In the Name of Allah, Most Gracious Most Merciful

Praise be to Allah, the Cherisher and Sustainer of the Worlds:

*Most Gracious, Most Merciful
Master of the Day of Judgment
You alone do we worship*

*And unto You alone we turn for aid
Guide us the straight Path*

*The way of those on whom
You have bestowed Your Grace
Not of those condemned by You
Nor of those who go astray.*

The Holy Quran

PLEDGE

India is my Country. All Indians are my brothers and sisters.

I love my country and I am proud of its rich and varied heritage.

I shall always strive to be worthy of it.

I shall give my parents, teachers and elders respect and treat everyone with courtesy.

To my country and my people I pledge my devotion. In their well-being and prosperity alone lies my happiness.

*“If you are mindful of God,
He will be mindful of you”*

“The beginning is the half of every action”

അക്ഷരങ്ങളേ.... സ്വഷ്ടിച്ചേകിയ വെളിച്ചമേ...
അളക്കാൻ കഴിയാത്ത കനിവിൻ കാരുണ്യമേ
സത്യമേ... പ്രപഞ്ചത്തിൻ സ്വപ്നമേ... ചൈതന്യമേ
തെറ്റുകൾക്കെല്ലാം... മാഷു നൽകുന്ന മഹത്വമേ...
മഴയിൽ, മഞ്ഞിൽ, കാറ്റിൽ, വെയിലിൽ
വസന്തത്തിൽ നിന്റെ സന്ദേശത്തിന്റെ

BRIEF HISTORY OF WAYANAD MUSLIM ORPHANAGE (WMO), MUTTIL

WMO Arts and Science College, established in 1995 by the Wayanad Muslim orphanage, is an institute run by the Muslim minority community. Majority of the population in the district consists of Scheduled Caste, Scheduled Tribes, and other Backward Communities. Earlier, they were not in a position to acquire higher education. The orphanage committee planned to start the college with a view of uplifting the youth especially the orphans, and educating them irrespective of caste, creed and religion. Since then the college has been playing a vital role igniting thousands of students in and around the district of Wayanad, arming them with international standards in all sectors of life.

The College is located in a beautiful hilly area at Muttill in Wayanad district, by the side of Calicut- Mysore National Highway (NH 212). At present College is running 11 Under Graduate programmes and 7 Post Graduate programmes affiliated to the University of Calicut comprising of 1000+ students. In the year 1976 WMO was registered under Societies Act with registration No. 30/1976,

“Knowledge is great wealth and ignorance is great poverty”, welcome to the world of wealth and progress. Welcome to WMO Art and Science College.

ABOUT THE COLLEGE

WMO Arts and Science College campus is situated in the most beautiful Western Ghats. The landscape is carved out among beautiful hills and valley, the pristine serenity gifted by nature fosters a unique ambience for higher education. The College is affiliated to the University of Calicut. The College has grown tremendously with higher education with all facilities in the campus. A broad spectrum of courses, both UG and PG, inclusive of Arts, Science and Commerce disciplines is offered here so as to enable the youth to be fit to meet all challenges in all walks of life. The College ranks the top in Wayanad district with an impeccable track record of not only academic excellence but as an ideal institution for higher education with remarkable sociocultural and ethical commitment as well. Prime focus of the College is empowerment of backward minorities, orphans and destitute through nurturing them to become embodiment of wisdom, morality and patriotism. Needless to say, the campus is a haven for students for intellectual inquiry comprehensive growth and over all development.

DEPARTMENT OF ARABIC

The Department of Arabic came into existence in August 1995 along with the inception of the college. It offers three -year Arabic main degree programme as well as common and open courses for other degree programmes.

The department was upgraded to post graduate level by starting the MA programme in 2002. General seminars are conducted on the first Monday of each month and every Thursday is observed as Arabic day to improve the communication skill of the students in Arabic. The Arabic Association organizes seminars and study tours for the academic benefit of the students.

The department conducts national/international seminars, workshops in Arabic every year. It has produced many rank holders in the university examinations. The department has instituted a cash award of Rs. 500/- to the topper in the University Examinations at BA level.

The department is publishing an approved research journal entitled “Raihan”. The members of faculty took up translation works of visa, passport and other documents.

DEPARTMENT OF CHEMISTRY

Department of chemistry was established in the year 2015. It offers B.Sc. Chemistry (Self Financing) programme with Mathematics and Physics as complimentary papers. At present the department has 48 seats for B.Sc. Programme.

The department has a well-equipped laboratory to cater the needs of B.Sc. programme. The department conducts variety of programmes to nourish both scholastic and non-scholastic talents of the students. Apart from the curriculum special emphasis is given to several activities which would foster extracurricular skills. The association takes the leadership in organizing workshops, poster exhibitions, invited talks on the trend and developments in chemistry. The chemistry Association is of immense help to kindle the scientific curiosity and aptitude among students.

DEPARTMENT OF ENGLISH

Established along with the inception of the college, the department launched B.A. English Language and Literature programme, under self-financing stream in July 2005. The programme offers journalism and audio visual communication as complementary courses. The department was upgraded to PG level in the year 2015.

Apart from the prescribed syllabus, seminars, book re- views and quiz competitions are conducted in order to get ' more insight into the subject and various competitions, activities and programmes are held to improve the language skills of the students. The Department has been organizing under ' the aegis of Ms. Nanditha Endowment committee, debate - competitions and memorial lectures by eminent scholars in English. Members of Faculty in the department assist in running new initiatives programmes funded by govt. of Kerala like ASAP, WWS and SSP.

DEPARTMENT OF ELECTRONICS

The Department of Electronics was established along with the commencement of the college. The department offers B.Sc. Electronics (Main) a three year degree course with Mathematics and Computer science as complementary. Well established laboratories like Basic & advanced Electronics, Digital Electronics, Analog communications, Digital communications, Microprocessor based assembly language programming, Object oriented programming, Digital Signal Processing etc., make the department noteworthy. A course project is compulsory for the final year students, during which they acquire industrial oriented practical training in the subject.

The department usually conducts seminars and workshops for enhancing the potential of students. There is an Electronics Association which conducts various activities for promoting academic development of students. The department has been bringing laurels to the college by securing university ranks (total of 18) and good results consistently. The ambassadors of our department the prestigious alumni vitalize us by constant and timely feedback. Most of them are working in. well reputed MNC's like IBM, INTEL, WIPRO, Infosys, L&T INFOTECH etc...

DEPARTMENT OF MATHEMATICS

The Department of Mathematics was established in 1995, the year of inception of the college. It was upgraded in 1999, when B.Sc. Mathematics main course was started. M.Sc. Mathematics course was initiated in 2005.

The department facilitates and co-ordinates seminars among students, organizes lectures by experts and motivates students to choose Mathematics as their career. The department is underway with an aim to strengthen the mathematical ability of the students. Students of the department could produce good academic record in the university examinations and many of them have joined M.Sc. course in prestigious institutions. As part of activities of Mathematics association regional seminars, lectures and talks by eminent persons are conducted.

A Mathematics club named 'Mathematical circle' is functioning in the college. Students and teachers, who wish to experience the challenges and thrill of Mathematics, are members in it. With the aim of motivating the students, Dept., of Mathematics conducts Mathematical problem contests which are designed to challenge the students and bring the best in them to the fore.

The department provides information regarding various institutions for higher studies and guides students to seek admission in prestigious institutions.

DEPARTMENT OF PHYSICS

Department of Physics was established in the year 1995 along with the inception of the college. At the beginning it offered BSc. Physics programme with Mathematics and Computer Science as subsidiary. Later in 2002, it was upgraded to a post graduate department. At present the department has 36 seats for B.Sc. programme and 12 seats for M.Sc. programme.

The department has a well-equipped laboratory to cater to the needs of B.Sc. and M.Sc. programmes. Department frequently conducts seminars, workshops and erudite talks on various topics in physics. It also organizes scientific awareness programmes like star watching, science exhibitions etc., for the students and public. The physics associations occasionally conducts various programmes such as student seminars, debates, discussions, and quiz competitions and are of immense help to kindle the scientific curiosity and aptitude among students.

DEPARTMENT OF SOCIAL WORK

The department of social work was established on September 2014 under self-finance stream. Department offers master's degree in social work with specialization on Rural and Urban Community Development and Medical and Psychiatric Social Work. The curriculum has a balanced blend of class room teaching, field practicum and Research. A Master of Social Work (MSW) degree program provides students with advanced critical analysis, problem-solving and research skills, in preparation for various types of social work. MSW programs are generally intended for graduates with a bachelor's degree in social work, sociology or a related field. Graduates with an MSW are trained to help people cope with and overcome problems in their lives. They are prepared for social work positions in local, state or national government, as well as non-profit and private organizations

MSW is the only professional post-graduation course offered from this college. Duration of course is 2 years which is divided into four semesters. So far two batches have completed their post-graduation in social work from the department. 20 seats are available for this course. Department have five faculty members and at present there are 31 aspiring social work students in our department. Along with textual knowledge students are given opportunity to have practical education through field works, observational visits, Camps, workshops, seminars, skill development programmes, national tours and other curriculum based programmes

Department Of Mass Communication and Journalism

Department of Mass Communication and Journalism established in 2016. The major objective of the Department is to train students in the spheres of Journalism, Television production, Radio production, Advertising, Public relations, Film studies, Digital media and Photography. We work towards preparing young minds with a strong foundation in values and principles, which proactively intervene in the development of a just and humane Society.
