## SYNERGY

Department of social work conducted a group work orientation on 10<sup>th</sup> June 2020 via google meet platform. Ajmel Habib, Case worker, KAVAl project DCPU, Malappuram was the resource person. Group work orientation plays a crucial role in the development of social work students' skills and competencies. It provides them with the necessary foundation to effectively engage in group interventions and collaborate with diverse populations. This report aims to explore the importance of group work orientation for social work students and highlight key elements that contribute to their understanding and proficiency in this area.

Group work orientation is a fundamental component of social work education, providing students with the necessary skills and knowledge to engage in group interventions effectively. By understanding group dynamics, developing communication skills, considering ethical considerations, and fostering self-awareness, social work students can become competent and empathetic group facilitators, promoting positive change and empowerment within diverse populations.

## LET'S TALK

Let's Talk is a campaign conducted by Social work department in association with Women and Child Department, Government of Kerala on 12<sup>th</sup> June 2021 in online platform. The session revolved on awareness about non-communicable diseases and public health. Ms. Shakira Sumaiyya, NCD Dietitian of General Hospital Kalpetta interacted with students. 76 students participated in the session.

## KAALA

Department of social work conducted a Discussion on Dalit Movements in India on 14<sup>th</sup> June 2021 through online platform. Social Activist, Mr.Dhinu Veyil was the resource person. 45 students participated in the session. The programme discussed various human rights violation and mass movements against the discrimination against Dalit community in various parts of country. The discussion on the Dalit movement in India has been a topic of significant importance and debate. The Dalit movement aims to address the historical and systemic discrimination faced by Dalits, who belong to the lowest caste in the Indian caste system.

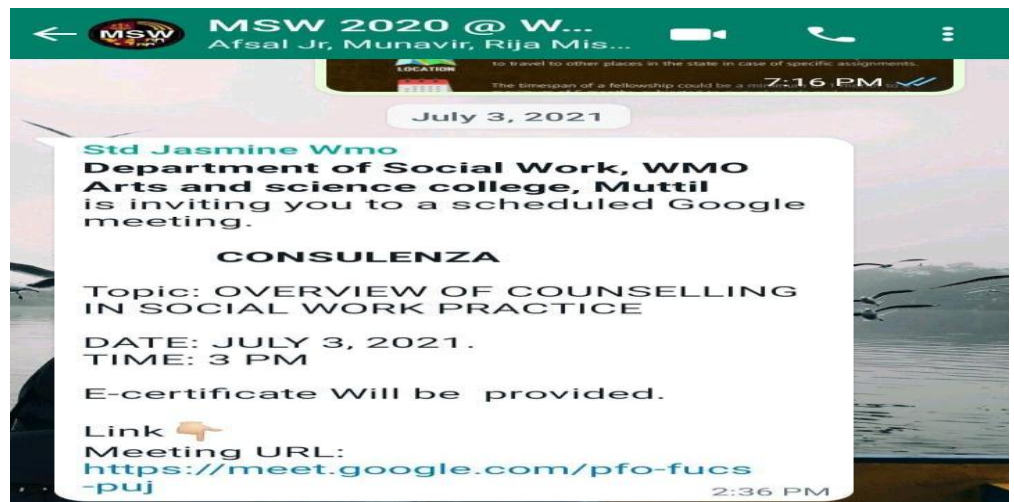

One key aspect of the discussion revolves around the historical context of Dalit oppression and the fight for social justice. Dalits have historically faced various forms of discrimination, including untouchability, restricted access to public resources, and limited opportunities for education and employment. The Dalit movement seeks to challenge these oppressive structures and advocate for equal rights and opportunities for Dalits.

## CONSULENZA

Department of social work conducted a seminar on overview of counselling on 3<sup>rd</sup> July 2021 through google meet platform. Ms Veena Suresh, Assistant Professor, of Department of Social Work, Amrutha Viswa Vidyapeedam Kollam was the resource person. 24 students participated in the session. The seminar on the "Overview of Counselling" was conducted with the aim of providing participants with a comprehensive understanding of the field of counselling. The event brought together professionals, students, and individuals interested in learning more about counselling and its various aspects. The seminar covered a wide range of topics related to counselling, including its definition, theoretical approaches, practical applications, and ethical considerations. The seminar served as a platform for knowledge sharing and networking among professionals and students interested in the field of counselling.
