Teachers' Feedback on Curriculum Feedback Analysis 2021-22

Feedback is duly collected from teachers on the curriculum. As a community that keeps in touch with the different syllabus revisions and the student standards from time to time, the most expert and resourceful suggestions were obtained from them. Most of the teachers from various departments were satisfied with the density of the curriculum offered by the university. Specific suggestions by teachers on particular programmes were communicated to the University through members of the Board of Studies.

The environment in the College is conducive to teaching and research

The following are specific suggestions of teachers on curriculum and teaching-learning process and infrastructure facilities. It was decided to meet their needs and requirements raised.

1. Suggestion to reinstate centralized offline internal examinations.
2. To conduct centralized examinations for the audit courses
3. Heaviness of the syllabus and tight schedule of the university examinations arose out of pandemic-related rescheduling.
4. To upload internals on the college website
5. Changing of complementary course of BSc Physics from Computer Science to Chemistry
6. Renovation of Dialog Hall
7. To conduct additional sessions on the LMS Moodle platform for faculty.
8. To conduct virtual Tours to places of scientific importance

The suggestions and recommendations were duly considered, and necessary actions were taken.
