# Alama

News letter of Department of Arabic, WMO College, Muttill

2019-2020

## Message

I congratulate the department of Arabic which has used to bring out "Alama" every year to expose their activities of the last academic year.

In bringing it out, the department would not lose the wonderful moments and memories that cherished every academic year. The memories reflect your team work and dedication.

I am impressed with the amount of time and energy spent of the faculty and students of department in making these ventures a great success. You all have ever shown innovative programs and ideas to reach students and bring laurels.

Looking forward more creative activities in future and wish you all the best.

**Dr. Muhammed Fareed T.P.**  
Principal

## HoD's Note

I am very glad to know that the Department annual journal "Alama" is released. This journal is a forum which could aptly be used for recording events and finding memories. With a great sense of pride and satisfaction I would like to say that without active support of Management, Principal, my colleagues of the department and students this journal would not come alive.

It gives me immense pleasure to lead the department which is striving hard towards the goal of providing innovative and quality academic excellence along with platforms for students to achieve their career goals and entire teaching faculty of the department which looks forward to the holistic growth of the department and aims in doing something extraordinarily remarkable in the academic arena of Arabic Language and Literature.

The Department of Arabic has recorded consistent improvement in its academic and extracurricular activities and also runs a range of innovatively designed programs in every academic year.

I would like to extend my hearty gratitude to the entire team of Department of Arabic for their unflinching support and motivation. May Almighty shower his endless blessings to all of us.

**Dr. Najmuddeen P.**

Aboobacker Sidheeque IAS. (Secretary, Department of Mine and Geology cum CMD Jharkhand State Mineral Development Corporation) delivered a speech on 'Educational Challenges and Successful Career Selection'.

He stressed upon the various difficulties/obstacles faced by the students, especially of beginners and weaker

sections and how to overcome those challenges. He also shared his experience as a civil servant and also highlighted the importance of career planning and ways to pursue it successfully.

After his speech he spent time to interact with students of Department of Arabic and WWS members.
