CERTIFICATE OF COLLABORATION

The Department of Social Work, WMO Arts & Science College, Muttill has been actively involved in collaborating with Joint Voluntary Action for Legal Alternatives-JVALA, Wayanad in the areas of fieldwork and internships for MSW students since the inception of the program. This collaboration has provided invaluable practical experience to the students and has contributed significantly to their professional growth.

This partnership has played a pivotal role in providing practical exposure and enriching the learning experience of MSW students. *This certificate is issued as a testament to the enduring collaboration between Joint Voluntary Action for Legal Alternatives-JVALA and WMO Arts and Science College in promoting practical learning and research in the field of social work.* We highly value this partnership and look forward to further strengthening our ties for the benefit of future generations of social work professionals.
