DEPARTMENT OF PHYSICAL EDUCATION

ANNUAL REPORT 2020 – 21

The Department of Physical Education at W.M.O Arts and Science College Muttill aims to promote physical fitness, sportsmanship, and overall well-being among students. Physical education plays a crucial role in developing a healthy and active lifestyle, enhancing physical skills, and fostering team spirit. Despite the challenges faced during the 2020-21 academic year due to the COVID-19 pandemic, the department remained dedicated to providing opportunities for students to engage in sports and physical activities.

Our college is equipped with outstanding sports facilities that cater to various disciplines. The well-equipped fitness center allows students to engage in strength training and exercise, promoting their overall fitness. In addition, we have a 200-meter athletic track, a standard football field, a cricket pitch, and courts for volleyball and badminton. These facilities provide students with ample opportunities to explore their athletic abilities and excel in different sports. Notably, our college has showcased remarkable success in football, volleyball, and fencing. A total of 70 students participated in the Calicut University 'A' zone and inter-zone matches, where our fencing team achieved exceptional results at the university level.

While our college has a strong tradition of sharing our facilities with the community, the COVID-19 pandemic presented some difficulties in extending this support during the 2020-21 academic year. However, despite the challenges, we collaborated with the Wayanad Softball Association to conduct a softball coaching camp, allowing us to contribute to the development of softball skills in the community. As we look ahead, we remain committed to resuming our annual athletic meet and further promoting physical education and sportsmanship among our students. We extend our gratitude to all the staff, students, and stakeholders for their unwavering support during these trying times

In conclusion, the Department of Physical Education at W.M.O Arts and Science College Muttill continued its efforts to foster physical fitness and sportsmanship among students during the 2020-21 academic years. The college's well-equipped facilities, including the fitness center, athletic track, football field, cricket pitch, and courts, provided students with opportunities to excel in various sports. Despite the challenges posed by the COVID-19 pandemic, our students showcased their talents in football, volleyball, and fencing, achieving notable success at the university level. We look forward to resuming our annual athletic meet and reinforcing our commitment to holistic development through physical education in the upcoming year. We express our sincere appreciation to everyone involved for their support and cooperation.
