It provided a unique experience to visit the University of Science and Technology, Shillong, Meghalaya (USTM). We were given the wonderful opportunity to be official guests for the Azadi ka Amrit Mahotsav, the 75th Independence Day Celebration of our country. This allowed us to gain insights into the functioning of private universities in the northeastern states of India. Interacting with eminent professors and scholars from various disciplines also provided us with valuable experiences. As a result of this Faculty Development Program (FDP), a Memorandum of Understanding (MoU) was signed between USTM and WMO Arts & Science College, Muttil.

We also had the opportunity to immerse ourselves in the academic atmosphere of North East Hill University (NEHU). Additionally, visiting well-known places like Cherrapunji was a great experience.
