**2021-22 Academic year**

Name of the Department : PHYSICS  
Name of the faculty : Neeraja Krishna  
Semester : 3  
Semester period : June to November  
Name of the Paper : Mechanics  
Total number of hours as per syllabus : 36  
No. of modules : 5

The plan was 90% successful. Some of the students were not attending the internal exams and submitted the assignments on the given date. There were some difficulties in conveying the module Relativity to students.

## Teaching & Learning Evaluation Report 2021-22

Name of the Department : PHYSICS  
Name of the faculty : Hashim NK  
Semester : V  
Semester period : 1/08/2021 to 15/11/2021  
Name of the Paper : Quantum Mechanics  
Total number of hours as per syllabus : 54  
No. of modules : 3

The plan was successful and helpful for covering the entire syllabus within a given period of time. Some of the students(NCC Cadets) were not able to attend the internal exam on time and did not submit their assignments. An extra internal exam was conducted to improve the internal scores and to accommodate absentees of the first two exams.

3. Semester : VI
4. Semester Period : 01-11-2021 to 31-03-2022
5. Name of the Paper : Thermodynamics

The whole contents in the syllabus were completed within the prescribed period. The teaching methods indicated in the semester plan were followed during the teaching process and three assignments were given through Moodle, WMO e-space. Three unit tests and one viva voce were conducted to evaluate the expected outcome of each student.
