**2017 - 2018**

# CONTENTS

## Introduction

WMO Arts and Science College organized a series of skill development and capacity-building programs aimed at empowering students. These programs proved highly beneficial, enhancing students' abilities across various areas. The institution actively initiated activities focused on capacity building and skill enhancement, which encompassed soft skills, language and communication skills, life skills, and ICT skills. Through these initiatives, the college successfully equipped its students with a diverse set of valuable competencies to thrive in their academic and professional pursuits.

## Cancer Awareness Program

On November 2, 2017, WMO Arts and Science College hosted an informative awareness program about Cancer for its students. The program was open to students from various departments who actively participated in the event. Through this initiative, the college aimed to dispel misconceptions and fears surrounding the disease.

## Civil Service Coaching

On October 11, 2017, WMO Arts and Science College organized a comprehensive training program called "Civil Service (Sharp Shooter)" to inspire students to pursue a career in the civil service. This training aimed to equip the students with the necessary knowledge and confidence to excel in civil service interviews and examinations. Students from various departments enthusiastically participated in this program.

The training sessions were held every evening from Monday to Friday, as well as on Saturdays. The coaching program's primary objective was to provide candidates with essential skills, guidance, and knowledge required to succeed in civil service examinations and selection processes. It covered a wide array of subjects, including general knowledge, current affairs, reasoning abilities, English language proficiency, and specific topics relevant to the civil service exam syllabus.

By engaging in this training, students had the opportunity to enrich their general knowledge and enhance their overall confidence levels, preparing them for the challenging civil service interview process. The program aimed to nurture the students' aspirations and dreams of joining the civil service by providing them with the necessary tools to achieve their goals.

## Hand Written Magazine Release

The students of English department released a handwritten magazine 'GANDHI MUTHAL GOURI VARE" on 23rd March 2018. The magazine was released by Danish Nizar, HOD of English Department.

## IAS Seminar

On February 21, 2018, WMO Arts and Science College collaborated with the National Employment Service and District Employment Exchange to conduct an IAS Seminar. The seminar was graced by the presence of Mr. S. Suhas, the esteemed District Collector of Wayanad, who inaugurated the event. The primary objective of the seminar was to inspire and motivate the students to pursue their dream of cracking the prestigious Indian Administrative Service (IAS) examination and secure their desired job in the civil services.

## National Science Day

The Department of Physics celebrated National Science Day in collaboration with Kerala State Council of Science Technology and Environment on 27th February 2018. Various topics were discussed by resource persons related with the celebration.

## Invited Talk

Celebrating Kerala Piravi on 1-11-2017, Mathematics Association conducted special talks on 'Renaissance in Kerala. Some of the students recited their own poems and documentaries were exhibited. The program was inaugurated by Mr. Shyju PK, Department of Malayalam.

## The Mathematical Circle

Students of Dept. of Mathematics and Dept. of Statistics were divided in to 16 groups and they lead meetings of the Mathematical Circle performing various events like Exploring new mathematical ideas, Mathematical games and puzzles, short math quizzes, Math Magics, problem contests etc. A total of 9 meetings of the Circle was conducted during the year 2016-17.

## Observance of Pi Day

Observing pi day, various programs including presentations, quiz and puzzles were conducted by first year B.Sc. Mathematics students and prizes were distributed to the winners.

## Orientation Program

On October 30, 2017, the Department of Arabic at WMO Arts and Science College hosted an insightful Orientation Program focused on the Arabic Language. Dr. T A Abdul Majeed, the esteemed Registrar of the University of Calicut, conducted the session. The program aimed to provide students with a strong foundation in the Arabic language, deepen their knowledge of Arab culture, and equip them with practical communication skills
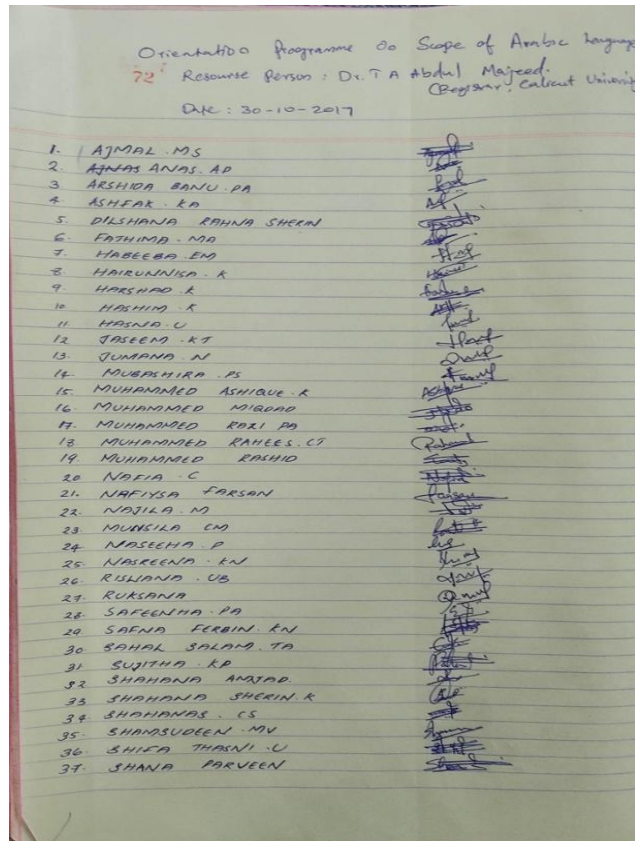

## Motivation Class

Mr. Shanavas, a renowned trainer from SIGN HRDC, conducted an inspirational session aimed at motivating students in both their academic and non-academic pursuits on 04.01.2018. 36 students participated in the program.

## 'Al Ahlam' Arabic Magazine Release

On December 18, 2017, a momentous occasion was celebrated with the release of the printed Arabic magazine 'Al Ahlam.' Ms. Usha Kumari, the esteemed District Panchayath President of Wayanad, had the honor of unveiling the magazine, marking the beginning of a remarkable event. The magazine release ceremony was graced by the presence of distinguished guests, including Dr. U Saidalavi, the Principal of MCAS College, Vengara, and Dr. Muhammed Fareed TP, the Principal of WMO College, Muttil. Additionally, esteemed staff faculties, such as Ms. Shaila K H, Mr. Ashraf (Superintendent), Mr. Shameer Parammal (President of Alumni Association), Mr. Shaluf (Chairman of Students Union), and Asil K, were also present to join in the celebration.

**'Science fest 2018'**

Department OF Physics organized a one-day seminar 'Science fest 2018' in connection with NationalScience Day on 27-02-2018, with the support of KSCSTE, Trivandrum. Sri. Sabu Jose (Science writer) delivered a talk on science and pseudo-science and Dr. Muhammed Shafi (Former HOD, Dept. of Chemistry, and University of Calicut) delivered a talk on science and society. More than 100 students participated in this seminar.

## Manuscript Magazine "Annabla" (The Pulse) Release

On December 18, 2017, a significant event marked the release of the manuscript magazine titled "ANNABLA (The Pulse)." The magazine was unveiled by Dr. U Saidalavi, the esteemed Principal of MCAS College, Vengara, signifying a moment of pride and accomplishment. The event was graced by the distinguished presence of Ms. Usha Kumari, the District Panchayath President of Wayanad, who honored the occasion with her presence. Among the esteemed guests were Dr. Muhammed Fareed TP, the Principal of WMO College, Muttil, as well as Ms. Shaila K H, Mr. Ashraf, Mr. Shameer Parammal, Mr. Shaluf, Dr. Muhammad Sayeed M K, Asil K, and Abbas K, all of whom added to the significance of the gathering.

## Study Camp; Paristhithikam

Bhoomithrasena, a Club of WMO Arts and Science organized a two day study camp PARISTHITHIKAM on 10th and 11th of February 2018. The program was sponsored by The Department of Environment and Climate Change Gov. of Kerala.

## Seminar on Career in Information Technology

On 17th October 2017, a seminar on the career prospects in Information Technology (IT) was organized by the Department of Computer Science at WMO College. The seminar aimed to provide students with valuable insights into the diverse opportunities available in the IT industry and to guide them in making informed career choices. The session was conducted by Mr. Dickson Jose, an accomplished professional with extensive experience in the Information Technology field.

The seminar commenced at 10:00 AM and extended for approximately two hours. Mr. Dickson Jose began the session with an overview of the IT industry, discussing its rapid growth and the significant role it plays in modern society. He highlighted the influence of IT in various sectors, such as business, healthcare, education, and entertainment.

Mr. Jose delved into the numerous career paths within the IT industry, including software development, data analysis, cyber security, network administration, and IT consulting. He shed light on the diverse skill sets and qualifications required for each role and explained how students could align their academic pursuits with their desired career paths.

Throughout the seminar, Mr. Jose shared valuable insights and real-life experiences to illustrate the potential challenges and rewards in pursuing a career in IT. He emphasized the importance of adaptability and continuous learning in such a dynamic and ever-changing industry.

The seminar also featured interactive sessions, allowing students to ask questions and seek personalized guidance from Mr. Dickson Jose. The resource person patiently addressed each query, providing practical advice and strategies to help students build a successful career in Information Technology.

## Two-Day Training Program on 8051 Based Project Design

The Department of Electronics of WMO College Muttil organized a two-day training program on "8051 based project design" from October 11 to October 12, 2017. The training program was conducted by Mr. Muflih and Mr. Abdul Rasheed, both Assistant Professors from the department. The objective of the program was to provide embedded system training to the final-year students. The training focused on the design and implementation of projects based on the 8051 microcontrollers. Through hands-on sessions and practical exercises, the students were able to gain a deeper understanding of embedded systems and enhance their project development skills.

Besides students, the faculty members of Electronics department also were attended the program and very good response and feedback received from all the participants. The training program was successfully organized by the Department of Electronics, WMO College Muttil, to support the learning and professional growth of the final-year students.

## Hands-On Training Session on Interfacing with Microprocessor 8085.

The Department of Electronics at WMO College Muttil organized a hands-on training session on the topic of 'Interfacing with Microprocessor 8085'on March 6, 2018. The training session was conducted by Mr. Muflih from the department. The objective of the session was to enrich the curriculum for second-year students by providing practical training in the field. The training focused on teaching students about the various aspects of interfacing with the microprocessor 8085. By providing hands-on experience, the session aimed to enhance students' understanding of the subject and equip them with practical skills. The event was successfully organized by the Department of Electronics, WMO College Muttil, with the aim of providing students with practical training to supplement their academic curriculum.

## 2. Arabic

Bridge courses serve as supplementary knowledge provided to students to impart basic understanding of subjects. They are valuable preparatory courses designed to equip students with fundamental information about the subjects they will be studying. The primary objective of these courses is to bridge the gap between students' existing knowledge and the subjects they are about to engage with. By taking a bridge course, individuals can ensure they have a solid foundation and essential knowledge necessary to excel in their chosen field of study.
