DEPARTMENT OF PHYSICAL EDUCATION

ANNUAL REPORT 2021 – 22

The Department of Physical Education is pleased to present its annual report for the year 2021-22. We are delighted to share the accomplishments and effective functioning of our department. With a focus on promoting physical fitness, sportsmanship, and overall well-being, we have provided a platform for students to excel in various sports activities. Through the dedication of our faculty and the availability of top-notch facilities, we have achieved significant milestones throughout the year. We take immense pride in our well-equipped infrastructure, which comprises a 200-meter track, a cricket pitch, a football field, a volleyball court, a badminton court, and a fitness center. These facilities have provided our students with a conducive environment to develop their athletic abilities and pursue their passion for sports.

Our department is fortunate to have highly qualified and dedicated faculty members. Mr. Abhin Kumar K R, the Head of the Department, possesses a National Institute of Sports (NIS) certification in volleyball. His expertise and leadership have been instrumental in shaping the department's success. Additionally, Mr. Suhaile P H specializes in football and holds a National Eligibility Test (NET) certification and a D license in football. Their knowledge and experience have greatly benefited our students. During the year 2021-22, our college teams actively participated in various Zone and Inter Zone Championships in football, volleyball, cricket, fencing, and boxing. These events provided valuable opportunities for our students to showcase their skills and sportsmanship at a competitive level.

Furthermore, we had the privilege of hosting the Wayanad District 'A' Division Football League, which brought together talented players from across the district. The event was a great success and further strengthened our commitment to promoting sports within the local community. We also organized a D License Coaching Course under the All India Football Federation (AIFF), enabling aspiring coaches to enhance their skills and contribute to the development of football in our region.

In conclusion, the Department of Physical Education has had a remarkable year, marked by effective functioning, exceptional facilities, and the active participation and hosting of various sports events. We remain committed to nurturing physical fitness, sportsmanship, and the holistic development of our students. We express our gratitude to the faculty, staff, and students for their unwavering support and dedication. With the continued support and enthusiasm, we look forward to achieving even greater heights in the coming year.
