Responses to Queries (DVV)-Metric 1.2.2

1) we have made the necessary changes in metric 1.2.2 to align with the modifications made in the metric 1.2.1.

2) We have verified and rectified the data discrepancies in the HEI input. We have also submitted the revised data.

Year	2021-22	2020-21	2019-20	2018-19	2017-18
As per HEI input	1160	724	752	708	44
Revised	1158	715	751	709	0

The mismatches and rectifications

2021-22 During the year only 29 students successfully completed the certificate course in Circuit simulation and PCB Designing. Incorrect data was initially entered as 31 students. Necessary corrections are made in the excel sheet

2020-21 A total of 51 students enrolled in and completed the certificate course in Arabic DTP and Translation. Incorrect data was initially entered as 60 students enrolled and completed the course. The necessary corrections have been made in the Excel sheet.

2019-20 A total of 50 students enrolled in and 45 successfully completed the certificate course in Arabic Translation. Incorrect data was initially entered as 45 enrolled students.

For certificate course in E-banking, there was a mistake in the serial number order in the list of students. The accurate count of the enrolled students is 50. The necessary corrections have been made in the Excel sheet.

For the certificate course in Statistical Data Processing and Analysis using Software, there was a mistake in the serial number order in the list of students. The accurate count of the enrolled students is 54 which was wrongly recorded as 55. The necessary corrections have been made in the Excel sheet.

Regarding the certificate course in LATEX, the total number of students who completed the course is 11. It was wrongly recorded as 10. The necessary corrections have been made in the Excel sheet.

2018-19 A total of 22 students enrolled in and successfully completed the Certificate Course in Page Make-up and InDesign. The data was initially entered as 21 students. Additionally, the certificate Course in R Programming saw an enrollment of 15 students with erroneous information entered as 14 of them.

3) We have issued certificates to all students who have successfully completed the course.

4) We have attached models of certificates issued to the students for all certificate courses conducted.
