Introduction

Despite the challenging circumstances posed by the Covid-19 pandemic, WMO Arts and Science College remained steadfast in its commitment to nurturing students' growth and development. Throughout the academic year 2020-2021, the college proactively initiated capacity building and skill enhancement programs. These programs were thoughtfully designed to empower students with a diverse set of valuable skills, equipping them to thrive both academically and professionally. By adapting to the changing learning landscape and embracing innovative teaching methods, the college continued to prioritize the holistic growth of its students, ensuring they were well-prepared to face the unique challenges presented by the pandemic and beyond.

Aspirants - Workshop

The Department of social work organized a workshop ASPIRANTS on 4th January 2021 in collaboration with CDPU Wayanad and Mannu Rural Science research center. This program was very interesting and students enjoyed and participated well.

'KARADU' Student Magazine

One of the most excruciating concerns during pandemic was the student life in campus. Students all over the world missed their campus life and we have seen its significance via News media. Student from department of physics however showed their enthusiasm and came up with a beautiful magazine for which the whole department gave immense support. Students adapted to the situation and decided on an online magazine. 2020-2021 magazines 'KARADU'. Mr. Shameemudheen KA coordinated the efforts as the student editor. Students contributed to the magazine by providing articles and other creative ideas. Readers can look up the magazine here <https://online.fliphtml5.com/ppdig/gkxc/#p>

എന്താണ് കരട്? എങ്ങനെയാണ് കരട്? എന്തുകൊണ്ട് കരട്?

201920 വർഷ കാലയളവിൽ Wimo കോളേജിലെ വിദ്യാർത്ഥി യൂണിയന്റെ ആഭിമുഖ്യത്തിൽ നടത്തിയ Inter Department Magazine രചനയിൽ ഭൗതികശാസ്ത്രം, രസതന്ത്രം, ഭൗതികശാസ്ത്രം, ഡിപാർട്ട്മെന്റിലെ വിദ്യാർത്ഥികളിൽ ഓടുന്ന കൈയൊപ്പം സർഗ്ഗാത്മകതയുടെ ഭൂമി തിരിച്ചറിയാൻ വേണ്ടിയും തയ്യാറാക്കിയ മാസികയാണ് കരട്.

കരടിന്റെ തയ്യാറെടുപ്പുകൾ വളരെ കൃത്യം നിർമ്മാണമാണ്. അവസാന തീയതിയിലേക്ക് വെറും 10 ദിവസം മാത്രം ബാക്കി നിൽക്കെയാണ് കരടിന്റെ പ്രവർത്തനങ്ങൾക്ക് തുടക്കം കുറിച്ചത്. ആയതു കൊണ്ട് തന്നെ പിന്നീടുള്ള ദിനാന്തരങ്ങൾ വിശ്രമമില്ലാത്തതായിരുന്നു. കൂടുതലിൽ കലനാലെയും, ഉച്ച ഭക്ഷണങ്ങൾ ഒഴിവാക്കിയും ഒരു മുനിക്കുള്ളിൽ കഴിഞ്ഞ്, ഫർഷിംഗ്, ഹെൽത്ത്, ഷോൺ, നംബർ, മിന്ന, അയ്യപ്പ എന്നിവർ ഒരുമിച്ചിരുന്ന് കലനാലെയായി എന്ന് സംഭവിക്കുന്നു എന്നുപോലുമായിരുന്ന 8 ദിവസത്തെ പ്രവർത്തനം കൊണ്ട് തയ്യാറാക്കിയ മാസികയായിരുന്നു കരട്. കോളേജ് 11 മാറ്റം വരുന്ന മാസികകളോട് പൊരുതി കോളേജ് നിലവാരം നേടാൻ കരടിന് സാധിച്ചു. ഇതിനിടയിൽ എഡിറ്റോറിയൽ അംഗങ്ങൾക്ക് പരാതികളായും, എഴുതുകയായും, അസന്തോഷം പല ബുദ്ധിമുട്ടുകളും നേരിടേണ്ടി വന്നു. തുടക്കത്തിൽ അധ്യാപകരുടെ സാമ്പിൾ കൗതുകമായിരുന്നുവെന്നും അവസാന നാളുകളിൽ അധ്യാപകർ പിന്തുണകളാൽ പ്രവർത്തനങ്ങളിൽ സജീവമായിരുന്നു. പക്ഷെ മാസികയുടെ തുടരുന്നതിനും അതിനെ പൂർണ്ണമായി

ഡി.പി.എസ്. ഡബ്ല്യു.എം.ഓ. കോളേജ്, മട്ടിയിൽ

കരട് 2.0 | 2

എത്തിക്കുന്നതിനും ദിനാന്തരങ്ങളിൽ അങ്ങുളുടെ കൂടെ എത്തിനും താങ്ങായും തണലായും നിലനിന്നിരുന്ന പ്രിയ അദ്ധ്യാപകനാണ് ' **ബവാർ സർ** '. അദ്ദേഹത്തിന്റെ അകരാഴ്ത്തം സാന്നിധ്യമാണ് കരട് പൂർത്തിയാക്കാൻ കാരണമായത്.

എന്തുകൊണ്ട് കരട്? സാമൂഹ്യ കലാകര സർഗ്ഗാത്മകതയെ പിടിച്ചുപറ്റി ഇറങ്ങി നടന്നപ്പോൾ പലയിടങ്ങളിലും കരട് ഒരുമിച്ച് പലതും പ്രതിധ്വനിച്ചു. അവിടങ്ങളിൽ കരടുകളിൽ ഉൾപ്പെടുത്തി വന്നു. അങ്ങനെ കരട് കരട് നിറഞ്ഞ ഭരണ നേതൃത്വത്തിലേക്കും, നേതൃത്വത്തിലേക്കും, കർമ്മങ്ങൾ കരടിനാൽ ഉയർന്നിടും നേതൃത്വത്തിലേക്കും വിരൽ ചൂണ്ടുകയായിരുന്നു. അങ്ങനെയൊരു കരുതലാണ് ഉള്ളത്. ആയതു കൊണ്ട് തന്നെ പ്രതിധ്വനിച്ചു നിറഞ്ഞ ഈ മുഹൂർത്ത കാലത്തും പലരും അതിലായി കരട് പ്രതിധ്വനിക്കുന്നത് കാരണമി വന്നപ്പോൾ ഉൾപ്പെടെ അതിലേക്കായി വന്നു. ഇതിനെത്തുടർച്ചയായുള്ള കരുതലോടും. കരട് 2.0

Workshop on Latex

A Workshop has been conducted by the Department of Economics during the time of Covid 19. This helped in enhancing exposure of scientific documentation to the students. Dr.Hamza K K was Recourse Person.

Yoga Training Class

On 11 January 2021, a yoga training class was conducted at the Department of Computer Science, WMO College. The class aimed to introduce the students to the benefits of yoga and promote a healthy lifestyle. A total of 41 students participated in the session, led by a qualified yoga instructor *Ms.Sangeetha U B.*

The yoga training class commenced at 9:00 AM and lasted for two hours. The session began with a brief introduction to yoga and its origins, emphasizing its relevance in the modern world. The instructor explained the importance of yoga in relieving stress, improving flexibility, and enhancing overall well-being.

The class proceeded with a series of warm-up exercises, including joint movements and stretching. These activities were designed to prepare the students' bodies for the more advanced yoga postures that would follow. The instructor demonstrated each posture, explaining the correct alignment and breathing techniques.

The students actively participated in the class and showed enthusiasm in learning the different yoga asanas (postures). The instructor paid individual attention to each student, providing guidance and corrections when necessary. The students were encouraged to ask questions and seek clarification throughout the session.

The feedback from the participants was overwhelmingly positive, with many expressing a desire for more such sessions in the future. The yoga training class not only introduced the students to a new form of exercise but also instilled in them an appreciation for the mind-body connection.

Orientation on importance of palliative care

Department of Social Work conducted an orientation session on importance of palliative care on 16th January 2021 with the association of experts from Sparsham, Palliative care unit, Muttill. The programme was conducted as a part of Kerala Palliative Care Day, which is celebrated every year on 15th January. Session mainly focused on sensitizing the students the need of palliative care treatment along with the curative treatment. It also discussed about various health conditions and chronic illness in which palliative care has a major role for patients. 35 students was part of the programme.

National Girl Child Day

Department of Social Work conducted program as a part of National Girl Child day on 24th January 2021. Assistant Collector of Wayanad District, Dr. Balprit Singh inaugurated the program. It was conducted in collaboration with WCD Department, Wayanad Social work students conducted flash mob and awareness using IEC materials like placard etc. The program mainly focused on girl education, equality in opportunities, nutrition and other related aspects. It aims to promote gender equality and eliminate discrimination against girls, ensuring their holistic development and well-being. On National Girl Child Day, various events, campaigns, and programs are organized to highlight the importance of educating and nurturing girls. These initiatives focus on creating a conducive environment for girls to thrive, supporting their access to education, healthcare, and equal opportunities.

Sweep Wayanad Campus to Campus

Department of Social Work conducted a program SWEEP Wayanad campus to campus “Ente Naadinu Ente Vote” in collaboration with Election commission and District planning office, on 29th March 2021. The programme includes flash mob and instant quiz. The Assistant Collector of Wayanad, Dr. Balprit Singh inaugurated the program. The members from various colleges participated in the program. The Campaign was organized to promote awareness about the importance of election and voting among students.

Panel Discussion

Department of Social Work conducted a panel discussion on Environmental Impact Assessment Draft 2020 on 18th August 2020 via Zoom. Environmental activist, CR Neelakandan, Chairman of NGO Friends of nature, Hamdali Vazhakkad, Principal of WMOC, Dr. Muhammed Fareed were part of the discussion.

Curvature of a regular curve

The curvature of a regular curve is defined to be the curvature of it at any unit speed reparametrization.

Prop: Let $\gamma(t)$ be a regular curve in \mathbb{R}^3 then the curv of $\gamma(t)$ is

$$K = \frac{\|\ddot{\gamma} \times \dot{\gamma}\|}{\|\dot{\gamma}\|^3} \quad \gamma(t) = \frac{\|\dot{\gamma}(t)\| \gamma(t)}{\|\dot{\gamma}(t)\|}$$

Webinar on 'Kerala PSC Research Officer and Statistical Investigator - Prospects and Challenges'

The department of Mathematics conducted a Webinar on '**Kerala PSC Research Officer and Statistical Investigator - Prospects and Challenges**' was conducted on 22-01-2021. Mr Saiin Gopi, Research Officer, Department of Economics and Statistics, Govt. of India and Mr Aneesh K M, High School Assistant, GHSS, G H S S Tharuvana were the Resource persons. Principal Dr T P Muhammed Fareed delivered the keynote address. A total of 120 aspirants participated and appreciated the program.

The National Mathematics Day

The department of Mathematics conducted the national day celebrations (MAGMA-2020) were conducted using online platforms on 22-12-2020. Ms. Viji C B, Assistant Professor, Maharajas College, Ernakulam, who is also an alumna of our college, inaugurated the program. The Programmes included exploratory talks, Slide presentations, Quiz, Mathematical games poster presentations.

Mathematical Circle

Students of Dept. of Mathematics department were divided in to groups and they lead meetings of the Mathematical Circle through online platforms performing various events like Exploring new mathematical ideas, Mathematical games and puzzles, short math quizzes, Math magics, problem contests etc. A total of 9 meetings of the Circle were conducted during the year 2020-21. The topics discussed in the Mathematical Circle were according to the syllabus of the Certificate course in ‘Recreational Mathematics’ designed in the department.

Mathematical Problems Contests

A total of 22 mathematical problems contests were conducted during the year using online platforms. Students, Teachers, and Alumni of the department took turns to organize the contests. Prizes were sponsored by Teachers and Alumni. Sarang M J , Rashid A, Sajin Gopi, Basil Eldho, Saneesh Babu, Vishnu P V, Akhil Joseph, Rishana, Muhammed Sahal O T, Joseph Joy, Farseena E K and Deepthi were the winners.

Association Activities

Department of Mathematics arranged various cultural programs and competitions (**Virtual Onam 2020**) were conducted as part of Onam celebrations through online platforms during August 2020. The program included Cartoon making competition, Mathematical flower carpet competition, Diary of Mahabali, Penning the Experiences of Covid-19, etc.

Awareness Program

P G department of commerce organized a session on investor education and awareness programme to students in the department with the support of Shradha Talent Management. Session taken by Sri. Shanakar Sundareshan (CEO, Shradha Talent Management) on 5th March 2021 in Zoom Plat form.

Orientation Program

Department of Chemistry conducted an orientation programme for first year UG students on February 2021. Orientation programme aims bridge the gap between students and faculties and also to promote students for enhancing their skills and learn about the various innovative ways to enhance their care.

Seminar on “Scriptures, Its Mission and Message”

A seminar on “SCRIPTURES, ITS MISSION AND MESSAGE” was conducted by Arabic department on 30th March 2021. Dr. Narayan, Assistant Professor, Calicut University Centre, Wayanad was the chief guest.

Bridge Course

All departments provided bridge course for all first year students. Some reports are given below

1. SOCIAL WORK

A bridge course in social work serves as a pivotal pathway for individuals seeking to embark on a rewarding and impactful career in the field. Designed to provide a comprehensive foundation, this specialized program bridges the gap between diverse educational backgrounds and the requirements of a social work degree. By offering a unique blend of theoretical knowledge and practical skills, the bridge course equips students with the necessary tools to navigate the complexities of social issues and contribute effectively to the betterment of individuals, families, and communities. This introduction explores the significance of bridge courses in social work, highlighting their role in preparing aspiring professionals for the challenges and opportunities that lie ahead.

2. MASS COMMUNICATION AND JOURNALISM

The Department of Mass communication & Journalism, WMO college of Arts and Sciences, Muttil, offers a Bridge course for the students of first year B.A Mass communication. It is a 5 day-long course taking 4 hours each day. Scheduled in to three different modules, it is been offered as a regular program since its introduction in the academic year 2018. The course primarily helps a students to unlearn and relearn her student life or student-ship. The teacher/trainer acts as a facilitator cum mentor helping the students to get familiar with the course, the new educational atmosphere she lands in to, and the quite unfamiliar pedagogy adopted by the higher education sector in the country. Along with other timely accompaniments, the course is largely conceived of three basic modules. These three need-based-modules facilitate a student in terms of her self-learning and introduce her to the culture of 'the scholarship' and 'higher education'. Thus, Bridge course proves to be the best opportunity for a student to adapt herself to the academic and social environment, which many often is new for her.
