PARENTAL FEEDBACK

2018-2019

Feedback Processes of the Institution

The college promptly collects and assesses the feedback from its stakeholders viz parents, alumni, students, and teachers. A format is prepared and distributed among all the stakeholders on different occasions. In addition to the feedback on the curriculum, feedback on the institution is also collected from the stakeholders. IQAC consolidates the feedback report and holds discussions among the members of the faculty and communicates it to the authorities concerned.

Parental Feedback (2018-19)

Parents' feedback is collected on a regular basis from the members of the PTA Council annually. Also, feedback is collected from parents during annual PTA meetings as well as in the Department-wise class PTA meetings. The feedback format is formulated to analyze the (1) Teaching and Learning Process, (2) Teacher-student relationships, (3) Infrastructure, (4) Conduct of Examinations, (5) Library and availability of resources, (6) General Administration of the college, (7) Student support programs, (8) Promotion of Co-curricular activities, and Programs for integral development. Most of the parents are satisfied with the curriculum and Teaching learning process followed by the institution. The following is the analysis of parents' feedback collected from members of the PTA Council during the academic year 2018-19.
