CERTIFICATE OF APPRECIATION

Dear Dr. T.P Muhammad Fareed,

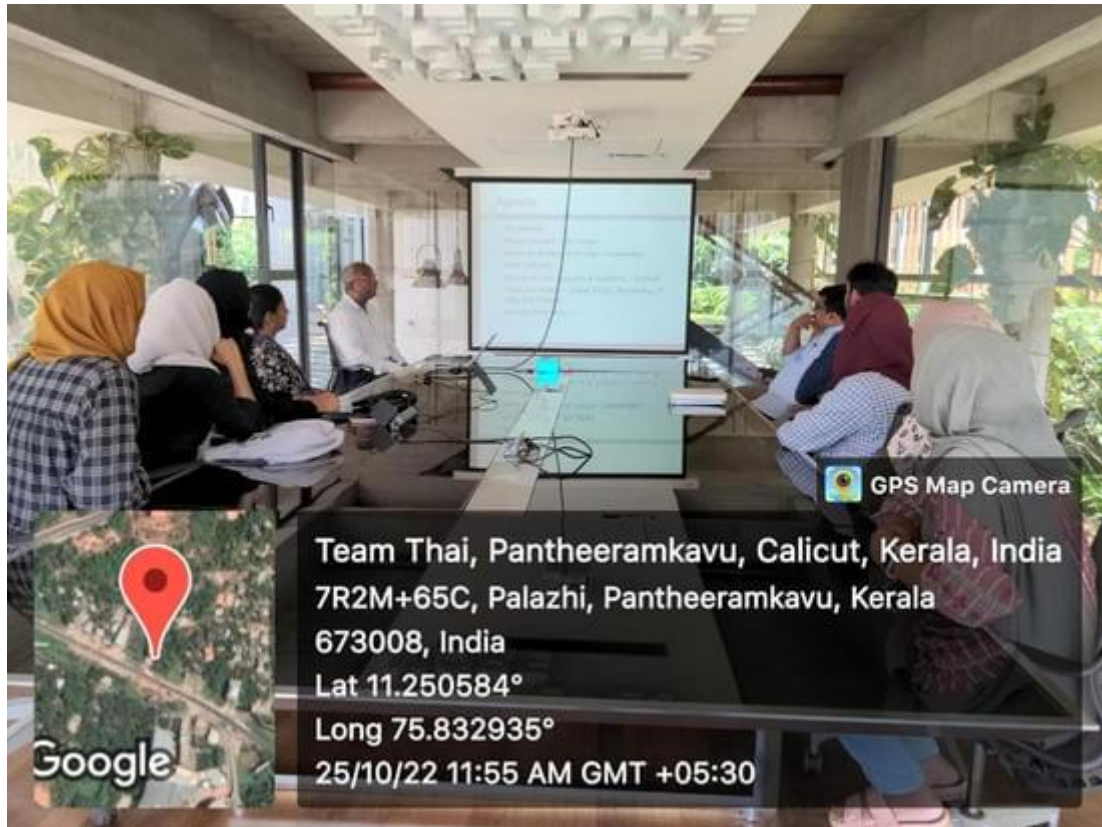

We express our gratitude and sincere appreciation for your role in establishing Analytics and Market research wing. Initiated in January 2022, with one permanent analyst and six interns from WMO Arts and Science College - Muttill, the team now consists of 8 members, seven from the College, addressing various business verticals and supporting the management in making the right decision at the right time.

Your leadership, mentoring, and support for establishing the team are greatly appreciated.

Regards,

Zeeshan Zainuddeen
General Manager - HR
