## 1. Certificate course on Tally Inauguration

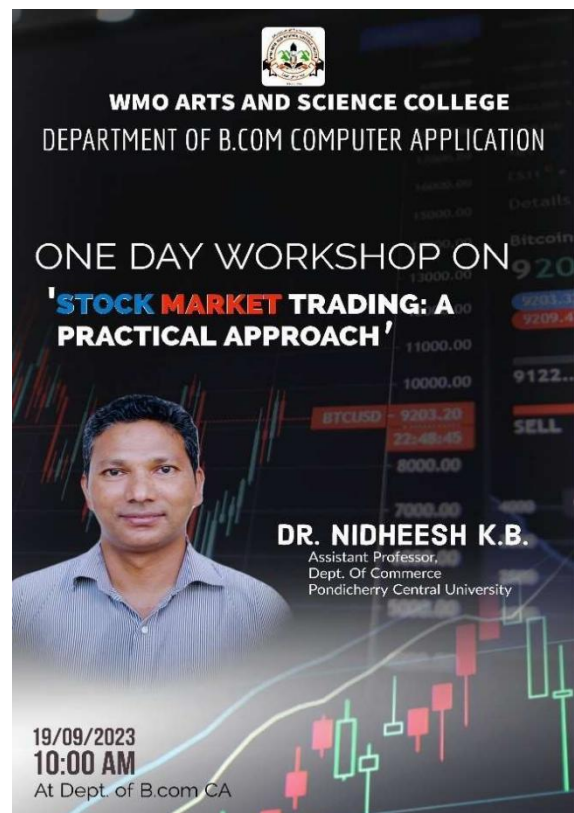

The certificate course on Tally was inaugurated on September 19, 2023, at WMO Arts and Science College, Muttill. This event was graced by Principal TP Muhammed Fareed and Mr. Naushad KP,

representing Tally Education Pvt Ltd, who signed an MOU with the WMO Principal. The HOD Mr. Praveen Mathew extended a warm welcome to all attendees, comprising both teachers and students from the B. Com CA department. The course promises to equip participants with essential skills in Tally software, enhancing their employability and proficiency in financial accounting. This initiative marks a significant step in empowering our students with practical knowledge in the field of finance and accounting.

## **2. Stock Market. Trading A Practical Approach**

The Department of Commerce (Computer Application) organized an insightful one-day workshop on "Stock Market Trading: A Practical Approach" on September 19, 2023, held at the B. Com CA Department. The workshop aimed to provide students with valuable insights into the world of stock market trading and practical strategies for success. Dr. Nidheesh KB, an esteemed Assistant Professor from Pondicherry University, served as the resource person for the event. Dr. Nidheesh's extensive knowledge and experience in the field of finance and stock trading made him the perfect guide for this workshop. The workshop commenced with an engaging presentation by Dr. Nidheesh, wherein he elucidated the fundamentals of stock market trading, risk management, and various investment strategies. He also discussed the significance of technological advancements in trading and how they have revolutionized the industry. Following the insightful presentation, participants were provided with hands-on training using virtual trading platforms. This practical session allowed attendees to apply the concepts they had just learned and gain valuable experience in trading without actual financial risk. The event saw active participation from students of the B. Com CA Department, who eagerly posed questions and engaged in discussions with Dr. Nidheesh, enriching the learning experience. The workshop concluded with a Q&A session, wherein Dr. Nidheesh addressed specific queries and provided guidance on further resources for students interested in pursuing stock market trading. In summary, the one-day workshop on "Stock Market Trading: A Practical Approach" was a resounding success. It provided students with a unique opportunity to learn from an expert in the field and gain practical knowledge that can be applied in real-life scenarios. The Department of Commerce (Computer Application) remains committed to organizing such informative events that enhance the practical skills and knowledge of its students.

### 3.Commerce Revolution

The Department of B.com CA Organized an orientation class and aptitude test in association with the Indian Institute of Commerce and Reporter channel "Commerce Revolution" on 27th of September 2023. the session was held at the department of B.com CA. Mr. Anandhapadmanaban Ca served as the resource person for the same. the session consists of the professional future for commerce graduates, job opportunities, and career conversations. the program also includes aptitude tests. students who are scoring better, are eligible for the scholarship provided by the Indian Institute of Commerce. the program witnessed active participation and curious Q&A from the part of students.

### 4.Freshers Day

Freshers' Day is a memorable and enjoyable experience for new students, marking the beginning of an exciting chapter in their lives. It sets the tone for their college journey, instilling a sense of belonging and excitement about the opportunities that lie ahead. the purpose of the fresher's Party is to welcome new students in a friendly atmosphere and to encourage their creative impulses to boost their confidence. It is the day where seniors and juniors finally bond and unite to celebrate being part of the college. It was conducted on 26 September 2023.

## 5. Office Automation Workshop

The workshop was conducted on 20<sup>th</sup> and 21<sup>st</sup> October 2023. This workshop includes office automation techniques and practices. This course is designed with an aim to expertise students and to provide an in-depth training in use of Office Automation packages which is essential for a modern office for day to day office management, and e-governance.

## 6. My Home Visit

An inspiring confluence of education and empathy unfolded at My Home Hospice and Palliative Care Centre during a recent gathering with the enthusiastic BCom CA students from WMO Arts and Science College Muttill. The event, organized with the intent of fostering holistic development, commenced with a thought-provoking talk by Dr. Thushara Suresh Kumar, MD(AY), a distinguished MANASIKA specialist at IQRAA Hospital. We visited on 17 November 2023.

## 7. Gandhi Sadhanam Old age home visit

The visit was on 11 January 2024 at Ambalavayal. The event culminated in a heartwarming cultural session orchestrated by the students for the hospice patients. Beyond the traditional boundaries of education, the students engaged in meaningful conversations with the patients, adding a touch of joy and camaraderie to their day.
