PARENTAL FEEDBACK

2019-2020

Feedback Process of the Institution

The college promptly collects and assesses the feedback from its stakeholders viz parents, alumni, students, and teachers. A format is prepared and distributed among all the stakeholders on different occasions. In addition to the feedback on the curriculum, feedback on the institution is also collected from the stakeholders. IQAC consolidates the feedback report and holds discussions among the members of the faculty and communicates it to the authorities concerned.

Parental Feedback (2019-20)

The parents of the students are keen on the studies and moral health of their children. Many parents take good care in giving creative and suitable feedback on various factors related to the curriculum. The Institution collects feedback from parents during meetings of the PTA Council as well as in the Department-wise class PTA meetings. The feedback format is formulated to analyze the (1) Teaching and Learning Process, (2) Teacher-student relationships, (3) Infrastructure, (4) Conduct of Examinations, (5) Library and availability of resources, (6) General Administration of the college, (7) Student support programs, (8) Promotion of Co-curricular activities, and Programs for integral development.

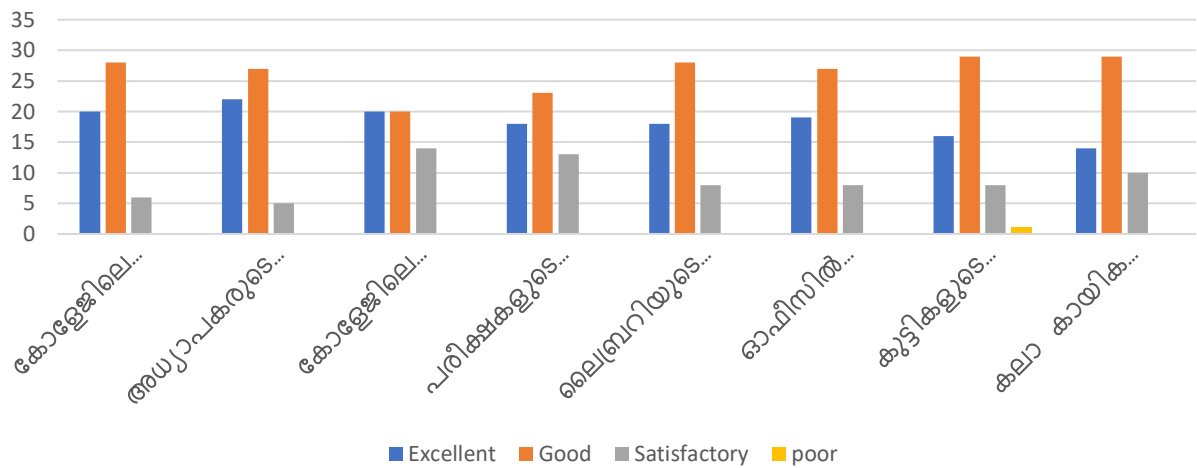

The following parental feedback is collected in the form of a questionnaire with a four-grade rating scale from the members of the PTA Council. Most of the parents are happy with the course content and teaching-learning process. There are some specific requests and suggestions from the parents. Those points are discussed in the IQAC and College Council meetings and necessary measures are taken.
