### HIGHLIGHTS

- Internal Quality Assurance Cell (IQAC) is to develop a system for conscious, consistent, and catalytic improvement in the overall performance of the institution. The IQAC aims.
- IQAC operates to achieve the vision and mission of the college.
- The IQAC body is constituted by the college, including all stakeholders, as per the prescribed norms.
- In 2023-24, the focus mission of IQAC was to complete the NAAC accreditation process and achieve a high grade, which has been successfully accomplished. Additionally, the processes of AISHE, NIRF, and KIRF were also completed successfully
- Each department prepares an academic calendar and semester plans at the beginning of the academic year.
- IQAC monitors the teaching-learning process and implements strategies to enhance teaching, evaluation, research, and development.
- Bridge courses are offered for all undergraduate and postgraduate students.
- Each department conducts certificate courses in various subjects.
- Training programs are conducted for both faculty members and non-teaching staff.
- E-Governance is implemented in admissions, accounting, and student attendance management.
- IQAC promotes extension activities benefiting students and other stakeholders.
- Efforts are made to secure scholarships and foreships for students from government and other sources.
- Departments are encouraged to organize webinars and other online activities relevant to their subjects.

- 
- Faculty members are encouraged to actively participate in the Four-Year Undergraduate Program (FYUGP), syllabus-making workshops, and textbook preparation.
  - Faculty members are supported in engaging with research activities.
  - IQAC initiates remedial measures for energy savings.
  - Efforts are made to enhance infrastructure, including the development of seminar halls and auditoriums.
  - Students are actively involved in extracurricular activities, including sports, arts, and state/national level competitions.
  - Internal academic audits are conducted in all departments to assess and improve quality initiatives.
  - Student feedback is collected, analysed, and used to take appropriate action for improvement.
  - Faculty members are encouraged to participate in online seminars and workshops.
  - IQAC oversees the conduct of internal examinations to ensure compliance with university regulations.
  - Mentors maintain regular communication with students via phone and other platforms to address their concerns.

## FEEDBACK PROCESSES OF THE INSTITUTION

The college promptly collects and assesses the feedback from its stakeholders viz parents, alumni, students, teachers and employers. A format is prepared and distributed among all the stake holders on different occasions. In addition to the feedback on curriculum, feedback on the Institution on the teaching-learning process, facilities provided, and student support programmes are also collected from the stakeholders. IQAC consolidates the feedback report, holds discussions among the faculty members, and communicates it to the authorities concerned.

### Parental Feedback

The parents of the students at this college are keen on their children's studies and mental health. They take good care in giving creative and suitable feedback on various factors related to the curriculum. The Institution collects feedback from parents during annual PTA meetings as well as in the Department-wise class PTA meetings. The feedback format is formulated to analyze the Teaching and Learning Process, Student support programmes, Promotion of Co- curricular activities, Teacher-student relationships, Library and availability of resources, General Administration of the college, Conduct of Examinations, Infrastructure, and Programmes for integral development. The parental feedback is collected in the form of a questionnaire with a four-grade rating scale. Most of the parents are happy with the course content, but some believe the workload on students is heavy, and they must go through the syllabus in a rush before the examination. Also, the parents requested the introduction of uniforms to ensure uniformity among the students of all classes. So, the college took up the task of distributing uniforms to

the students, and this has fixed a proper dress code for the students.

### **Alumni Feedback**

Feedback from Alumni is usually taken through google forms or using alumni feedback forms during departmental alumni meetings to evaluate the learning atmosphere provided to the students. They assess the quality of teachers, promotions of co-curricular and extension activities, general administration of the college, admission procedure, library, supporting services & other infrastructural facilities. Necessary actions are taken according to the consolidated feedback

report.

### **Teachers Feedback**

Feedback was duly collected from teachers also. As a community that keeps in touch with the different syllabus revisions and the student standards from time to time, the most expert and creative suggestions were obtained from them. It is notable that teachers from most of the departments were satisfied with the density of the curriculum offered by the university.

### **Students' satisfaction survey**

The feedback from the students is taken during the final semester of the program, as it enables them to provide an authentic opinion of their experiences that would benefit the succeeding batches. The questionnaire includes various components of the campus, like coverage of portions syllabus and availability of study materials applicability or relevance to real-life student support programs, perspectives on classroom atmosphere learning opportunities, and certificate courses.

### **Employers feedback**

As part of the professional exercise, IQAC collects feedback at random from employers of Alumni regarding the employability skills like the Ability to work in a team, Communication Skills, Willingness to follow the code of conduct of the workplace, Time management, Ability to use and adapt to new technologies, Ability to respond positively to criticisms, Problem-solving skills, Ability to take the initiative, and Ability to motivate subordinates/students.

The feedback collected from various stakeholders is consolidated, analyzed, and acted upon,

## ALUMNI ACTIVITIES

### Old Students Association of W M O College (OSAWC)

Old Students Association of W M O College (OSAWC), The **Alumni Association** continues to engage and support the college community through a variety of enriching activities. With the goal of maintaining strong ties between the institution and its former students, the association facilitates professional growth, networking, and academic inspiration. This report highlights some of the key alumni-driven initiatives and events organized during the academic year 2023-2024.

#### 1. Alumni Meet-ups

Regular **Alumni Meet-ups** provide a platform for former students to reconnect with their peers and professors, creating a space for professional networking and collaboration. These events have allowed alumni to share their expertise with the wider community and foster connections that extend across industries and borders.

#### 2. Guest Interactions and Knowledge-sharing

Throughout the year, OSAWC facilitated numerous interactive sessions with alumni who returned to impart knowledge and expertise to current students.

- **ROLLENBILD Series (27/09/2023):** The second session of the **ROLLENBILD series** featured **Mr. Asil Kalathingal**, an alumnus from the Department of Arabic. He engaged with 34 students and faculty members from the English Department in an insightful session. The event was welcomed by **Ms. Muhsina V** (Assistant Professor, Department of English) and presided over by **Mr. Noufal Muneer** (Head of the Department of English).
- **Theatre Workshop – NAVARASA (04/09/2023):** **Mr. Nanda Kishore A**, an alumnus from the Department of Mass Communication, conducted a **theatre workshop** for Mass Communication students. The workshop focused on various aspects of acting, including movement, voice modulation, improvisation, and stage knowledge. The 20 participants were encouraged to develop their creativity and performance skills through hands-on exercises.
- **E-Training Sessions (September 2023):** **Mr. Shameer Khan**, an alumnus from the Arabic Department and Director of Talrop, led multiple e-training sessions for Arabic Department

students. The training covered the integration of **Artificial Intelligence** in education and industry, providing students with valuable skills for navigating modern technological advancements.

Technical Awareness for PG Students (18/09/2023)

- **Teach & Trend Induction Program for 1st Year Students (20/09/2023)**
- **NET Orientation (19/10/2023):** Mr. Ajmal K.Y, another alumnus from the Arabic department, conducted a comprehensive session on **NET preparation** for postgraduate students. The orientation provided key insights and strategies for preparing for the National Eligibility Test.

### 3. Contributions to College Development

Each alumnus contributes an amount as a membership fee to support the development of the college. This fee is allocated towards the programs and activities of the **Alumni Association**, ensuring the continuity of its initiatives and enhancing the learning environment.

- **Website Launch:** OSAWC launched an official website, serving as a communication hub for alumni to stay informed about events and initiatives, and providing a platform for professional collaboration among members.

### 4. Special Events and Career Guidance

Several alumni contributed to the growth and development of current students through specialized events focused on career guidance and academic inspiration.

- **Mathematics Association Inauguration (13/12/2023):** The formal inauguration of the **Mathematics Association** was marked by a talk from **Dr. Syam Krishnan M S**, an alumnus of the Mathematics Department. He delivered a lecture titled "The Notion of Distance in Mathematics." Dr. Krishnan was also honored for achieving a Ph.D. from KSOM.
- **Career Prospects in Mathematics (14/04/2023):** Ms. Meera Mohan T M, an alumna and Statistical Investigator at the Directorate of Census Operations, delivered a talk to Mathematics students about the diverse **career opportunities** available in the field of Mathematics.
- **PSC Exam Strategies (08/08/2023):** Mr. Sarangh M J, a multiple-time PSC exam victor and

alumnus of the Mathematics Department, hosted an orientation session on cracking the **PSC exams**, providing valuable tips and strategies for students aiming to succeed in competitive examinations.

### 5. Felicitation of Alumni Achievements

The **Honoring Functions** organized by OSAWC have been pivotal in celebrating the achievements of distinguished alumni. These functions not only recognize individual successes but also serve as a source of motivation for current students. By sharing success stories, alumni inspire others to aim higher in their academic and professional journeys.

As part of its ongoing efforts to recognize the achievements of its alumni, OSAWC conducted a special felicitation function to honor **Mr. Ajay**, an alumnus of the Mass Communication Department, who was recently appointed as a **civil police officer** in the Kerala Police Department. The association celebrated his success and acknowledged his contributions to the community.
