Alama

News letter of Department of Arabic, WMO College, Muttill 2014-2015

HoD's Note

The department of Arabic was established in 1995 along with the inception of the college offering BA Degree. In 2002 it was upgraded by starting MA Arabic programme. The department conducts National/ International seminar every year, and publishing an approved journal entitled "Raihan" with ISSN Number. The members of our faculty take up translation works of Visa, passport and other documents as part of extension activities. Our students have brought laurels to the college by securing merits in university examinations and participating extra curriculum activities. In this year our student Mahzoom of MA Arabic, have won the title "Sargapratibha" in the University 'F' Zone Arts Fest.

A significant academic year was passed during the year 2014-15 as far as department of Arabic is concerned. Apart from the syllabus, Department conducted various programs. Various forums and bodies have been formed and varieties of programs are held to promote our students in both academic and non academic throughout the year.

It is our humble effort to bring out a department journal named "Alama- The Sign" mentioning the events conducted in this academic year. And it is our desire that it is to be maintained in each and every upcoming academic year.

I applaud my fellow teachers and my students for their unvarying support for making all these things happen.

Najmuddeen P.

Message

It is a matter of great pleasure that the department of Arabic is releasing "Alama" which takes us through the activities of the department. This documentation will also be useful in the years to come to plan more creative programs.

As a language of culture and heritage the department can do more for the empowerment of the academic atmosphere of the campus. During the last two decades we achieved many heights. We have to inculcate a research oriented approach among the students and teachers as well.

I congratulate Mr. Najmuddeen, HoD and other faculties for having released the annual report in a colorful manner. I hope they can plan and implement more academic and intellectual programs for the development of the language and literature.

Best wishes and prayers

Dr.K Jamaludeen
Principal
