Clarifications on the Metric 2.4.2, as per DVV queries

The College offers 19 UG, and PG programmes, out of which 8 Programmes are in Government aided stream, and the remaining are in Self-financing mode.

The management of the college has sanctioned and appointed more faculties than the statutory requirements for the effective running of the programmes, with an adequate number of curriculum enrichment programs and certificate courses.

As per the DVV suggestions, the data are revised by considering only the number of teachers according to statutory requirements. Also, the physical education teachers and the librarian are not included in the list, as the college is not offering any Physical education or Library science programmes.

The year-wise consolidated data of fulltime teachers with NET/SET/ PhD are provided in the tables below.

Number of Full time teachers with NET / SET/ PhD excluding physical education teachers and additional appointed teachers

	2021-22	2020-21	2019-20	2018-19	2017-18
Total Number of Full time teachers with NET / SET / PhD (Considering only highest degree)	58	50	46	39	36
Modified data as per DVV suggestion (Excluding Physical education Teachers and additional appointed teachers)	**56**	**49**	**45**	**38**	**34**

Enclosure: Academic session wise data and certificates of full time teachers with NET / SET/ PhD.
