**DEPARTMENT OF PHYSICAL EDUCATION
ANNUAL REPORT 2017-18**

With great pleasure, we present the Annual Report of the Physical Education Department at WMO Arts and Science College, Muttil. Over the past year, our college has continued to provide outstanding sports facilities and opportunities for our students. We have strived to create an environment conducive to physical fitness and overall well-being with infrastructures such as a 400-meter track, football, volleyball, cricket, and shuttle courts.

Our college maintains teams for football, volleyball, cricket, athletics, wu-shu, and chess, enabling our students to participate and excel in various sports disciplines. During this academic year, we have organized various programs and activities. In the year under review, our football team proudly represented our college in the A zone matches conducted at Farook College from 19th October to 28th October 2017. The team has secured third position in the A-zone tournament.

In addition to external tournaments, our college also organized a series of intramural matches, including football, volleyball, and cricket, which allowed students to showcase their talent and foster healthy competition within our college community.

College Annual Sports Day, named "Praveg," was conducted on 14th March 2018. This event brought together our entire college community, celebrating the spirit of sportsmanship, friendship, trust, and mutual support. The event began with a march past, and approximately 800 students participated across 26 different events.

Our college's sports facilities have not only benefited our students but have also been utilized by local clubs, associations, and the general public. We believe in fostering a sense of inclusivity and community engagement through sports, and we are delighted to see the positive impact our facilities have made on the wider community.

Furthermore, our college's cricket pitch, built and maintained by the Kerala Cricket Association through an agreement signed on 10th October 2015, has enhanced the quality of cricket training

and matches for our college cricket team. They have also donated a cricket kit to the WMO College Cricket Team.

The details are listed here.
