Clarifications on the Extended Profile -1.1

- Corrected the enrolment numbers of the students for whom the same admission number was given. (Revised the Excel datasheet)
- Data is provided academic year-wise. (Revised the Excel datasheet)
- The year of admission was entered in the first column of the Excel data sheet. In the revised one Academic year is provided. (Note: 2015 admission UG students will be in their final year during the academic year 2017-18. Similarly, 2016 Admission students will be in their second year of the UG/PG programme during 2017-18.)
- Links to the admitted list of students, signed by the Deputy registrar of admissions, University of Calicut, are provided. The deputy registrar signed at the end of the list of students admitted to each of the programmes, and the Principal has signed on each page of the document.
- Provided the year-wise list of students approved by the university on the letterhead of the college, with the seal and signature of the principal, is provided.
- A list of the total number of students across all the programmes year-wise is provided.
- Multiple counting of the same students is avoided.
