Introduction

WMO Arts and Science College conducted several programs related to the skill development and capacity building of the students. These programs enhanced students' skills in different areas. The institution-initiated capacity building and skill enhancement activities like soft skills, language and communication skills, life skills and ICT skills.

Azadi Ka Amruth Mahotsav

In the spirit of Azadi ka Amruth Mahotsav, WMO Arts and Science College encouraged all its departments to actively engage in various programs and activities. Eagerly responding to the call, all departments enthusiastically participated in this celebratory occasion and organized a plethora of engaging competitions and events. Through their collective efforts, the college community came together to commemorate India's rich history and cherish the significant milestones that have shaped the nation's journey towards freedom and progress. The diverse range of competitions and programs organized by each department added a vibrant and celebratory atmosphere to the college, fostering a sense of unity and national pride among students, faculty, and staff alike.

1. Arabic

The Inter- Departmental Debate Competition was Inaugurated Dr. Yoosuf VK, Asst. Professor, Dept. of Arabic. 7 teams participated in this competition. The topic was "Independent India: hope and threaten". Team Physics, MSW and Mathematics were the winners. The Letter to Gandhi Competition was Inaugurated Mr. Kabir. P, Asst. Professor, Dept.of Commerce. More than 100 students Participated in this Competition. Rishana. A (II MA English), Misriya Rahman (B.Sc. Electronics) and Althaf (II BA Arabic) were the winners.

An Arabic Calligraphy program was designed by the Students of Arabic based on the topic Indian Freedom Struggle. 13 Students drew the Calligraphy and a student Seminar on "Anti-Colonial Arabic Works in India" for PG Students was also conducted.10 Students Presented Papers in various aspects of the topic.

3. B.Com - Computer Application

Department of B.COM.CA conducted an online seminar in association with women cell, based on the topic 'A Review of Women Safety Law' on 10-08-2022, Wednesday. The resource person of the seminar was ADV. Faritha J Ma'am. The program was conducted through Google meet and 47 students actively participated in the program. Students of D3 B.COM.CA, WMO Arts and Science College conducted a debate on 10th august 2022. The subject of the debate was 'Even though we have achieved our freedom, state whether India achieved complete freedom or not?' in accordance with Independence Day celebration. The debate was between two groups- Boys VS Girls. The debate lasted up to 25 minutes.

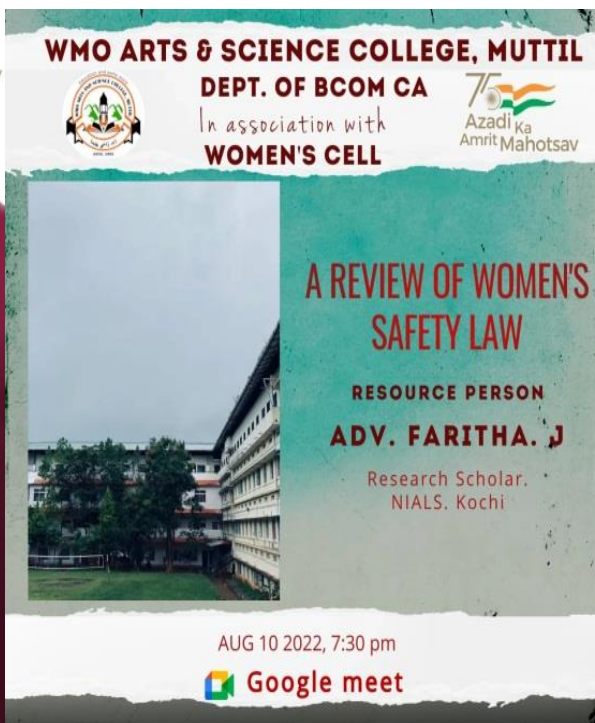

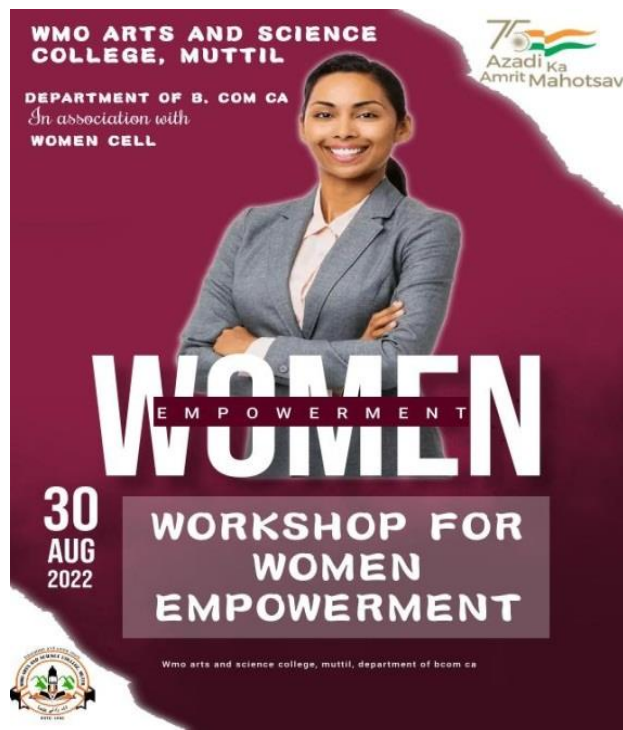

On 15-8-2022 Monday, Department of BCOM CA presented a video tribute to all our courageous freedom fighter's by singing national anthem in an innovative way. The resource person of this event was HOD of the department Praveen Matthew sir. On the beginning of the video D3 B.Com CA student Niya, give a short message about freedom fighters and conveyed extreme pleasure and thanks to the freedom fighters through words. 75 students participated in this program.

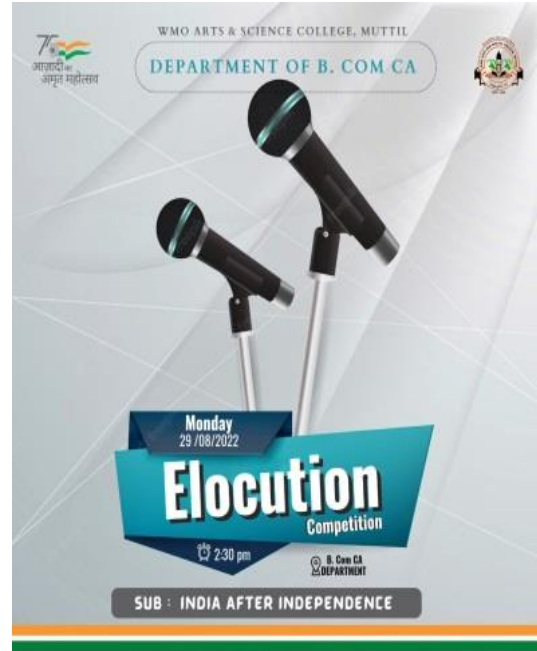

A quiz competition was conducted by D3 B.COM.CA students on 19th august 2022, Monday in connection with the Independence Day. The venue was the conference hall, 36 students from various department participated in the program and it had 4 sessions of the quiz competition with 4 different topics. On 29-08-2022 Monday, department of B.COM.CA, WMO Arts and science college conducted an elocution competition based on 'AZADI KA AMRITH MAHOTSAV'. The competition was held in D3 B.COM.CA Class, at the time of 2:30 pm.

On 30-08-2020, Tuesday, Department of B.COM.CA conducted a work experience class in collaboration with the women cell. The objective of the workshop was the women empowerment. The resource person of the program was Srimati Khadeeja (Sulthan

Bathery). About 30 girls from various departments were participated in the work experience session.

5. Chemistry

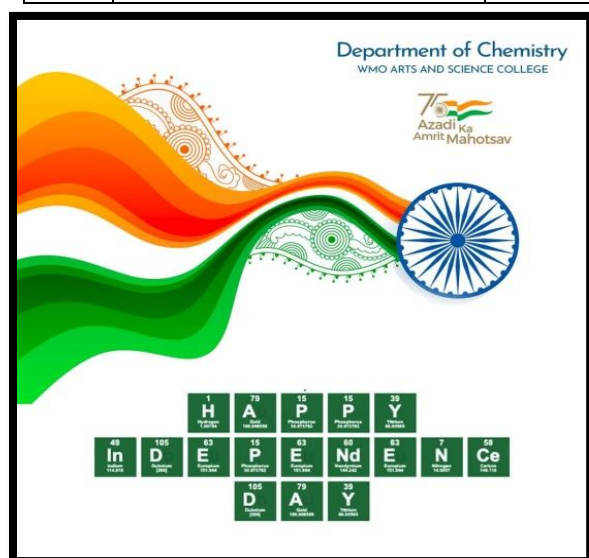

Department of Chemistry conducted a session on “Biofuel for economic sustainability and for a better environment” on 10-08-2022, Wednesday at 11 AM, as a part of the world biofuel day celebration. The resource person of the session was Prof. Siby Joseph, Associate Professor, Department of Electronics, WMO Arts and Science College, Muttill. The session was highly informative and 50 students were actively participated in the program.

Students of D3 Chemistry, WMO Arts and Science College conducted a quiz competition on 12th august 2022, Thursday in accordance with Hiroshima and Nagasaki Days. 33 students (11 Team) from various departments participated in the program and had 3 different pattern of the quiz. Ms Fathima Shadin was the quiz master. Students from department of mathematics secured first place. On 12-8-2022 Friday, Department of Chemistry organized an inter department haiku writing competition on the topic “Equality” as a part of azadi ka amrut mahotsav. The session was monitored by Ms. Binsha Basheer and Ms. Fathima Shadin. 16 students from various departments were participated and proved that the pen is mightier than the sword. The inauguration of the debate club CATALYST of chemistry department was held on Friday 19 August 2022. The function was convened by Dr. Thomas Thevara, Head of the department of chemistry. The programme was coordinated by Ms. Fathima Shadin, Asst. Professor, and Department of chemistry. Dr. Biju. K G, Head of the department of physics, Ms. Sonima V, Asst. Professor, and Department of Chemistry offered their felicitations. D3 students conducted a debate on 19th august 2022. The subject of the debate was ‘Advantages and disadvantages of british administration’ in accordance with Independence Day celebration. The debate was between two groups- D2 VS D3. Ms. Rubeena, Asst. Professor, Department of economics monitored the function. The debate lasted up to 30 minutes.

On 20-08-2022 Saturday, Department of chemistry organised a visit to Kerala Veterinary and Animal Sciences University to study the method of scientific waste management. The invention is an outcome of inventor Dr. John Abraham's patented research "Biodiesel produced from rendered chicken oil". The biodiesel from slaughtered chicken waste that offers mileage of over 38km a litre at around 40 % of the current price of diesel and lowers pollution by half. 31 students participated. On 25-08-2022, Thursday, Department of Chemistry conducted a session on Entrepreneurship for economic freedom, an introduction to pharmaceutical chemistry. The session was led by Mr. Sakthiprasad, chemist, Brahmagiri Development Society. The objective of the class was to discuss the advanced applications of pharmaceutical chemistry and its importance. About 45 students were participated in the session. Chemistry department organised a discussion on the topic "freedom struggle and scientific community " on 26-08-2022, Friday. Mr. Hashim, Asst. Professor, Department of Physics was the chief guest and presented his views on the topic. Mr. Madhusoodanan, Head of the department of economics and Mr. Unais, Asst. Professor of B.COM.CA offered their felicitations. An inter department presentation competition were held on the same topic. Sravan and Abhinav from department of economics won the competition. The session was highly inspiring and informative

8. Economics

As part of the 'ecoindefest22', Department of Economics conducted a 'Tuesday talk' in connection with the Azadi Ka Amrit Mahotsav. Dr Biju Mathew, the coordinator of integrated MA programme in development studies, Calicut University conducted this session. "Graduation in economics and its outcome" was the topic under discussion. It was an interactive session. Dr TP Muhammad Fareed, the principal of WMO Arts and Science College inaugurated the session. Sri. Madhusoodanan K department HOD delivered the welcome speech. Around 90 students participated through Google meet.

A departmental debate was conducted as part of 'Ecoindfest' 22 on 10th August 2022. All the students participated in the programme. Hisana Nasrin, Abhinav, Murshida, Shraavan were the mediators of the program. The topic that discussed in the programme was women empowerment. Faculties from other departments visited the program.

A food fest was conducted by the department on 11th August. The program was inaugurated by Dr Muhammad Fareed, The principal of WMO College. The Inauguration ceremony was scheduled between 11:00AM and 11:15AM. The expo and sales were started at 11.30AM. Evening snacks were made by students from their houses. Around 50 varieties of snacks were made for the fest. Faculties and Students from the entire department visited the fest. An Inter-departmental elocution contest was conducted on 12th August 2022. The program was organised by the students of both the classes and the faculties of the department chaired as judges. Around 15 students participated in the contest. The program was well arranged and executed by the students. Maximum Corporation of various departments made the program a huge success. An invited talk was arranged by the department of Economics as part of the Ecoindfest22. The program was scheduled on August 16. Doctor N Anil Kumar, former scientist, MS Swaminathan Research Foundation, Wayanad coordinated the session. The topic of discussion was "Environmental economics and sustainable development". Dr Shakeela, senior scientist MSSRF Wayanad, was the chief guest of

program. The session started at 11:30AM. Several aspects of environmental economics and its scopes were discussed by Dr. Anil Kumar. The session was quite interesting by the way he took the class.

"Did India get complete freedom...?" was the topic under discussion. The session started at 2.00PM, August 17. Several ideas were shared by students. After the session Cultural Event was started. Patriotic songs, theme songs, dances related to Independence movements were showed. The participation of all the students made the program colourful and enjoyable.

A book exhibition was conducted on August 19th. Several books related to independence, Gandhiji and other freedom fighters, biographies etc. were exhibited. Around 500 books were collected from students and faculties for the program. Majority of the books were from the collection of departments HOD Madhusoodhanan Sir. Rest of the books were collected from students. The exhibition was arranged in the entrance of the college. rtments came to the exhibition and played a major role in the success of the program. As part of Azadi Ka Amruth Mahotsav, Department of Economics collaborated with Department of Statistics conducted a Gandhian thought sharing session of Mr. E. M. Raveendran, Gandhian, Teacher, and Social Worker on 19th August 2022. He shared different ideas of Gandhiji, Gandhiji's daily habits, Gandhiji's activities and why he became our father of nation. About 180 Students and faculties attended. Department HoD Mr. K Madhusoodhanan inaugurated and honoured Mr. E M Raveendran by Mr. P. Kabir, Assistant Professor in the PG Department of Commerce. Vote of thanks was delivered by Mr. Muhammed Shaifer (P, Assistant Professor, and Department of Economics). As part of Azadi Ka Amruth Maholsav Department of Economics has set up a walk show of Indian independence on 12th August 2022. Students of Economics Department have collected and show case different pictures, wordings and quotes of freedom fighters and important struggles and marches. About 750 students and 50 staffs were visited and watched the wall show and appreciated the efforts of students for conducting the same.

3	Hindi Elocution	22/08/22	06

10.Mathematics

A get-together of all staff and students in the Department of Mathematics was conducted on August 15, 2022 at 12.30 pm under the title “Meraki” . Students performed cultural programs and celebrated 76th Independence Day. Sarang .M. J of 2nd year MSc Mathematics delivered Independence Day message. Some games related to Indian history and geography was conducted. Distributed prizes to the winners of Mathematics Problems Contest no. 108 and the achievers of Essay writing competitions conducted by Dept. of Economics and Statistics, Govt. of Kerala. Ideatory Clan is an initiative proposed by 2nd year MSc Mathematics with the motto “Be the change that you want to see in the world”. Ms Midhula Manoj welcomed the gathering. Principal Dr. T .P. Muhammed Fareed inaugurated the Ideatory Clan on 16-09-2022 and delivered inaugural address. Ms. Khairunnisa, 2nd year Mathematics introduced Ideatory Clan to the audience and spoke on its prospects and possibilities. Dr. Viji Paul delivered presidential address. Mr. Saneesh Babu and Ms. Anu Jose offered felicitations. Mr. Sebin Mathew proposed vote of thanks.

A special Mathematics circle on the title “India, Independence and Mathematics” was conducted on 19-08-2022. Mr. Sebin Mathew of D2 Mathematics welcomed the gathering. Ms Fathima Sithara offered felicitations. A talk on Indian Constitution was given by Saradha S of D2 Mathematics. An Indian mathematician named 'Narendra Karmarkar' was introduced by 'Bhagyalakshmi'. Karmarkar algorithm was one of his notable contribution to the field of mathematics. Bhagyasree introduced a non-famous female freedom fighter 'Rani Velu Nachiyar' who led the first riot against British. A Mathematics quiz was conducted by Naseeha & Ashina. Two games were conducted under the guidance of Aleena and Sebin. Afrin, Shahana and Fidha of D2 Mathematics made the occasion more enjoyable with a patriotic song. Mr. Sebin Mathew proposed vote of thanks.

An online quiz was conducted on the topic “India and Independence” on 18-08-2022 co-ordinated by Sebin Mathew. The winners of the programme are Fathima Naseeha (D2 Mathematics) , Vivek M(D3 Mathematics) and Shameer (MCom). As part of celebrating 75 years of Independence, students were given an opportunity to present topics related to development in India in various aspects. Ms . Mishba of II MSc Mathematics delivered the welcome speech. Ms. Rishana hosted the programme. Ms. Saradha S of II BSc Mathematics presented on the topic “Indian politics: Now and Then” and Ms. Soumya of III BSc Mathematics presented on the topic “India, before and after Independence”. A discussion on the content of the presentations was held afterwards.

12. Physics.

In honor of the 75th Independence celebration, the Physics Department at WMO Arts and Science College organized an array of exciting competitions and programs. These events served to commemorate India's journey towards freedom and highlight the nation's remarkable progress in the field of science.

One of the noteworthy programs was a stimulating webinar titled "Indian Science after Independence," conducted by Dr. PM Sidharthan. The webinar provided valuable insights into the hurdles and achievements of Indian science, spanning from the pre-independence era to the present. Dr. Sidharthan emphasized the significance of allocating resources for research and development in the current context. The engaging session garnered the participation of 35 attendees via Google Meet, fostering a meaningful discussion on India's scientific strides.

The department also hosted an interdepartmental debate competition centered around the theme of gender equality. Six groups representing various departments passionately debated on the topic "അച്ഛൻ തേങ്ങ പഠിക്കട്ടെ 'അമ്മ തേങ്ങാ ചമ്മന്തി ഉണ്ടാക്കട്ടെ.'" The competition, coordinated by Postgraduate students in the Physics Department, received enthusiastic participation. Ms. Rija Rappayi (Department of Social Work) and Madhusoodanan K (Department of Statistics) served as judges for the lively debate.

An enlightening Poster Exhibition showcasing India's contributions to science was prepared by all the students in the department. The exhibition, inaugurated by Mrs. Febina CK from the Department of Physics, received widespread acclaim from students and faculties alike. Approximately 100 posters adorned the corridor, offering a comprehensive glimpse into India's scientific achievements.

Undoubtedly, one of the most thrilling events organized by the department was the Treasure Hunt competition. Undergraduate students skillfully coordinated the elaborate hunt, comprising seven different activities. The adventurous hunt led participants to various locations, including the library, India Gate, Tata Motors Company, an army office, Ladakh, and finally, the Freedom Wall. The competition tested participants' wit, teamwork, and problem-solving abilities, creating an atmosphere of excitement and camaraderie among the teams. In the end, two teams successfully completed the mission, with the victorious adventurers radiating a sense of accomplishment on their faces.

Overall, these diverse and engaging programs orchestrated by the Physics Department marked a remarkable tribute to India's journey of independence and scientific achievements. The celebration of Azadi ka Amruth Mahotsav at WMO Arts and Science College instilled a sense of pride and unity among students and faculty, fostering a renewed commitment to preserving and promoting India's rich cultural and scientific heritage.

Celebrating the freedom with communities

സ്വാതന്ത്രമീയമ്മതൻ രൂചി Food fest in the theme of Independence Day

Azadi ka amrit mahotsav, KOMUNITA celebrating freedom with communities, 'സ്വാതന്ത്രമീയമ്മതൻ രൂചി' food fest on the theme of Independence Day program is decided to be conducted on 26th august 2022 for the mother group of Athinilam anganwadi at Meenangadi sector under Sulthan bathery block. This is a program which makes the mother group much active under the anganwadi and it is organized by the social work trainees of WMO arts and science college, Muttill. It is a food fest on the theme of Independence Day. Where held in a manner of competition.

Social Work trainees conducted a survey at Parakkuni and Ariyannur colony by using a questionnaire, as per the survey, it aims to know the social issues and educational status among the adolescent children. According to the data, it has been found that the majority of the respondents are drop outs and don't want to go to School due to laziness, lack of support from family and some financial issues. And social work trainees conducted an awareness session and a focus group discussion called 'Nukaram pakaram arivekam' for the adolescent children and mothers on the importance of education, extra-curricular activities and prevention of drug addiction and to enhance the capacity participation and skills among the adolescent children.

As the part independence day celebration named "Azadi ka Amruth Mahalsov" WMO college conducted different Program. On the part of this 73 programs Social Work Department conducted various programs as named "COMUNITA"(celebrating freedom with communities) Under this caption Social work trainees conducted an Nutrition awareness program 'EAT SMART BE SMART' in karchal 2nd. there were 10 participants in the programme. RP sreelatha (nutritionist) taken the session. The main content of the programme was about malnutrition, proper way of food intake, how to stay healthy. As part of 75th Independence Day celebration, Department of social work conducted a community level program "KOMUNITA" - 'Celebration of freedom with community. Under this caption we are conducted a skill-based training (Paper pen making), On 27th August Saturday at Rattakkolly in Kalpatta.

There is a group called 'Varnakkood' for adolescent girls under ICDS. While visiting them we observed the need to conduct a program for polishing their skills. The main of the program is to make them skillful. There were more than sixty students participated in the program. Program was inaugurated by Dr Muhammad Fareed TP, Principal of Wmo arts and Science College. The training session was led by Ms Haseena. We created a WhatsApp group and selected a leader for continuing the activities.

A visit to vedamkott kunnu anganwady held on 25/08/2022 from 2:30 to 4:00 pm for providing facility to the old persons to do their routine checkup of their blood sugar and blood pressure due to some circumstances usually old people couldn't travel that often on the other hands their health is also a priority in order to overcome this we have visited there for their routine check and also I've noticed that the people Over there are not healthy out of 17 people only 2 people are healthy they need of health guidance and also the facility. This program is inaugurated by marry joseph (retired school teacher). As the part independence day celebration named "Azadi ka Amruth Mahalsov" WMO college conducted different program. On the part of this programs Social Work department conducted various programs as named "COMUNITA"(celebrating freedom with communities) under this caption Social work trainees

conducted an awareness program "MUNDITIES "(be hygiene for healthy future)on topic in Menstrual hygiene and use of Menstrual Cup and its benefits at Shreepuram anganwadi , chundale. 27students 10 mother's were participated in programe

District Level Poem Recitation Competition

District level poem recitation competition for higher secondary and college students was held on 11 January 2022.

National Symposium

On November 1, 2021, WMO Arts and Science College, in collaboration with Kendra Sahithya Academy, hosted a compelling one-day symposium centered around Malayalam Short Stories.

രാഷ്ട്രീയക്കാരുടെ പ്രദക്ഷണത്തേക്കാൾ സ്വാധീനം എഴുത്തുകാരുടെ രചനകൾക്ക് - യു.കെ. കുമാരൻ

മുട്ടിൽ: സമൂഹത്തിൽ രാഷ്ട്രീയക്കാരുടെ പ്രദക്ഷണത്തേക്കാൾ സ്വാധീനം എഴുത്തുകാരുടെ രചനകൾക്കുവേണ്ടി എഴുത്തുകാരന് യു.കെ. കുമാരൻ അഭിപ്രായപ്പെട്ടു. കേന്ദ്ര സാഹിത്യ അക്കാദമിയും ഡബ്ല്യു.എം.ഒ കോളേജ് മലയാള വിഭാഗവും മലയാള ചെറുകഥ: ചരിത്രം, കാലം, പ്രവണതകൾ എന്ന പ്രമേയത്തിൽ സംഘടിപ്പിച്ച ദേശീയ സിന്ധോസിതം ഉദ്ഘാടനം ചെയ്യുകയായിരുന്നു അദ്ദേഹം. സാഹിത്യവുമായി ഇടപെടുന്നത് അത്ര നിസാരമായ കാര്യമല്ല. നല്ല ആസ്വാദകസമൂഹത്തിലേന്നുപോകണമെന്നും കൂട്ടിച്ചേർത്തു. ഡബ്ല്യു.എം.ഒ കോളേജ് പ്രിൻസിപ്പൽ ഡോ. മുഹമ്മദ് ഫരീദ് അധ്യക്ഷത വഹിച്ചു.

സാഹിത്യ അക്കാദമി ജനറൽ കൗൺസിൽ അംഗം എൻ. അജിതകുമാർ മുഖ്യപ്രഭാഷണം നിർവഹിച്ചു. സാഹിത്യ അക്കാദമി മലയാള ഉപദേശകസമിതി അംഗം എൽ.വി. ഹരികുമാർ, സാഹിത്യ അക്കാദമി റീജണൽ കോർഡിനേറ്റർ മായാകൃഷ്ണൻ, ഡബ്ല്യു.എം.ഒ കോളേജ് മാനേജർ എം.എ. മുഹമ്മദ് ജമാൽ, ഐ.ക്യൂ.എ.സി കോർഡിനേറ്റർ ഡോ. കെ.ജി. ബിജു, മലയാളവിഭാഗം മേധാവി ഡോ. മുഹമ്മദ് ശഹീഖ് എന്നിവർ സംസാരിച്ചു. വിവിധ സെക്ഷനുകളിൽ സാബു കോട്ടക്കൽ, ബി. മുരളി, വി.വി. കുമാർ, എം.സി. അബ്ദുൽ നാസർ എന്നിവർ പ്രബന്ധങ്ങളുവതരിപ്പിച്ചു. സമാപന സെഷനിൽ ഡബ്ല്യു.എം.ഒ കോളേജ് കൺവീനർ അഡ്വ. കെ. മായത്ത് അധ്യക്ഷത വഹിച്ചു.

എഴുത്തുകാരൻ ശിഹാബുദ്ദീൻ പൊയ്ത്തോട്കടവ് മുഖ്യാതിഥിയായി. ജില്ലാ ലൈബ്രറി കൗൺസിൽ സെക്രട്ടറി പി.കെ. സുധീർ, ഷാജി പുൽപള്ളി, ഡോ. വിജി പോൾ, ഡോ. ബാവ കെ. പാലുകുന്ന്, താജ് മൻസൂർ, പി.കെ. ഷൈജു എന്നിവർ സംസാരിച്ചു.

ചന്ദ്രിക

നല്ല ആസ്വാദകസമൂഹത്തിലേ ബികച്ച രചനകളുണ്ടാവൂ: യു.കെ കുമാരൻ

മുട്ടിൽ: കേന്ദ്ര സാഹിത്യ അക്കാദമിയും ഡബ്ല്യു.എം.ഒ കോളേജ് മലയാള വിഭാഗവും മലയാള ചെറുകഥ: ചരിത്രം, കാലം, പ്രവണതകൾ എന്ന പ്രമേയത്തിൽ സംയുക്തമായി സംഘടിപ്പിച്ച ദേശീയ സിന്ധോസിതം എഴുത്തുകാരൻ യു.കെ. കുമാരൻ ഉദ്ഘാടനം ചെയ്തു. സാഹിത്യവുമായി ഇടപെടുന്നത് അത്ര നിസാരമായ കാര്യമല്ല. ഇതര മായമങ്ങളേക്കാൾ സമൂഹത്തിൽ സംവേദന ക്ഷമയുള്ള മായമമാണ് സാഹിത്യം. നല്ല ആസ്വാദക സമൂഹത്തിലേ നല്ല രചനകളുണ്ടാവുകയുള്ളൂവെന്നും അദ്ദേഹം കൂട്ടിച്ചേർത്തു. ഡബ്ല്യു.എം.ഒ കോളേജ് പ്രിൻസിപ്പാൾ ഡോ.മുഹമ്മദ് ഫരീദ് അധ്യക്ഷത വഹിച്ചു. സാഹിത്യ അക്കാദമി ജനറൽ കൗൺസിൽ അംഗം എൻ.അജിതകുമാർ മുഖ്യപ്രഭാഷണം നിർവഹിച്ചു. സാഹിത്യ അക്കാദമി മലയാള ഉപദേശക സമിതി അംഗം എൽ.വി.ഹരികുമാർ, സാഹിത്യ അക്കാദമി റീജിയണൽ കോ-ഓർഡിനേറ്റർ മായാകൃഷ്ണൻ, ഡബ്ല്യു.എം.ഒ കോളേജ് മാനേജർ എം.എ. മുഹമ്മദ് ജമാൽ, ഐ.ക്യൂ.എ.സി കോ-ഓർഡിനേറ്റർ ഡോ. ബിജു. കെ.ജി, മലയാള വിഭാഗം മേധാവി ഡോ.മുഹമ്മദ് ശഹീഖ് സംസാരിച്ചു. വിവിധ സെക്ഷനുകളിൽ സാബു കോട്ടക്കൽ, ബി.മുരളി, വി.വി. കുമാർ, എം.സി. അബ്ദുൽ നാസർ എന്നിവർ പ്രബന്ധങ്ങളുവതരിപ്പിച്ചു. സമാപന സെഷനിൽ അഡ്വ.കെ. മായത്ത് അധ്യക്ഷത വഹിച്ചു. പ്രശസ്ത എഴുത്തുകാരൻ ശിഹാബുദ്ദീൻ പൊയ്ത്തോട്കടവ് മുഖ്യാതിഥിയായിരുന്നു.

Webinar

Department of Computer Science organized a webinar on Project Talk on 09th August 2021. The program was led by Nikhil Kallivayal. It was live interactive session in which 100 students participated.

Online Talk Series

The Department of Physics conducted an online talk series during the peak of Pandemic. The series included five talks by faculties from various institutions in India. The series started with a talk on Expanding universe by Dr. Anand Narayanan, Indian Institute of Science, Trivandrum. The talk was organized via Google meet on 13th June 2020. Almost all students and faculties from physics department attended the talk. The second instalment of the series was a talk on Women in Science by Dr. Resmi Lekshmi, Department of Earth & Space Sciences IIST, and Thiruvananthapuram. The talk was held on 20/06/20 via Google meet. Dr. Resmi Lekshmi gave an exciting insight into the contributions and achievements of women in science. She also focused on the current opportunities emerging in the field of science.

The 3rd talk of the series was on Tropical Cyclone and Climate change, one of the most heated topics of the time by Dr. M Govindankutty, Department of Earth and Space Sciences, IIST. The talk was organized on 27th June 2020 via Google meet. Another talk in the series was given by Dr. Shubha PA, former HOD, Department of Physics, Farook College. The topic was 'The Beauty of Nonlinear Systems'. Students had an opportunity to hear about Chaos and nonlinear systems and its significance in day-to-day life. The talk was held on 1st August 2020 via Google meet. The fifth and final talk of the series was on '30 Years of Hubble Space Telescope' by Dr. Vivek M, IIA, Bangalore. The talk peaked into the pasts of our history. It was held on 22nd August 2020 via Google meet

Regional Astronomy Meet

Department of Physics conducted another interesting and exciting online activity was the Regional Astronomy Meeting. The two-day program was on 9th and 10th July 2020. The sixth regional meeting focused on the topic 'Research in Astronomy: Opportunities and Challenges'. The program was sponsored by IUCAA. The inaugural talk was presented by Prof. Ajit Kembhavi, IUCAA, and Pune.

Main highlights of the program include Review talks by senior Astronomers, Research talks by PhD students and Postdoctoral fellows and Lightning talks by MSc students. There were 10 review talks of 30 minutes each, 17 presentations of 15 minutes each and several lighting talks during the workshop. Eminent personalities delivered talks include Prof. Ajit Kembhavi, IUCAA, Pune, Prof. Annapurni Subramaniam, IIA, Bangalore, Prof. Ramaprakash A. N., IUCAA, Pune, Prof. Ishwar Chandra, NCRA-TIFR, Pune, Prof. A. Gopakumar, TIFR, Mumbai, Prof. Manoj Puravankara, TIFR, Mumbai, Prof. Anand Narayanan, IIST, Thiruvananthapuram, Prof. Debbijoy Bhattacharya, Manipal Centre for Natural Sciences, Manipal, Dr. Joe Ninan , Pennsylvania State University, USA, Prof. Ninan Sajeet Philip, St. Thomas college,

Kozhencherry, Prof. Indulekha K., Mahatma Gandhi University, Kottayam, Prof. Paul K. T., Christ University, Bangalore, Prof. Ravikumar C. D., University of Calicut, Kerala, Prof. Harikrishnan K. P., Cochin College, Kochi, Dr. Smitha Subramanian, IIA, Bangalore, Dr. Minu Joy, Alphonsa College, Pala, Prof. Titus K. Mathew, CUSAT, Kochi Organising Committee, Dr. Reju Sam John, IUCAA, Pune, Dr. Jithesh V., IUCAA, Pune, Dr. Sheelu Abraham, Mar Thoma College, Chungathara, Dr. Savithri Ezhikode, IUCAA, Pune, Dr. Charles Jose, CUSAT, Kochi, Dr. Vivek M, IIA, Bangalore, Dr. Biju K G, W.M.O. College, Muttil, Wayanad, Prof. Joe Jacob, Newman College, Thodupuzha, Prof. Ranjeev Mishra, IUCAA, Pune

9-JULY-2020 – Lightning talks Order

- "Investigating Particle Acceleration in the Wolf-Rayet bubble G2.4+1.4",
Prachi Prajapati, Physical Research Laboratory, Ahmedabad
- "Correlations Between CME Parameters and Sunspot Activity in Solar Cycle 23 and 24",
Shifana Koya, CUSAT, Kochi
- "Study of Long Term Variation in Solar Activity",
Prabha K., CUSAT, Kochi
- "On the Identification of new Classical Ae stars using LAMOST DR5",
Anusha R, CHRIST (Deemed to be University), Bangalore
- "Is the ratio of blue to red supergiants indicative of the metallicity of an open cluster?",
Keerthana S Narayan, CHRIST (Deemed to be University), Bangalore
- "Transition candidates from the pre-main sequence to the main sequence phase",
Suman Bhattacharyya, CHRIST (Deemed to be University), Bangalore
- "Characterisation of stars in Nearby Young Moving groups",
Raksha S, CHRIST (Deemed to be University), Bangalore

10-JULY-2020 – Lightning talks Order

- "Modelling Galaxy Rotation Curves",
Lekshmi Priya, CUSAT, Kochi
- "Theory Independent tests of General Relativity by analysing Black Hole Images",
Saurabh, University of Delhi
- "Twin Lines of Sight Observations of Metal-Rich Gas in a Galaxy Group",
Pratyush Anshul, IIST, Thiruvananthapuram
- "The Longitude Dependence of Number Counts of Stars and Galaxies within the Solar Neighbourhood",
Merin Joy, Sacred Heart College, Chalakkudy
- "The study of Latitude Dependence of Number Counts of Stars and Galaxies Within the Solar Neighborhood",
Shafna Kishore, Sacred Heart College, Chalakkudy
- "Gaia view of a Warp in the outer disk of the Large Magellanic Cloud",
Saroop S, Amrita University
- "Searching The Optical and UV Counterparts of Candidate Millisecond Pulsars",
Anmaria J Puthur, Vimala college, Thrissur

About The Meeting

This is the sixth regional meeting on "Research in Astronomy: Opportunities and Challenges". We believe that this workshop will help to commence and enhance active research collaborations within Astronomy researchers in the region. As in the earlier meetings, it is earnestly hoped that this meeting will turn out to be a venue for fruitful discussions, sharing of scientific results, and beneficial collaborations among the researchers in the region.

Prof. Ranjeev Misra (IUCAA) Dr. Joe Jacob (Newman College)
Dr. Vivek.M (IIA) Dr.Biju KG (WMO College, Muttil)

Regional Astronomy Meeting

9 - 10 July 2020

**Research in Astronomy:
Opportunities and Challenges**

Online platform: Google Meet

Sponsored by:

IUCAA

Highlights of the meeting:

- 9 Review talks by Senior Astronomers
- 22 Research talks by PhD students and Post Doc
- 14 Lightning talks by MSc students

National Science Day

Department of Physics organized National Science Day. Ms Aparna KM was the chief guest. The program was conducted on 28th February 2021 via Google meet.

Workshop on Mathematical Modeling

Department of Physics conducted a Workshop on **Mathematical modeling** conducted in the department on **18/11/2021 & 19/11/2021**. The program was conducted in association with TIFR and CUSAT with the support of KSCSTE.

Teacher Professional Development Program
Mathematical Modeling
Using technology-enabled and student-centered learning systems

Program sessions (2 days each) will be held between **18, 19 November 2021**
10-20 participants in each session

Organized by: KSCSTE, HBCSE-TIFR, CUSAT
University of Calicut, WMO Arts and Science College

Objectives
- To introduce the process of mathematical modeling, and its extension to computational modeling, using physics derivations.
- To foster expertise in model-based reasoning and computational thinking, using new computational media and interactive simulations

Duration
A series of training programs will be conducted during September-December 2021. Each program will run for two days.

Locations
-Cochin University of Science and Technology Campus, Cochin
-University of Calicut Campus -WMO Arts and Science College, North, Wayanad

Workshop Mode
Each program will be conducted with a limited number of registered participants, strictly adhering to the state's COVID-19 regulations. If the number of applications are high, participants will be selected based on some distribution criteria (experience, location, gender). The program will be non-residential.

Participation
Interested faculty members in physics from colleges/ university departments in Kerala can participate in a two-day session.

Additional Notes
Participants will receive a certificate after completion of the two-day training program.
-The organizers will have the right to modify the date of the program, based on COVID-19 regulations. Any changes will be communicated to participants by email.
-Lunch and tea will be served for all participants during the program.
-Data allowance will be provided to participants at the end of the program.

Invited Talk by Dr. Ajith Kumar BP (Rtd. Scientist IUAC)

Department of Physics conducted an invited talk by Dr. Ajith Kumar BP, Rtd Scientist of Inter University accelerator center, New Delhi who delivered a talk on Python Programming on 21st December, 2021.

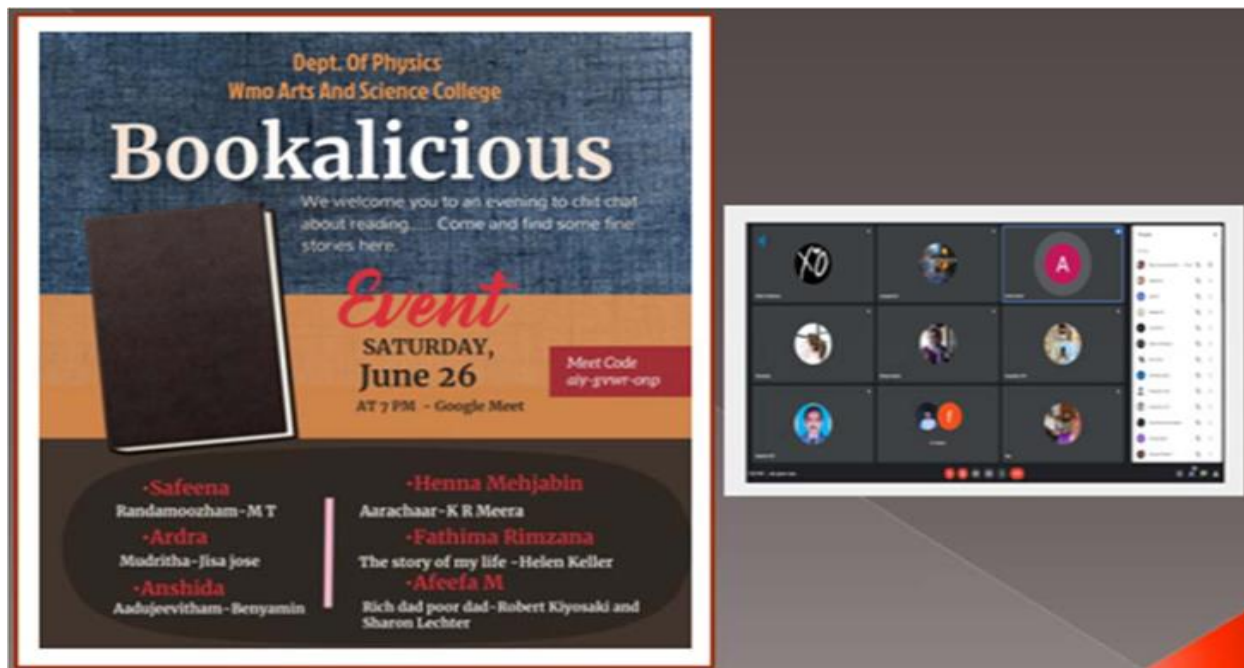

Space Week Celebration-2021

Department of Physics has celebrated space week with two online talks. Dr. Sidharthan, Rtd. Scientist ISRO, has delivered a talk on History of space expeditions on 08/10/2021 and Mr. Manikandan P E, Scientist; ISRO gave a talk on Geo Satellite operations on 09/10/2021. Both of them were conducted through Google meet.

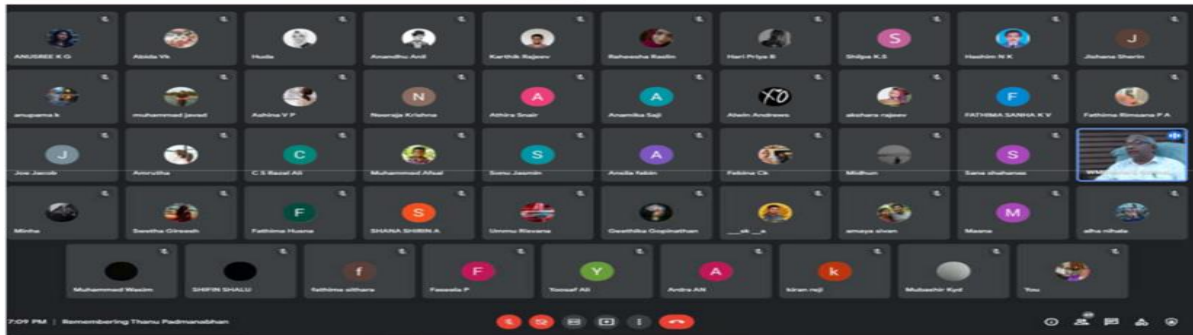

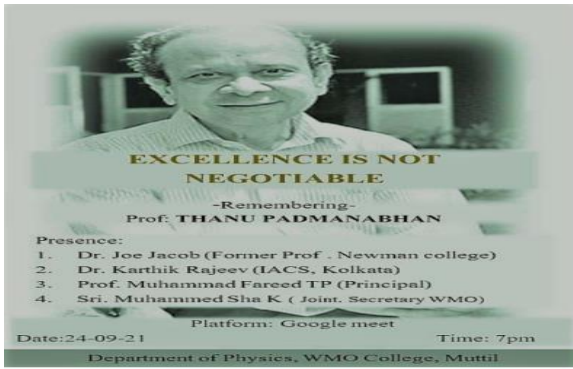

Reading Week Celebration

The Department of Physics organized a **Reading week** celebration on **26th June 2021**. Ardra Sunil, Anshitha Aboobacker, Fathima Rimsana, Henna Mehjabin, Anupama, Safeena A and Afeefa M shared their reading experience. It was a wonderful event conducted by the students.

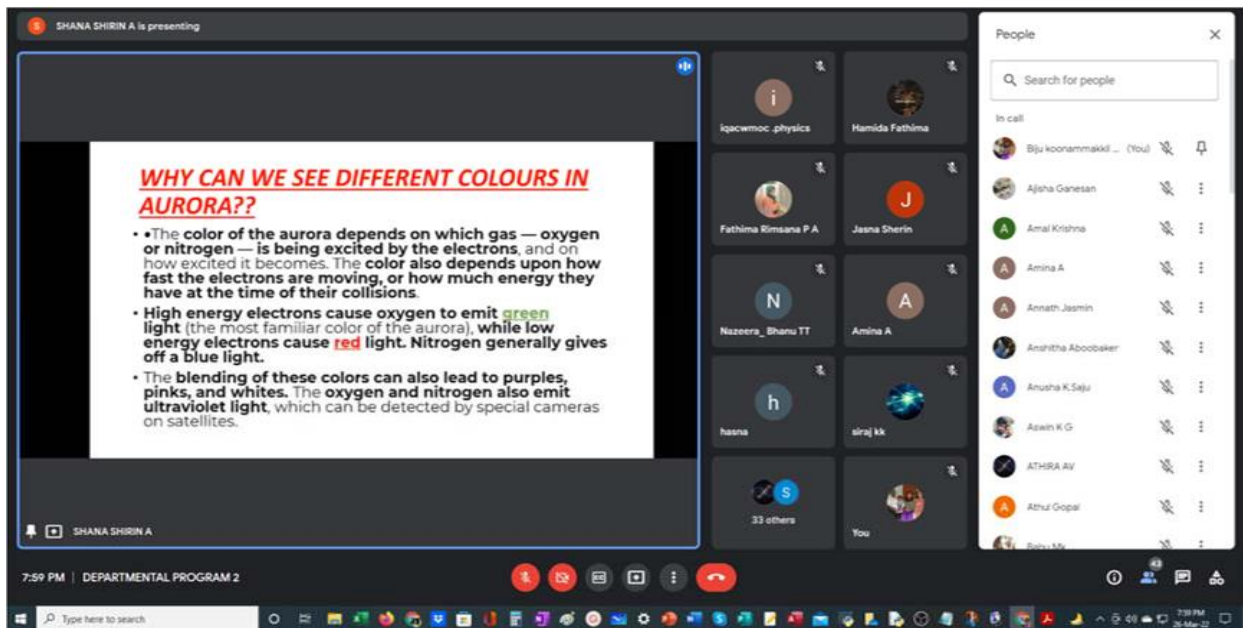

Thanu Padmanabhan Anusmaranam

Department of Physics conducted a program 'Remembering of Tanu Padmanabhan' on 24/09/2021. The resource persons were Dr. Joe Jacob, Newman College, Thodupuzha and Dr. Karthik Rajeev, IACS, Kolkata. The meeting conveyed the contributions of this great scientist to the physics community.

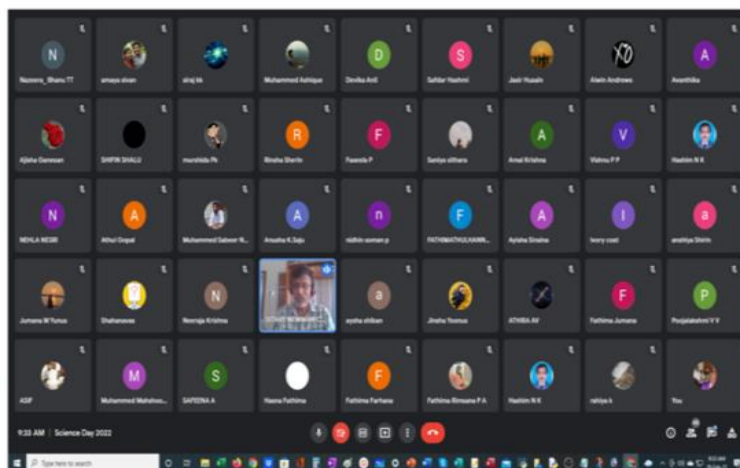

Student Presentations

Department of Physics conducted a presentation program. This program was part of the Student Presentation Series. Ms. Shana Shirin presented a paper on 26/03/2022.

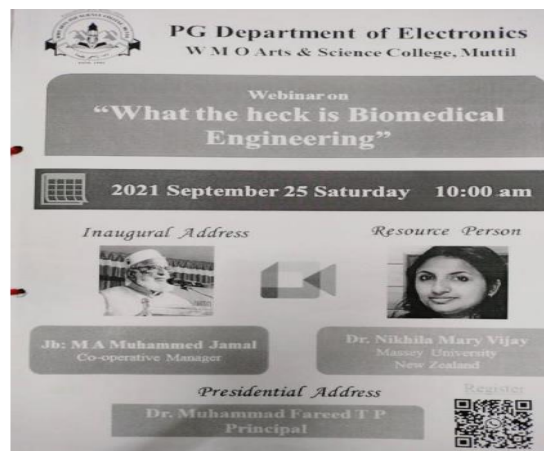

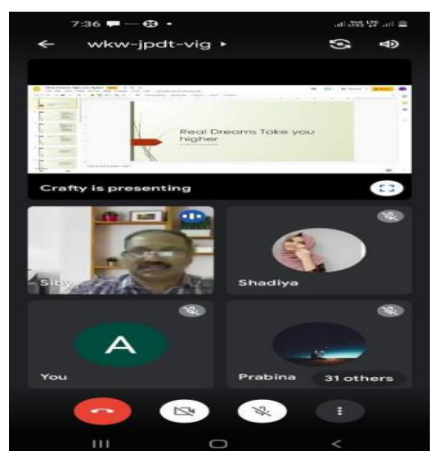

National Science Day

The National Science Day 2022 was celebrated on 28/02/2022, Monday through Google Meet by the department of Physics. Dr. Joe Jacob, Rtd. Prof. Newman College, Thodupuzha, has delivered a talk on 'James Webb Space Telescope' (JWST).

“Real Dream Take You Higher”

An international webinar on “Real Dream Take You Higher” was conducted on 25/06/2021. Mr. Shameer Kandathil, an Alumnus of the department and the Chairman and MD of Delishus, Finland was the resource person. Thirty one students were participated.

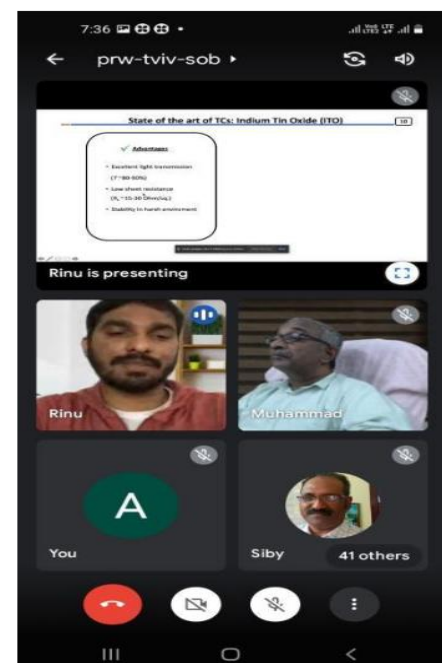

What the heck is Biomedical Engineering?

The department of Electronics organized an International Webinar on “**What the heck is Biomedical Engineering**” on 25/09/2021. An alumnus of the department Dr. Nikhila Mary Vijay presently working at Massey University, New Zealand handled the session. The webinar has given a detailed introduction to biomedical engineering, research trends, applications and career opportunities.

Opportunities and Trends Abroad

The Department of Electronics organized an International Webinar on "**Opportunities and Trends Abroad**" on 19th July 2021. The I Webinar provided participants with valuable knowledge and guidance on pursuing opportunities in the global electronics industry. An alumnus of the department Dr. Jinesh Kallunkathariyil (founder Aison Technologies, Zurich) handled the session. **Dr. Jinesh Kallunkathariyil's** expertise and insights proved instrumental in helping participants understand the various avenues available to them abroad. The event successfully inspired participants to explore international opportunities and broaden their horizons in the field of electronics.

Nanotechnology - Current Trends and Opportunities

The Department of Electronics organized an International Webinar on "Nanotechnology - Current Trends and Opportunities" on 23rd June 2021, specifically tailored for BSc and MSc Electronics students. **Dr. Rinu Abraham M**, a distinguished expert in the field, served as the resource person for the event. He is also an esteemed alumnus of the department.

The webinar aimed to provide students with insights into the latest advancements and potential career opportunities in the field of nanotechnology. He shared his knowledge and experiences, discussing the current trends, research breakthroughs, and applications of nanotechnology. The webinar successfully enriched the understanding of the participants, inspiring them to explore the exciting prospects offered by nanotechnology in their academic and professional journeys.

Certificate Courses

The Department of Electronics offered three certificate courses during the academic year 2021-2022. These courses aimed to provide participants with specialized knowledge and practical skills in various areas of electronics. The courses offered were: House Wiring Techniques, Circuit Simulation PCB Designing and Fabrication using Open-Source Software.

House Wiring Techniques

The certificate course on **House Wiring Techniques** attracted 13 participants. The course focused on imparting knowledge and skills related to electrical wiring systems in residential buildings. Participants learned about the principles of safe and efficient house wiring, cable selection, wiring layout, and connection methods. Practical sessions were conducted to provide hands-on experience in installing electrical wiring and understanding safety regulations. The course successfully equipped participants with the necessary expertise to undertake house wiring projects.

Circuit Simulation PCB Designing and Fabrication using Open Source

The certificate course on **Circuit Simulation PCB Designing and Fabrication using Open Source Software** was conducted twice (started on 24/11/2021 and 6/12/2021) in the academic year 2021-22. A total of 63 students participated in the course. This course aimed to enhance participants' understanding of circuit simulation, PCB designing, and fabrication using open-source software tools. The course covered topics such as circuit analysis, schematic capture, PCB layout design, component placement, and routing techniques. Practical sessions allowed participants to simulate circuits, design PCB layouts, and fabricate their own prototype boards. The course provided valuable hands-on experience and enabled participants to develop skills essential for electronics design and prototyping.

Invited Talk

The Department of English conducted an invited talk for the students of second year BA and First year MA of the department. Mr. Shanavas AK Chief Guest of the program handled the session named as "Mending Minds". He spoke about the importance of mental and physical wellness and also enlightened the students to have a vision in their life.

Panel Discussion

MA English 20-22 batch students organized a panel discussion on gender neutrality on 21-12-2021 Tuesday. Students have been divided into various committees for executing the program

Students Seminar

Second BA students of the department conducted students' seminars on various topics from English Literature. Ameera Diya, Neha Nourin , Adhul Girish, were presented papers .

Ameera Dhiya- Postcolonial Literature theory

Neha Nourin- Psycho analytical theory

Gandhi Jayanthi Program

The department of Hindi organized quiz competition and essay writing competition in connection with Gandhi Jayanthi.

हिन्दी मंच, हिन्दी विभाग,
डब्ल्यू एम ओ कॉलेज , मुट्टिल

Hindi Manch, Department of Hindi, W M O College, Muttil

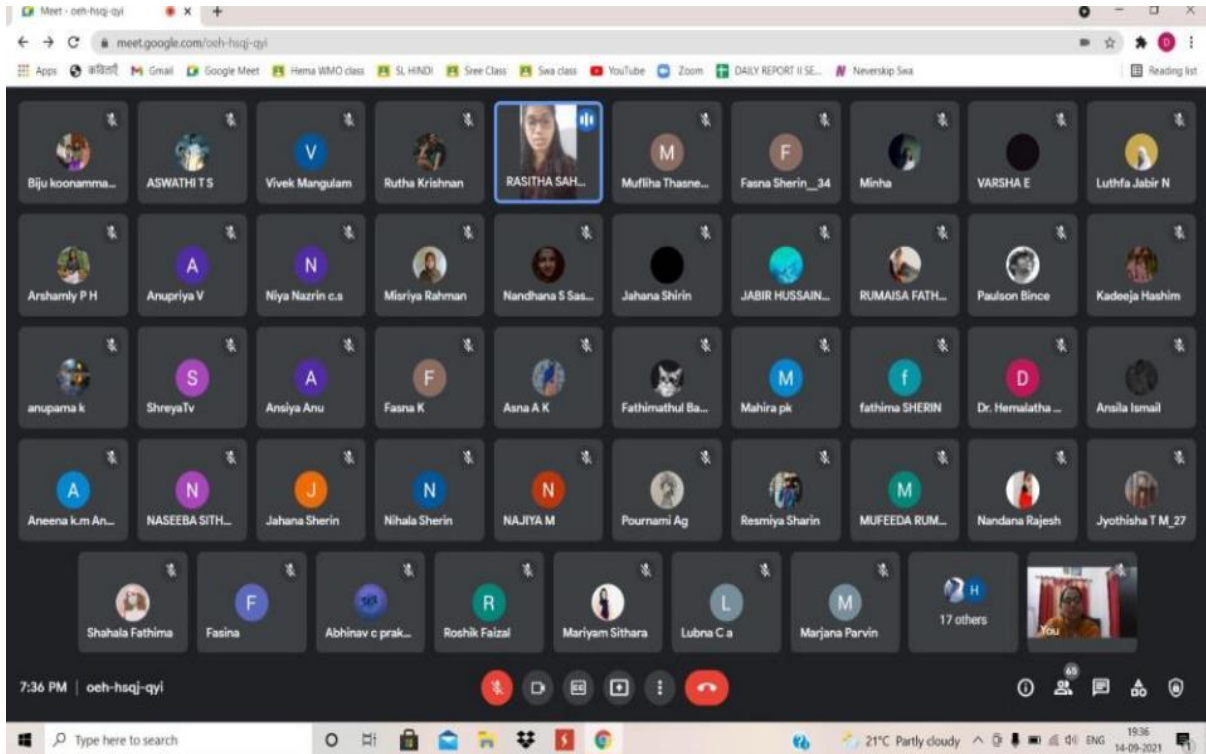

गांधी जयंती कार्यक्रम

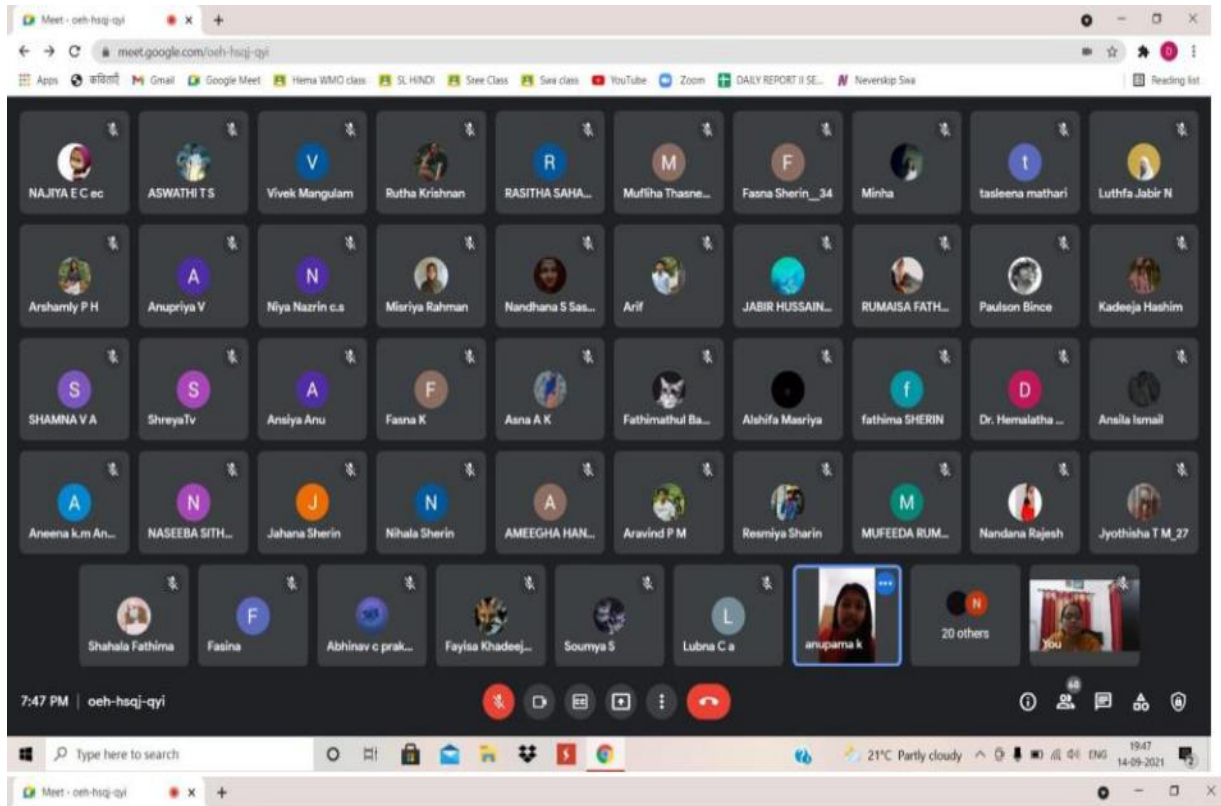

Gandhi jayanti programme

1. प्रश्नोत्तरी प्रतियोगिता
(Quiz competition)

2. निबद्ध लेखन प्रतियोगिता
(Essay writing competition)

2 October 2021

Orientation Program

The department of Bcom CA Conducted an orientation program for first-year students on 03/11/2021 on the topic Life Skills Track 21 by Mr. Anto Jose, Program Manager ASAP

Seminar

The Department of BCOM CA conducted a Seminar in association with Women Cell on Moral, Cultural and Social Values in Family by Mr. Zoya Nazir on 13/12/2021.

Awareness Class

The Department of B com C A conducted a webinar by Mr. Hussain Cheruthuruthy on 29/01/2022 on the topic of Cervical Cancer awareness program

Ecozest 21

As part of Eco zest 21; the Department of Economics conducted a Quiz program on July 23 2021. General Questions relating arts, sports, politics etc. were included.

Book Exhibition

The Youth expo was conducted on National youth day By the Department of Economics. The Program was inaugurated by Dr. Muhammad Fareed Principal of WMO College Muttil. The students of our department collected library books and exhibited in the classroom. A canvas was placed for art works by students. Huge participation was made by students.

Workshop on Book Reviews

Department of Social Work conducted two-day workshop on Reviews (book, film & article) through Google meet platform on 4th & 5th June 2021. Dr.Sukanya Rajan (Research Fellow, NIMHANS) was the resource person. 36 students participated in this session. The workshop on reviews of books, films, and articles was organized to provide participants with a comprehensive understanding of the process and techniques involved in writing effective and engaging reviews. The workshop aimed to enhance participants' critical thinking skills and enable them to construct well-structured and insightful evaluations of various forms of media.

The workshop on reviews of books, films, and articles successfully provided participants with valuable insights into the art of writing effective reviews. Participants gained a deeper understanding of the critical elements involved in analyzing and evaluating various forms of media.

Orientation-Synergy

Department of social work conducted a group work orientation on 10th June 2020 via google meet platform. Ajmel Habib, Case worker, KAVAL project DCPU, Malappuram was the resource person. Group work orientation plays a crucial role in the development of social work students' skills and competencies. It provides them with the necessary foundation to effectively engage in group interventions and collaborate with diverse populations. This report aims to explore the importance of group work orientation for social work students and highlight key elements that contribute to their understanding and proficiency in this area.

Group work orientation is a fundamental component of social work education, providing students with the necessary skills and knowledge to engage in group interventions effectively. By understanding group dynamics, developing communication skills, considering ethical considerations, and fostering self-awareness, social work students can become competent and empathetic group facilitators, promoting positive change and empowerment within diverse populations.

Awareness Campaign

Let's Talk is a campaign conducted by Social work department in association with Women and Child Department, Government of Kerala on 12th June 2021 in online platform. The session revolved on awareness about non-communicable diseases and public health. Ms.Shakira Sumaiyya, NCD Dietitian of General Hospital Kalpetta interacted with students.76 students participated in the session.

Discussion on Dalit Movements in India

Department of social work conducted a Discussion on Dalit Movements in India on 14th June 2021 through online platform. Social Activist, Mr.Dhinu Veyil was the resource person.45 students participated in the session. The programme discussed various human rights violation and mass movements against the discrimination against Dalit community in various parts of country. he discussion on the Dalit movement in India has been a topic of significant importance and debate. The Dalit movement aims to address the historical and systemic discrimination faced by Dalits, who belong to the lowest caste in the Indian caste system.

One key aspect of the discussion revolves around the historical context of Dalit oppression and the fight for social justice. Dalits have historically faced various forms of discrimination, including untouchability, restricted access to public resources, and limited opportunities for education and employment. The Dalit movement seeks to challenge these oppressive structures and advocate for equal rights and opportunities for Dalits.

Seminar on Overview of Counseling

Department of social work conducted a seminar on overview of counseling on 3rd July 2021 through Google meet platform. Ms. Veena Suresh, Assistant Professor, of Department of Social Work, Amrutha Viswa Vidyapeedam Kollam was the resource person. 24 students participated in the session. The seminar on the "Overview of Counseling" was conducted with the aim of providing participants with a comprehensive understanding of the field of counseling. The event brought together professionals, students, and individuals interested in learning more about counseling and its various aspects. The seminar covered a wide range of topics related to counseling, including its definition, theoretical approaches, practical applications, and ethical considerations. The seminar served as a platform for knowledge sharing and networking among professionals and students interested in the field of counseling.

Workshop on CBR

Department of social work conducted a workshop on CBR(Community Based Rehabilitation)through google meet platform on 25th june 2021.Mr Raheemudheen PK clinical psychologist, Government Mental Health Centre, Thrissur took the session. 39 students participated in the session. The workshop on Community-Based Rehabilitation (CBR) was organized with the aim of promoting inclusive and sustainable development for people with disabilities in our community. The event brought together a diverse group of participants, including healthcare professionals, social workers, educators, community leaders, and individuals with disabilities.

The workshop on Community-Based Rehabilitation provided a valuable platform for knowledge sharing and collaboration among stakeholders invested in disability inclusion. By fostering a deeper understanding of CBR principles and best practices, the workshop aimed to empower participants to initiate and sustain inclusive development in their respective communities.

Orientation-Synergy

Department of social work conducted a group work orientation on 23rd September 2021 through Google meet platform .Mr. Arshil PC, a social worker and trainer coordinated the session. 55 students participated in this program. Group work orientation is a fundamental component of social work education, providing students with the necessary skills and knowledge to engage in group interventions effectively. By understanding group dynamics, developing communication skills, considering ethical considerations, and fostering self-awareness, social work students can become competent and empathetic group facilitators, promoting positive change and empowerment within diverse populations.

Department of Social Work
WMO Arts and Science College, Muttill, Wayanad

Induction Program

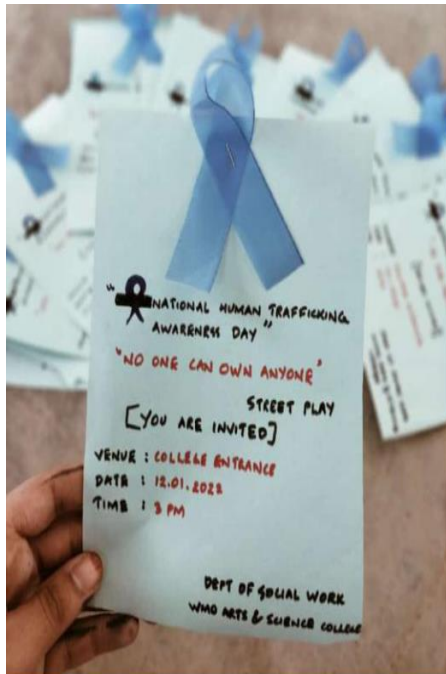

Department of social work conducted a two days induction program on Master's Degree in social work on 22nd and 23rd December 2021. The program handled by Mr. Shibu Kurumbemadam, Director of MANNU Rural Science and Technology Research Centre .

Awareness Program

Department of social work conducted a National Human Trafficking Awareness Day Observation on 11th January 2022. Dr Muhammed Fareed, principal of WMOC was the resource person. The primary goal of National Human Trafficking Awareness Day is to emphasize the significance of eradicating human trafficking, both domestically and globally. It seeks to empower individuals to recognize the signs of trafficking, understand the tactics used by traffickers, and take action to help victims and survivors.

Through widespread awareness efforts, people are encouraged to learn about the various ways they can get involved, such as supporting anti-trafficking organizations, volunteering, advocating for policy changes, and reporting suspicious activities to authorities. The day also aims to foster collaboration among law enforcement agencies, social service providers, and communities to effectively respond to cases of human trafficking.

Awareness Program

Department of social work conducted a program based on World day of Social Justice on 21st February 2022. Mr. Shamshad Marakkar, District panchayath President, Wayanad Inaugurated the programme. It is a day designated by the United Nations to promote social justice and address issues such as poverty, inequality, and discrimination around the world. On this day, various activities, events, and campaigns are organized to raise awareness about social justice and encourage individuals, organizations, and governments to take action.

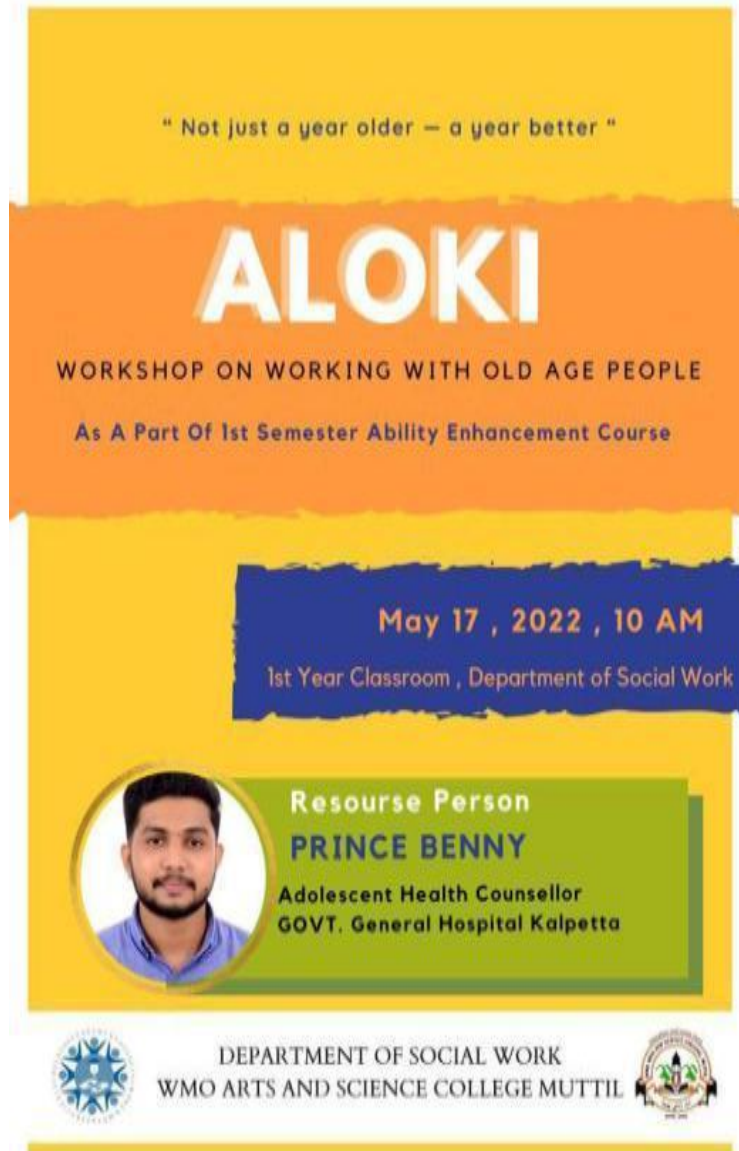

Film Festival

Department of social work conducted a film festival, Chayam based on International Women's Day observation on 8th March 2022. Dr Muhammed Fareed, Principal of WMOC inaugurated the programme. The programme was successful in creating an awareness about the traces of gender inequality in the contemporary society. Films 'Lunch box' and 'Dukhtar' was shown in festival and conducted discussion on it.

Workshop-ALOKI

Department of social work conducted a workshop on working with old age people on 17th may 2022. Mr Prince Benny was the resource person of the programme. Programme focused on imparting knowledge about the role and functions of social work in geriatric setting.

Film Festival and Awareness Campaign

Department of social work conducted a program named Celluloid on 8th March 2021. The program include, Film festival and Awareness campaign on women protection. Adv. Glory George was the resource person. 268 members participated in the program. She interacted with the students on the topic of "women's right and gender equality.

Induction Programme

The Department of Arabic organized five day induction program for freshers on 5th -9th November 2021. Horizon, Adorn, Palestine.

Invited Talk

The department of Mathematics conducted an Online Lecture series on 'Pathway through Differential Geometry' was conducted for postgraduate students of Mathematics during 18-01- 2022 to 11-02-2022. **Mr. Arunkumar C S, Kerala School of Mathematics** was the Resource person. An Exploratory talk on '**Mathematics and Music**' was conducted on 6-9-2021 by Ms. Avina V, II MSc Mathematics through Google Meet.

Reparametrization of a curve.

A curve $\tilde{r}: (\tilde{\alpha}, \tilde{\beta}) \rightarrow \mathbb{R}^n$ is called a reparametrization of the curve $r: (\alpha, \beta) \rightarrow \mathbb{R}^n$ if \exists a smooth bijective function $\phi: (\tilde{\alpha}, \tilde{\beta}) \rightarrow (\alpha, \beta)$ such that $\phi^{-1}: (\alpha, \beta) \rightarrow (\tilde{\alpha}, \tilde{\beta})$ is also smooth and $\tilde{r}(\tilde{t}) = r(\phi(\tilde{t})) \quad \forall \tilde{t} \in (\tilde{\alpha}, \tilde{\beta})$

Manuscript Magazine

Students of the department bring out manuscript magazines every year from 2010 onwards. Due to the pandemic induced situation, the magazine for the year 2020-21 'വസന്തം ഇങ്ങനെയായാൽ പൂക്കളെ ാട്ളപാലം ഞങ്ങൾ കലഹിച്ച ഉപാകം' was published as E-magazine on 5-8-2021. Sri Kalpetta Narayanan released the E-Magazine and delivered the inaugural address. Mr Ajnas P and Ms Anu K Basheer are the student editors of the magazine for the year 2020-21.

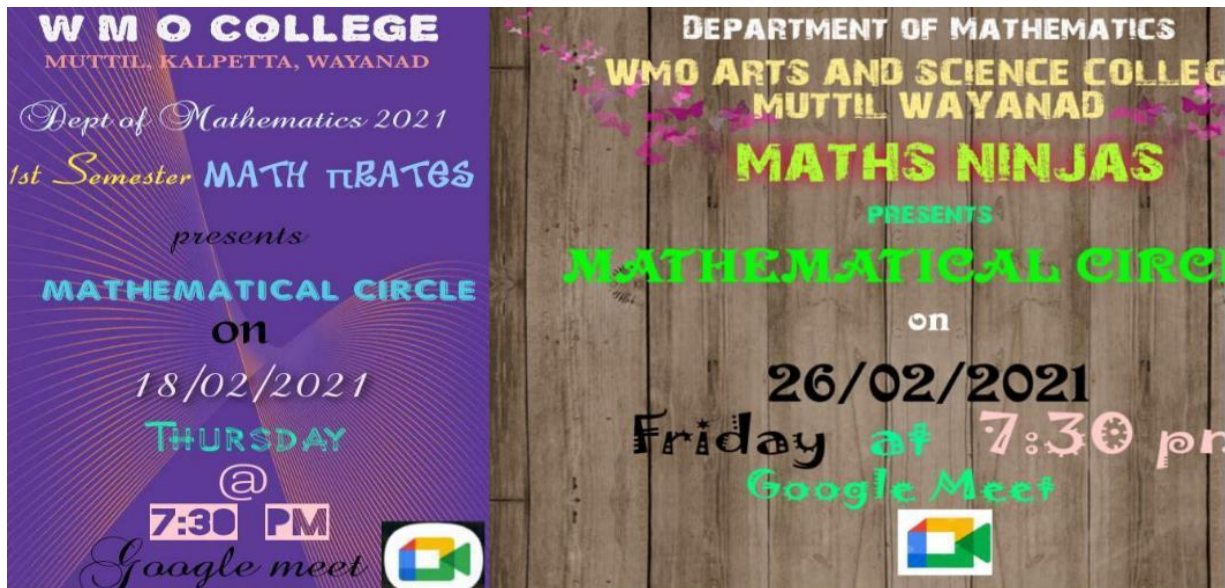

National Mathematics Day

Observing National Mathematics Day, various programs were conducted on 22-12-2021 under the title MAGMA- 2021 by Mathematics department. Dr. Muhammed Fareed T P, Principal W M O Arts and Science College inaugurated the program. The Programmes included exploratory talks by students, Slide presentations, quizzes, Mathematical puzzles, and games.

The Mathematical Circle

Mathematics department formed a Mathematical Circle which is a platform designed to experience the challenges and thrills of Mathematics. It helps students to pose and solve non-routine problems and do Recreational Mathematics. Students of Dept. of Mathematics are divided into groups, and they lead meetings of the Mathematical Circle performing various events like Exploring new mathematical ideas, Mathematical games and puzzles, short math quizzes, Math magic, problem contests, etc. A total of 7 online meetings and one offline meeting of the Circle were conducted during the year 2021-22.

Mathematical Problems Contests

A total of 6 mathematical problems contests were conducted during the year.

Sarang M J, Basil Eldho, Aleena K, Munavvira P M, Naseeba Sithara and Devika Jayaprakash were the winners.

Ability Enhancement Program

To enhance the abilities of postgraduate students, a series of presentations were conducted during December 6-7, 2021. Eighteen students presented on various topics and it could develop their analytical, communication, and presentation skills and build their confidence. The presentations were interactive with students and teachers asking questions. The presentations had a positive impact on the students as they provided an opportunity to showcase their talents and skills. Students submitted reports of their presentations and necessary suggestions were put forward by concerned faculty to improve their quality of writing.

Induction Programme and Entry Level Test

The department of Mathematics conducted an induction program for 1 MSc Mathematics students was conducted from 10-12-2021 to 22-12-2021 using online platforms. An Entry level test for 1 MSc Mathematics students was conducted on 7-01-2022.

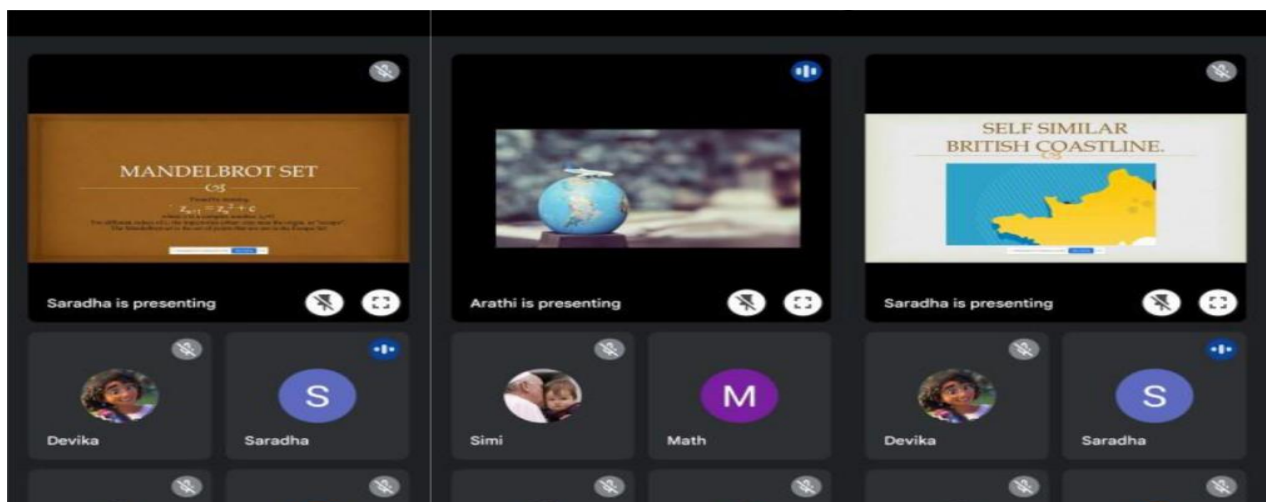

Orientation Program

The department of Mathematics conducted an Orientation program for I Year BSc Mathematics Students in association with Triz learning App on 20-1-2022.

Students' Presentations

As part of imparting **Certificate Course on Recreational Mathematics**, department of Mathematics organized student presentations on December 2021 through Google meet. The talks were on exploratory topics in mathematics.

Observance of Pi Day

The Pi Day celebrations (Ludolphian 2022) were co-ordinated by I MSc Mathematics students on 14 - 3- 2022. The programs were inaugurated by Mr. Siby Joseph, Associate Professor and Head, Dept of Electronics. Saradha S of I BSc Mathematics delivered a talk on the 'Importance of Pi'. A Puzzle corner was set up near Athimarachuvadu for students of other departments. An interdepartmental Treasure hunt was conducted in the campus. Students of II year B Com Computer Applications won the first prize and cash award.

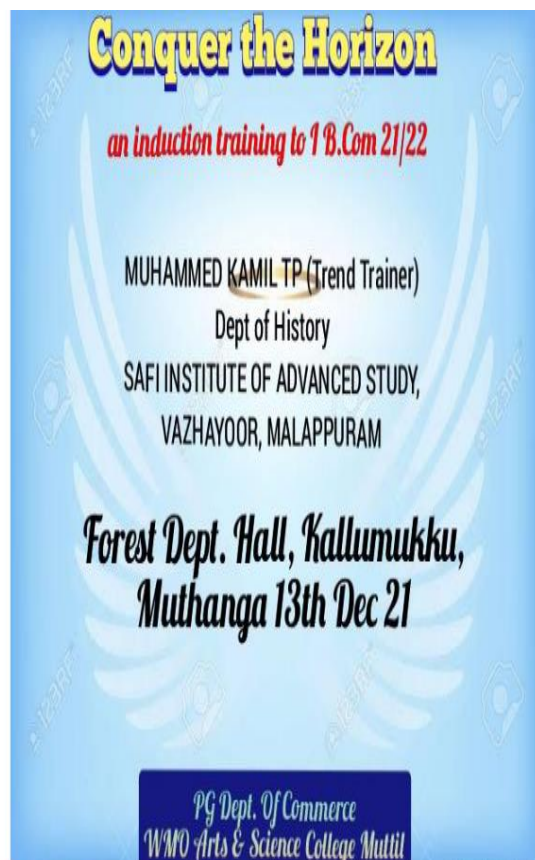

Circle Meet

A get together of staff and students of the department and Circle meet for freshers was conducted on 21-11-2021 to congratulate achievers of the department and welcome the freshers. **Farewell meet** was organized by second year students on 24-05-2022. Students and teachers shared their memories and some cultural events were carried out.

Conquer the Horizon

Department of Commerce CO-Operation conducted an Induction program for the First year B com students (2021-2022 batch) with conscious and accurate information to make them more comfortable in their study. Program conducted on 13th December 2021 at forest training center at Kallur, Wayanad. There were two sessions conducted as part of the induction Programm. The First session of the program handled by forest officer and the second session handled by Muhammed Kamil (Assistant Professor, Safi College of Advanced studies, Calicut). 67 students were attended the classes.

Orientation Programme

The department of Chemistry conducted an orientation programme for first year UG students entitled 'Thus you Grow' on 5th November 2021. Resource person was Dr. A.S. Maheswari, Head of the research department of zoology, SRC, Trichy.

Statistics Colloquium Inauguration

The department of Statistics organized an online formal inaugural session on 6th July 2021. It was inaugurated by Dr.M.Nasser, Hon.Pro-Vice-Chancellor, University of Calicut. Ms.Ashwini, Sr.Researcher, Dept of Statistics, University of Helsinki, Finland handled the session of “Biostatistics & its application to Pharma sector”.

11am

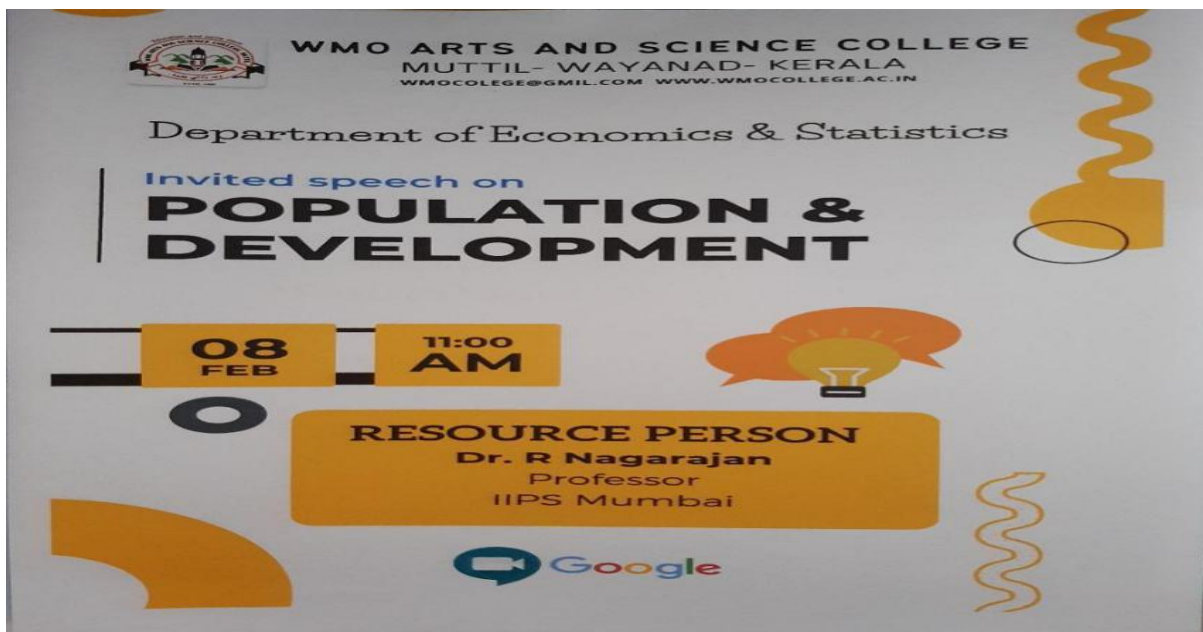

Colloquium

The Statistics department conducted an online statistical colloquium on the topic “Philanthropic responsibility of college students” on 31st January 2022. The session was handled by Mr. Muhammed Suhaib M, Project Coordinator, Thanal, Kozhikode.

Colloquium

The Statistics department conducted an online statistical colloquium on the topic "Population & Development" on 8th February 2022. The session was handled by Dr. R. Nagarajan, Prof. IIPS Mumbai.

Environmental seminar

The department of Arabic conducted an environmental seminar “ENVIRONMENTAL ELEMENTS IN ARABIC LITERATURE” on 5th June 2021. Resource person was C.R. Neelakandan, environmental activist. 160 students attended the seminar.

National Leaders' Workshop

Department of Arabic organized national leaders' workshop on 9th October 2021 at WMO HRD Centre Muttill. The program was inaugurated by M. A. Muhammed Jamal. Professors of various Universities and colleges participated

Invited Talk

The department of Arabic conducted an invite talk “ADORN YOUR PERSONALITY” for second year’s students on 25th November 2021. Mr. Shanvas A K (life coach and motivational speaker) interacted with students.

Bridge Course

All departments in W.M.O College provided a bridge course for the first year student. One of the reports given below.

Department of Statistics

Post Graduate Department of statistics introduced a bridge course in the name of Preparatory Courses in Statistics and Mathematics. The course was designed for the first-year students of MSc Statistics with the purpose of giving foundational knowledge in Mathematics, Statistics and Communication skills. The course covered essential topics such as statistics definitions, data sources and types, graphical representation, descriptive statistics, moments, skewness, kurtosis, index numbers, correlation, regression, time series, differentiation, integration, complex numbers, Laplace transformation, Fourier series, linear algebra, and communication skills.

The Department conducted entry level test for newly admitted students based on the curriculum of their qualified courses. Slow learners are identified first through the marks obtained in the entry level tests and by taking feedback from the students. The tutor conducts discussions with their wards to identify students who have learning disabilities and those who are slow learners. Such students are given bridge courses and remedial coaching by the concerned teachers. Tutors give individual attention to slow learners and their progress is monitored and recorded. Peer learning is also encouraged to support slow learners. Teachers provide lecture notes and other learning supplements for students to comprehend the topic taught.

Certificate Course

LIST OF CERTIFICATE COURSES OFFERED DURING THE ACADEMIC YEAR 2021-22

Sl No	Name of Add on /Certificate programs offered	Course Code	Department	Course Coordinator	Year of offering	No. of times offered	Remark
1	Communicative English	WMENG1	English	Muhsina V	2021-2022	1	Verified Syllabus and Objectives
2	Hardware assembling and Software Installation	WMCS1	Computer Science	Johnson AJ	2021-2022	1	Verified Syllabus and Objectives
3	Basics of Flutter	WMCS2	Computer Science	Rasheed NK	2021-2022	1	Verified Syllabus and Objectives
4	Office Management	WMCOM1	Commerce	Muhammed Rafi N	2021-2022	1	Verified Syllabus and Objectives

5	House hold wiring	WMELE1	Electronics	Abdul Rasheed	2021-2022	1	Verified Syllabus and Objectives
6	Circuit Simulation & PCB Designing	WMELE2	Electronics	Abdul Rasheed	2021-2022	1	Verified Syllabus and Objectives
7	Video Editing	WMMAS1	Mass Communication and Journalism	Aswin P	2021-2022	1	Verified Syllabus and Objectives
8	Detergent and Hand sanitizer making	WMCHE1	Chemistry	Dr. Thomas Thevara	2021-2022	1	Verified Syllabus and Objectives
	Environmental chemistry						
9	Environmental chemistry	WMCHE2	Chemistry	Dr. Thomas Thevara	2021-2022	1	Verified Syllabus and Objectives
10	General fitness	WMPH1	Physical Education	Suhail PH	2021-2022	1	Verified Syllabus and Objectives
11	Recreational Mathematics	WMMAT1	Mathematics	Mini C	2021-2022	1	Verified Syllabus and Objectives
12	Basics of Astronomy	WMPHY1	Physics	Biju KG	2021-2022	1	Verified Syllabus and Objectives

13	Non Conventional Energy sources	WMPHY2	Physics	Biju KG	2021-2022	1	Verified Syllabus and Objectives
14	Statistical package for social sciences (SPSS)	WMST1	Statistics	Shakeelul Rahman APC	2021-2022	1	Verified Syllabus and Objectives
15	Advanced Programming in R	WMST2	Statistics	Dr. N. Raju	2021-2022	1	Verified Syllabus and Objectives
16	Tally Prime	WMCOM2	Commerce CA	Praveen Mathew	2021-2022	1	Verified Syllabus and Objectives
17	Statistical Data processing and Analysis.	WMEC1	Economics	Athira Jose	2021-2022	1	Verified Syllabus and Objectives
18	Basic communication skills in Arabic	WMAR1	Arabic	Asil Kalathingal	2021-2022	1	Verified Syllabus and Objectives
19	Arabic DTP with Translation	WMAR2	Arabic	Muhammed Sayeed MK	2021-2022	1	Verified Syllabus and Objectives
20	Research methodology	WMMSW1	MSW	Rija Rappai	2021-2022	1	Verified Syllabus and Objectives

21	LED assembling and repairing	WMELE7	Electronics	Abdul Rasheed	2021-2022	1	Verified Syllabus and Objectives
22	Scientific writing in LATEX	WMPHY3	Physics	Dr. Sirajudheen KK	2021-2022	1	Verified Syllabus and Objectives
23	Disaster management	WMMSW2	MSW	Mr. Abdul Nizar M M	2021-2022	1	Verified Syllabus and Objectives
24	Technical writing with LATEX	WMMAT2	Mathematics	Ms. Drishya T Das	2021-2022	1	Verified Syllabus and Objectives
25	News paper publication	WMMAS3	Mass Communication and Journalism	Ms. Greeshma John MJ	2021-2022	1	Verified Syllabus and Objectives
26	Basics of photography	WMMAS4	Mass Communication and Journalism	Mr. Aswin P	2021-2022	1	Verified Syllabus and Objectives
27	Communicative Hindi	WMHIN1	Hindi	Ms. Rasitha Sahadevan	2021-2022	1	Verified Syllabus and Objectives

28	Communication & correspondence in Malayalam	WMMAL1	Malayalam	Mr. Shyju PK	2021-2022	1	Verified Syllabus and Objectives
