Background

Cognizant of the importance of national level cooperation in the fields of education, training and research for the development of qualified personnel in the fields of Language, Literature, Science and Technology, the University of Science and Technology Meghalaya and WMO Arts & Science College Muttill, University of Calicut, hereby enter into this general agreement. Both parties seek to foster cooperation in education, training and research through scholarly exchange of students, research scholars and faculty members.

University of Science and Technology Meghalaya, has demonstrated its commitment to quality education through its establishment of the different departments and more emphasis on excellence in research and distinguished community services.

The WMO Arts & Science College Muttill, University of Calicut, has actively and successfully conducting different programs, academic activities in collaboration with reputed Universities and industries.

Faculty members of the college participated in a Faculty Development Program jointly organized by IQAC of both institutions. This academic cooperation will pave the way of higher-level academic activism.

Principles of Cooperation

With the vision to cooperate through the exchange of knowledge, academic programs, research and other activities, the two Parties have agreed upon the following principles:

Article 1

The present MoU aims to provide a framework for cooperation in line with the two parties' shared goal of encouraging academic exchange through promoting academic cooperation. The possibility for faculty and students in joined educational programs at the undergraduate, Masters and research levels should be supported if possible. The Parties will work diligently to disseminate the scientific and educational outcomes of upcoming events.

Article 2

This MoU shall facilitate networking and collaboration between the two Parties' educational programs and collaborating research centers and institutes. Research publications and scientific information will be exchanged.

Article 3

Both Parties shall discuss and agree on the objectives, implementation, and financial arrangements related to each collaboration project.

Article 4

Each party shall designate a Coordinator to serve as a point of liaison for implementing projects related to the MOU. At the University of Science and Technology Meghalaya, Prof..... will be responsible and at the WMO Arts & Science College Muttill, University of Calicut Dr. TP Muhammad Fareed will be responsible for the duration of this agreement.

Article 5

Both parties shall make every effort to accommodate the basic rights of their students, faculty members, and research scholars by complying with the laws and regulations governing academic and research exchange in the two said states and the basic international principles that unite the scientific community.

Article 6

This MoU shall become effective for a term of three years from the date of signature. It is wished and agreed upon by both Parties, if possible and or required the MoU may be extended into the future.

Signed on 10 August 2022

Report of Memorandum of Understanding

Memorandum of Understanding (MoU) between University of Science and Technology (USTM) and WMO College, Muttill, Wayanad

MoU has laid a strong foundation for future collaborations between USTM and WMO College. Both institutions expressed their commitment to continue working together on various academic, research, and cultural initiatives.

The MoU between USTM and WMO College, Muttill, Wayanad has proven to be highly beneficial for both institutions. It has facilitated academic collaborations, research partnerships, and cultural exchanges, enriching the learning experiences of students and faculty. The successful implementation of the MoU demonstrates the commitment of both institutions to foster growth and development in the field of education.

The MoU between USTM and WMO College was signed in August 2022 when we were given the opportunity to be official guests at USTM. Utilizing this opportunity, we recognized the potential for collaboration between the two institutions in various fields. This led to the signing of the MoU, which aimed to foster cooperation and mutual growth.

14-08-2022 to 21-08-222

It provided a unique experience to visit the University of Science and Technology, Shillong, Meghalaya (USTM). We were given the wonderful opportunity to be official guests for the Azadi ka Amrit Mahotsav, the 75th Independence Day Celebration of our country. This allowed us to gain insights into the functioning of private universities in the northeastern states of India. Interacting with eminent professors and scholars from various disciplines also provided us with valuable experiences. As a result of this Faculty Development Program (FDP), a Memorandum of Understanding (MoU) was signed between USTM and WMO Arts & Science College, Muttill.

We also had the opportunity to immerse ourselves in the academic atmosphere of North East Hill University (NEHU). Additionally, visiting well-known places like
