In the Name of Allah, Most Gracious Most Merciful

Praise be to Allah, the Cherisher and Sustainer of the Worlds:

Most Gracious, Most Merciful

Master of the Day of Judgement

You alone do we worship

And unto You alone we turn for aid

Guide us the straight Path

The way of those on whom You

have bestowed Your Grace Not

of those condemned by You Nor

of those who go astray.

PLEDGE

India is my Country. All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage. I shall always strive to be worthy of it.

I shall give my parents, teachers and elders respect and treat everyone with courtesy.

To my country and my people I pledge my devotion. In their well being and prosperity alone lies my happiness.

“If you are mindful of God , He will be mindful of you ”

Department of chemistry was established in the year 2015.It offers B.Sc Chemistry (Self Financing) programme with mathematics and physics as complimentary papers .At present the department has 48 seats for B.Sc programme.

The department has a well equipped laboratory to cater the need of B.Sc programme .The major experimental facilities in the department include conductometry and PH metry

The department conducts variety of programmes to nourish both scholastic and non scholastic talents of the students .Apart from the curriculum special emphasis is given to several activities which would foster extra curricular skills. Foreseeing this department organises workshops, poster exhibitions, invited talks etc.

The chemistry Association framed is of immense help to kindle the scientific curiosity and aptitude among students

DEPARTMENT OF ENGLISH

Established along with the inception of the college, the department started running B.A. English Language and Literature programme, under self financing stream in July 2005. The programme offers journalism and audio visual education as complementary courses.

Apart from the prescribed syllabus, seminars, bookreviews and quiz competitions are conducted inorder to get ' more insight into the subject and various competitions, activities and programmes are held to improve the language skills of the students. The Dept, has been organising under ' the aegis of Ms. Nanditha Endowment committee, debate - competitions and memorial lectures by eminent scholars in English, The department runs the language and conducts UGC ' aided career oriented course in Communicative English.

DEPARTMENT OF ELECTRONICS

The Department of Electronics was established along with the commencement of the college. The department offers BSc. Electronics (Main) a three year degree course with Mathematics and Computer science as complementary. Well established laboratories like Basic & advanced Electronics, Digital Electronics, Analog communications, Digital communications, Microprocessor based assembly language programming, Object oriented programming, Digital Signal Processing etc... make the department noteworthy. A course project is compulsory for the final year students, during which they acquire industrial oriented practical training in the subject.

The department usually conducts seminars and workshops for enhancing the potential of students. There is an Electronics Association which conducts various activities for promoting academic development of students. The department has been bringing laurels to the college by securing university ranks (total of 18) and good results consistently. The ambassadors of our department - the prestigious alumni-vitalize us by constant and timely feedback. Most of them are working in well reputed MNC's like IBM, INTEL, WIPRO, Infosys, L&T INFOTECH etc...

The different Courses conducted by the department

- 1) Computer Hardwares & Maintenance
- 2) Computer networking
- 3) CFL

DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established in 1995, the year of inception of the college. It was upgraded in 1999, when the BSc Mathematics main course was started. MSc. Mathematics course was initiated in 2005.

The department facilitates and co-ordinates seminars among students, organises lectures by experts and motivates students to choose Mathematics as their career. The department is underway with an aim to strengthen the mathematical ability of the students. Students of the department could produce good academic record in the university examinations and many of them have joined MSc course in prestigious institutions.

As part of activities of Mathematics association regional seminars, lectures and talks by eminent persons are conducted.

A Mathematics club named 'Mathematical circle' is functioning in the college. Students and teachers, who wish to experience the challenges and thrill of Mathematics, are members in it. With the aim of motivating the students, Dept, of Mathematics conducts Mathematical problem contests which are designed to challenge the students and bring the best in them to the fore.

The department provides information regarding various institutions for higher studies. Assists and guides students to set admission in prestigious institutions.

Department of Physics

Department of physics was established in the year 1995 along with the inception of the college. At the beginning it offered BSc physics programme

with mathematics and computer science as subsidiary. Later, in 2002, it was upgraded to a post graduate department. At present the department has 36 seats for BSc programme and 12 seats for MSc programme.

The department has a well equipped laboratory to cater the needs of BSc and MSc programmes. The department frequently conducts seminars, workshops and invited talks on various topics in physics. we also organise scientific awareness programmes like star watching, science exhibitions etc for the students and public. The physics association occasionally conducts various programmes such as student seminars, debates, discussions, and quiz competitions and are of

immense help to kindle the scientific curiosity and aptitude among students.

Department Of Social Work

The department of social work was established in WMO College on September 2014 under self-finance stream. Department offers master's degree in social work with specialization on Rural and Urban Community Development and Medical and Psychiatric Social Work. The MSW curriculum has a balanced blend of class room teaching, field practicum and Research. A Master of Social Work (MSW) degree program provides students with advanced critical analysis, problem-solving and research skills, in preparation for various types of social work. MSW programs are generally intended for graduates with a bachelor's degree in social work, sociology or a related field. Graduates with an MSW are trained to help people cope with and overcome problems in their lives. They are prepared for social work positions in local, state or national government, as well as non-profit and private organizations

MSW is the only professional post-graduation course offered from this college. Duration of course is 2 years which is divided into four semesters. So far two batches have completed their post-graduation in social work from our department. 20 seats are available for this course. Department have five faculties and at present there are 31 aspiring social work students in our department. Along with textual knowledge students are given

opportunity to have practical education through field works, observational visits, Camps, workshops, seminars, skill development programs, national tours and other curriculum based programs.
