# Virtual Camp

2021

MARCH 15 -21

# **SPECIAL CAMPING PROGRAMME 2020-21**

---

**WMO ARTS AND SCIENCE COLLEGE, MUTTIL  
WAYANAD  
UNIT NO: 173**

# DAY 1

---

Inaugural function of the seven day camp was done at 4 pm through google meet. The camp was started with the prayer followed by the ice breaking session and grouped the volunteers into 7 different groups. At 6 pm general instructions regarding the camp rules were given to the volunteers and list of duties for the next day was given to the respective groups. Camp was disbursed at 6.30pm with National Anthem.

The image displays a Zoom meeting interface. The main area shows a grid of participants in a dark theme. At the bottom, there are controls for muting, unmuted, and video off. A sidebar on the right shows the meeting details, including a list of participants in the call.

# SURVEY REPORT

---

From the survey conducted through google form it was found that everyone is following the covid protocols without failure. Around 45% of their family members are doing jobs abroad and only 30% are working in other states. 85% of respondents state that at least 1 member in their family has been infected from Covid-19 virus. Only 3% respondent that because of covid members of their family has lost their life and that too aged ones. 90% of respondents says that they have lost their jobs during this pandemic. Everyone is saying that they are getting new jobs nowadays only. 75% of the respondents are having well as their water resources , rest 25% uses water authorities pipe-line as their water resources. Every respondents are having plants in their home whereas only 45% of them have pet animals.93% of the respondents have clear their plastic wastes through Kudumbashree units. Only 15% of the respondents are in the Govt's service schemes. It is clear from this survey that everyone is following the Covid – 19 protocols and also new opportunities are opening for the jobs .

THANK YOU
