RUTH

(The Joint Hand)

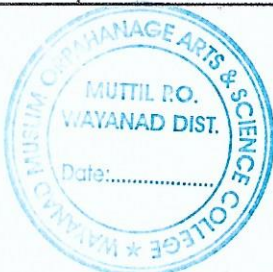

Ruth is the charity wing of WMO Arts and Science College, Muttill, which aims at inculcating humanitarian values among students. This program fosters the democratic values and emphasizes empathy in students and the working staff as well. Aiming to develop a benevolent attitude towards fellow beings, this program encourages students to donate a part of their pocket money to RUTH. Funds are also collected from the staff members towards this program. The funds then mobilized are utilized to cater to the needs of the underprivileged persons in the college community as well as in the society as a whole.

AIMS AND OBJECTIVES

1. Provide financial support to the students, their family members and the needy people in and around the campus.
2. It aims at inculcating humanitarian values among students and to develop a compassionate attitude towards fellow beings.
3. Financial support to foster the needs in education, health, social and community needs, and to cater to the inclusivity in the society.
4. Aims to encourage empathy and social commitment in students towards fellow beings.
