

WMO ARTS AND SCIENCE COLLEGE, MUTTIL

The mechanism for submission of Grievances

WMO Arts and Science College, Muttil Wayanad, provides a safe and inclusive learning environment for all its students, faculty, and staff. To ensure the well-being of its members and address their grievances effectively, the college has established several statutory bodies, including the **Anti-Ragging and Discipline Committee, Grievance Redressal Cell, SC&ST Cell, Minority Cell, and Women Cell, and Internal Complaint Committee**. Each of these bodies plays a vital role in fostering a conducive atmosphere for learning and personal growth within the institution. The college has also taken proactive measures to facilitate easy access for students to reach the concerned cells with their concerns by **providing links on the college website**.

Anti-Ragging and Discipline Committee: The Anti-Ragging and Discipline Committee is committed to eliminating ragging in all its forms and maintaining a disciplined campus environment. The committee conducts regular awareness sessions for both new and existing students, educating them about the harmful consequences of ragging. It ensures that anti-ragging posters issued by UGC and the Government are displayed prominently across the campus to discourage any form of ragging. The committee takes prompt and stringent action in response to reported ragging incidents, adhering to UGC regulations and applicable laws. During the admission process, incoming students and their parents are required to sign affidavits affirming their awareness of anti-ragging policies and their commitment to comply with them. Additionally, the committee provides a dedicated link on the college website for students to file complaints related to ragging anonymously. Regular meetings are conducted to assess the effectiveness of the committee's initiatives and plan further improvements.

Grievance Redressal Cell: The Grievance Redressal Cell is responsible for addressing and resolving complaints and grievances raised by students and faculty members. It conducts orientation programs and informational sessions to ensure that all members are aware of the existence and functioning of the cell. The committee convenes periodic meetings to discuss received grievances, identify common issues, and implement appropriate solutions. Swift and effective redressal of grievances is a priority for the cell, and all complaints are thoroughly investigated and resolved within a reasonable timeframe.

SC/ST Cell: The SC&ST Cell focuses on providing support and assistance to students from Scheduled Caste (SC) and Scheduled Tribe (ST) communities. It regularly informs SC&ST students

and their parents about various government schemes, scholarships, and benefits available to them. The cell offers guidance and support to SC&ST students, helping them overcome any academic or social challenges they may face.

Minority Cell: The Minority Cell is dedicated to the welfare of students belonging to minority communities. It conducts awareness programs to educate minority students about available resources, opportunities, and scholarships. The cell also organizes various socio-cultural events that celebrate the diversity of minority communities and promote a sense of belonging.

Women Cell: The Women Cell plays a crucial role in promoting gender equality, creating a safe and supportive environment for women, and addressing issues related to gender discrimination and harassment. It strives to create an inclusive environment that promotes gender equality, empowering women to actively participate in all aspects of academic and institutional life. The Cell conducts various awareness campaigns, workshops, and training sessions to sensitize students, faculty, and staff about gender-related issues, women's rights, and the importance of creating a respectful and inclusive atmosphere. The Women Cell offers guidance and support to women in need, providing them with a platform to voice their concerns, seek advice, and access resources. It aims to enhance the overall well-being and personal growth of women in the institution.

Internal Complaint Committee: The Internal Complaint Committee and Women Cell ensure the welfare and safety of female students and staff members. It conducts awareness programs and workshops on gender sensitization, women's rights, and safety measures for women. ICC has provided a complaint box at the campus to collect the concerns of the girls if any, the cell encourages and supports the participation of women in various academic and extracurricular activities, empowering them to achieve their full potential. It also addresses complaints related to harassment or discrimination against women and takes appropriate measures to ensure a safe and respectful environment for all.

The statutory bodies at WMO Arts and Science College, Muttill Wayanad, actively contribute to fostering a conducive and harmonious campus environment. Through their various activities and initiatives, they strive to create a secure and inclusive space where all members can thrive and achieve their academic and personal goals. The college remains committed to upholding the principles of equality, safety, and discipline, ensuring the overall well-being and growth of its students, faculty, and staff.
