

CRITERIA-VII:7.1.8- Inclusive environment

Institutional efforts in providing inclusive environment.

Students of our college are from different religious and socio-economic backgrounds. We always try to ensure an atmosphere in the college that includes all, irrespective of caste, creed and religion. National and international days are celebrated in the college to create moral values and communal harmony. Every year, except during the covid lockdown period, the students celebrate all festivals, such as ONAM, VISHU, BAKRID, EID UL FITR and X-MAS. Flower carpet competitions and Tug of War competitions are usually conducted during ONAM.

Staff and students conduct Nombu-Thura (Breaking the fast) during RAMADAN. All departments arrange cake cuttings and Xmas carols as part of X-mas celebrations. When Relief camps were set up in the college, during natural calamities, students served as volunteers. They were also given the opportunity to interact with people from different backgrounds during various extension programmes. All such endeavours help the students to uplift human values and to create an inclusive environment with dignity and equality.

ONAM CELEBRATION

Various cultural programs and competitions (**Virtual Onam 2020**) were conducted as part of Onam celebrations through online platforms during August 2020. The programme included Cartoon making competition, Mathematical flower carpet competition, Diary of Mahabali and Penning the experiences of Covid 19.
