

# EVENT HIGHLIGHTS

1

## MATHEMATICS RELAY

- Teams: 2 members (Member A & Member B)
- The Relay Process :-
  - Start: Member A solves Question 1, then runs the sheet to Member B.
  - The Return: Member B solves Question 2, then runs the sheet back to Member A.
  - The Cycle: This back-and-forth continues for the remaining rounds.
  - Finish: The member who solves the Final Question runs immediately to the judge to submit.

2

## IDEA PITCHING

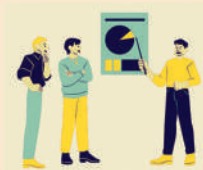

- Open to UG & PG students.
- Two students per team.
- Students have to prepare slides for presenting their ideas.
- 7 minutes presentation and 3 minutes questionnaire.
- Theme: Application of Mathematics in Science, Technology, and Environment.

3

## POSTER MAKING

- Open to UG & PG students.
- Two students per team.
- Maximum 4 charts.
- Theme: Application of Mathematics in Science, Technology, and Environment.
- Judgement will be based on Relevance to Theme, Creativity/Originality, Artistic Composition, and Presentation

We invite you to walk through our curated exhibition showcasing the Beauty and Application of Mathematics.

\* Refreshments and meals will be provided for all the participants.

## INVITATION

Dear Sir/Madam,

It gives us great pleasure to invite your institution to the National Mathematics Day celebrations hosted by the Department of Mathematics, WMO Arts and Science College, Muttill.

On December 22, 2025, we will host an inter-collegiate event commemorating Srinivasa Ramanujan to encourage mathematical interest among youth. We welcome participation from your UG and PG students in three exciting competitions:

- Idea Pitching
- Math Relay
- Poster Making

Awards:

To recognize excellence, the top two winners in each category will be awarded cash prizes of ₹2,500 and ₹1,500 respectively. Additionally, every registered student will be issued a Certificate of Participation.

We eagerly await your students' involvement in making this event a success.

Sincerely,  
Staff and Students  
Department of Mathematics
