PARENTAL FEEDBACK

2020-21

The parents of the students are keen on the studies and moral health of their children. Many parents take good care in giving creative and suitable feedback on various factors related to the curriculum. The Institution collects feedback from parents during meetings of the PTA Council as well as in the Department-wise class PTA meetings. The feedback format is formulated to analyse the (1) Teaching and Learning Process, (2) Teacher-student relationships, (3) Infrastructure, (4) Conduct of Examinations, (5) Library and availability of resources, (6) General Administration of the college, (7) Student support programs, (8) Promotion of Co-curricular activities, and Programs for integral development.

The parental feedback is collected in the form of a questionnaire with a four-grade rating scale. Most of the parents are happy with the course content but some believe the workload on students is heavy, and they must go through the syllabus in a rush before the examination.

Parents expressed their appreciation for the sincere efforts of the college to prioritize student safety during the ongoing COVID-19 pandemic. The following suggestions, needs, and requirements are being raised in various class PTA meets at the beginning of Offline classes.

- Ensure masks and sanitizers.
- Learning difficulties in the online system were pointed out.
- Suggested strengthening of counselling.
- Provide Hostel facilities to Boys and Girls after proper sanitization of the things.
- More intervention in COVID-related issues.

The feedback collected from the parents shows that the college was able to meet the requirements of students and they are satisfied with the system existing in the college.

Actions are taken on the suggestions and feedback from parents during class PTA meetings:

1. Decided to start offline classes accordingly, as per the approval from Health Department and the State Government.

2. Made necessary arrangements to Clean and Sanitize the whole college building. Reported the Office of Fire and Safety, Kalpetta to disinfect classrooms

3. Signboards and posters were pasted all over for giving precautions and awareness to students about   COVID-19 infections

4. Decided to wait for the Government order to open hostel facilities. The Boy's hostel was functioning as a COVID care centre, taken over by the Department of Health, Kerala State.

5. Ensured usage of masks by students and sanitizers were made available, wherever necessary

6. Decided to rely more on the offline system, to avoid issues related to online classes. The classes were conducted in a hybrid mode according to the requests and demands of students.
