## INTRODUCTION

WMO Arts and Science College conducted several programs related to the skill development and capacity building of the students. These programs enhanced students' skills in different areas. The institution initiated capacity building and skill enhancement activities like soft skills, language and communication skills, life skills and ICT skills.

2017-18

## Diploma in Computer Application (DCA)

**ABOUT US**

WMO Arts and Science College was established in 1995. The department was established in the year since the inception of the college in 1995. At the beginning it offered complimentary courses to B.Sc Physics, Mathematics and Electronics. The BCA course was started in the year 2013 and the department was upgraded with 36 seats for the BCA course.

**PG DEPARTMENT OF COMMERCE**  
2020 - 2021  
CERTIFICATE PROGRAMME  
**DIGITAL BANKING**

The central graphic is a circular diagram with '360° Digital Marketing' at its core. A woman in a yellow suit is seated in the center, holding a laptop. Surrounding her are ten circular icons, each with a label: 'Website Content' (pencil), 'Website Design' (globe), 'Email Marketing' (envelope), 'Multimedia' (video camera), 'Social Media' (Twitter bird), 'SEO' (magnifying glass), 'Blogging' (speech bubble), 'Display Ads' (computer monitor), 'Online PR' (megaphone), and 'Pay Per Click Ads' (hand cursor). A red vertical line and a black horizontal line intersect at the center of the diagram.

# Various Programs and Competitions related to ICT Skills

## Webinar on Corona- the present Pandemic

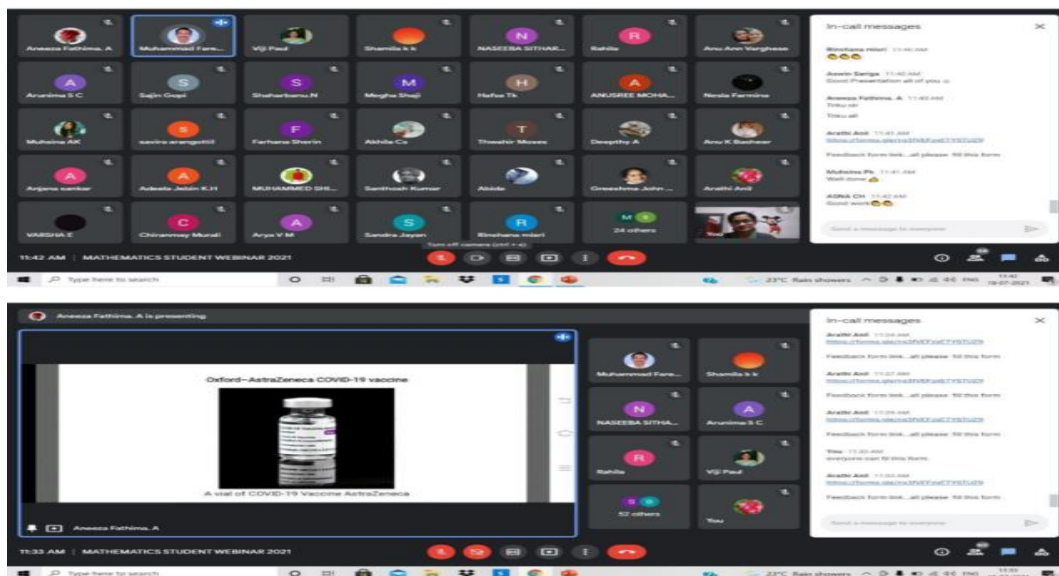

A Webinar on 'Corona- the present Pandemic' was co-ordinated by I year BSc mathematics students during July 17-18, 2021. The impact of COVID 19 in various

sectors was studied, analyzed, and presented. Ten presentations were conducted. The presenters and the topics. The program also aimed to enhance the student's ICT skills.

1. Muhseena KTP - Lifestyle and self-protection
2. Soumya S - Mental Health of Individuals
3. Shamila K K - Children and Social life
4. Hasna T H - E-learning
5. Rifah Reslin - Growth of Digital Platform
6. Rahila K K - Impact on Indian Economy
7. Naseeba Sithara - Effect on Agriculture
8. Arathi Anil - Changes in Tourism Sector
9. Varsha E - Lockdown effects in India
10. Aneeza Fathima - Vaccination- Method to curb Covid 19

#### Link to the You Tube videos of the webinar

1. Day 1 : <https://youtu.be/btFzfjK0bJc>
2. Day 2 : [https://youtu.be/\\_vmHX4OiGOk](https://youtu.be/_vmHX4OiGOk)

## TRAINING ON MS EXCEL

P G department of commerce provided a training session to the students on MS Excel, aiming for easiness of analysis and interpretation of data in their final semester projects.

## Webinar SERIES

On 2 nd and 3 rd October our students participated in a value promotion webinar series conducted by centre for ethics and human values and research department of zoology, Seethalakshmi Ramaswami College, Trichy in collaboration with OISCA international Japan and Department of chemistry, WMO Arts and Science College, Muttill. There held a discussion on 'The quantifiers of quality life' and 'Gratitude- the uplifting value'. The session was handled by Dr. S. Usha, Head of the department of Sanskrit, SRC, Trichy.

## **TWO-DAY TRAINING PROGRAM ON 8051 BASED PROJECT DESIGN**

The Department of Electronics of WMO College Muttil organized a two-day training program on "8051 based project design" from October 11 to October 12, 2017. The training program was conducted by Mr. Muflih and Mr. Abdul Rasheed, both Assistant Professors from the department. The objective of the program was to provide embedded system training to the final-year students. The training focused on the design and implementation of projects based on the 8051 microcontrollers. Through hands-on sessions and practical exercises, the students were able to gain a deeper understanding of embedded systems and enhance their project development skills.

Besides students, the faculty members of Electronics department also were attended the program and very good response and feedback received from all the participants. The training program was successfully organized by the Department of Electronics, WMO College Muttil, to support the learning and professional growth of the final-year students.

## **HANDS-ON TRAINING SESSION ON INTERFACING WITH MICROPROCESSOR 8085**

The Department of Electronics at WMO College Muttil organized a hands-on training session on the topic of 'Interfacing with Microprocessor 8085' on March 6, 2018. The training session was conducted by Mr. Muflih from the department. The objective of the session was to enrich the curriculum for second-year students by providing practical training in the field. The training

focused on teaching students about the various aspects of interfacing with the microprocessor 8085. By providing hands-on experience, the session aimed to enhance students' understanding of the subject and equip them with practical skills. The event was successfully organized by the Department of Electronics, WMO College Muttill, with the aim of providing students with practical training to supplement their academic curriculum.

## **SEMINAR ON CYBER SECURITY AND ETHICAL HACKING**

Date: 02/02/2018

Location: Department of Computer Science, WMO Arts and Science College

On 2nd February 2018, a seminar on Cybersecurity and Ethical Hacking was conducted at the Department of Computer Science, WMO Arts and Science College. The seminar aimed to create awareness among students about the importance of cybersecurity and ethical hacking in the digital age. The session was led by Ms. Neetha Francis, Assistant Professor, PR College, Pulpally.

The seminar began at 10:00 AM and lasted for a duration of two hours. 57 students participated in the seminar.

The resource person shared insights into the ethical hacking and also discussed legal and ethical considerations associated with ethical hacking

The seminar included a question and answer session, allowing participants to seek clarifications and engage in discussions with the resource person. The attendees actively participated, demonstrating their interest in the subject matter.

## WORKSHOP ON PYTHON PROGRAMMING

Workshop on Python Programming The department conducted a two day workshop on 'python Programming' on 16- 07-2018. Mr. Sunil John, Assistant Professor, St. Mary's college , Sulthan Bathery was the resource person. 31 students participated in the workshop.
