The variety of awareness programmes and activities organized by NSS and NCC are not only limited to its members but also to the entire student community.

The College conducts various programs to eliminate societal barriers, such as gender inequality, caste discrimination, and religious prejudice. Through workshops, seminars, and awareness campaigns, students are sensitized to these issues and encouraged to actively contribute to building a more inclusive society.

The various cells, such as the Human Rights Cell, SC/ST Cell, OBC Cell and the Women's Cell, are dedicated to promoting inclusivity and addressing specific needs within the student community. They organize classes and workshops to raise awareness about human rights, foster respect, and promote equality. These cells play a pivotal role in educating students about their rights and fostering empathy and understanding towards the rights of others.

The College has an Electoral Literacy Club to educate the students about their rights and responsibilities as voters, promoting active participation in the democratic process and creating a sense of civic duty. Also, through the transparent election process for student leaders, the students experience the various stages of the electoral process, including nomination, election campaigning, voter debates, voting, and counting, which reinforces democratic principles and instils a deep understanding of the electoral system.

The College celebrates all important national and international days, such as Independence Day, Republic Day, World Environment Day, Martyr's Day, International Women's Day, Hiroshima Day, Blood Donor's Day etc. These celebrations serve as reminders of the significance of unity, diversity, and global citizenship.

The College organizes a wide range of arts and sports events that successfully bring together a large number of students, irrespective of their socioeconomic and cultural backgrounds. By actively engaging in these events, students are provided with ample opportunities to mingle, interact, and collaborate, effectively breaking down barriers and fostering a sense of unity and belonging among diverse individuals. These events serve as powerful platforms for students to appreciate and embrace each other's unique talents and perspectives, further narrowing the societal barriers that may exist.

WOMEN'S DAY CELEBRATION WITH STUDENT'S UNION

The College Union celebrated Women's Day on 8th March 2018, honouring women who had made their mark in diverse fields and achieved remarkable success. Among the honoured individuals was Ms. Rukhiya, a trailblazer in the cattle slaughtering business. Her success in a traditionally male-dominated field showcased her determination, resilience, and entrepreneurial skills. Another remarkable woman recognized during the event was Ms Lilly Thomas, who successfully managed a Dairy Farm. Ms Bindhu Mandad, the first female Auto Rickshaw driver in the area, was also honoured for breaking gender stereotypes and excelling in a profession predominantly dominated by men. Ms. Vijayi, a physical education teacher, was acknowledged for her outstanding contributions to the field of education. As a female teacher in a predominantly male-dominated profession, she played a vital role in promoting physical fitness and empowerment among students.

The function was presided over by Dr. Muhammad Fareed, the Principal of the college. Leading the function were Ms. Arya P, the University Union Councillor, and Ms. Akhina Prasad, the Joint Secretary of the College Union. Overall, the Women's Day celebration served as a platform to honour and appreciate the achievements of these extraordinary women who excelled in their careers despite facing various challenges. Their accomplishments showcased the potential and capabilities of women in fields where their representation is traditionally limited. More than 300 students participated in the function.

WOMEN'S DAY CELEBRATION WITH SOCIAL WORK DEPARTMENT

In collaboration with the College's Social Work Department, we arranged another programme Yuvadika in connection with International Women's Day on March 9, 2018. AIDS AWARENESS PROGRAMME

That's commendable to know that the NSS units conducted an AIDS awareness program on December 1st, 2017. It's great that 50 volunteers attended the program. AIDS awareness programs play a crucial role in educating individuals about HIV/AIDS, its prevention, and promoting safe practices. By organizing such programs, the NSS units contribute to spreading awareness and combating the stigma surrounding HIV/AIDS. The participation of 50 volunteers indicates a keen interest among NSS members to learn about and raise awareness about HIV/AIDS.

CHILDREN'S DAY CELEBRATIONS IN CRECHE

The Department of Social Work's celebration of Children's Day at the Creche Day Care Center on 14th November 2018 reflects their commitment to promoting the well-being and happiness of children. The event aimed to create a joyous and engaging environment for the children in attendance. During the celebration, the department members distributed sweets to the children, adding to the festive atmosphere and making the day even more special for them. This gesture likely brought smiles to the children's faces and conveyed a sense of care and affection. Moreover, the department members actively engaged with the children by singing and playing with them. These activities not only provided entertainment but also fostered a sense of connection and interaction. By participating in games and singing, the children had the opportunity to express themselves, enjoy the moment, and feel valued and cherished. The celebration of Children's Day at the Creche Day Care Center showcased the Department of Social Work's dedication to the well-being and development of children. By organizing such events, they contributed to creating a nurturing and supportive environment for the children, promoting their emotional and social growth.

CHRISTMAS CELEBRATIONS (2020-21)

CHRISTMAS CELEBRATIONS (2018-19)

The Christmas celebration at WMO Arts and Science College in Muttill during the academic year 2018-19 was a lively and festive event. All the departments of the college actively participated in the festivities, creating a joyful atmosphere for students and faculty alike. One of the highlights of the celebration was the Christmas tree making competition. Each department put their creative skills to the test and crafted beautiful and unique Christmas trees. The competition not only brought out the artistic abilities of the students but also promoted teamwork and collaboration within the departments. Another significant event was the cake cutting ceremony.

A grand Christmas cake was prepared and shared among the attendees. It symbolized the spirit of togetherness and joy that accompanies the holiday season. Additionally, there was a Christmas song competition where students from various departments showcased their musical talents. They performed traditional Christmas carols and contemporary holiday songs, creating a festive ambiance and spreading cheer throughout the college. Both students and faculty members actively participated in the celebrations, making it a truly inclusive and memorable occasion. The atmosphere was filled with joy, laughter, and the spirit of Christmas

HOLI CELEBRATIONS (2021-22)

The Holy celebration at WMO Arts and Science College was a momentous occasion that brought together students, faculty, and staff under the collaborative efforts of various departments operating under the college union.
